CATARRH IN HEAD.

Pe-ru-na--Pe-ru-na.

MR. WM. A. PRESSER.

MR. WILLIAM A. PRESSER, 1728 Third Ave., Moline, Ill., writes: "I have been suffering from catarrh in the head for the past two months and tried innumerable so-called remedies without avail. No one knows how I have suffered, not only from the disease itself, but from mortification when in company of friends or strangers. "I have used two bottles of your medicine for a short time only, and it effected a complete medical cure, and what is better yet, the disease has not returned. "I can most emphatically recommend Peruna to all sufferers from this disease."

Read This Experience.

Mr. A. Thompson, Box 50, R. R. 1, Martel, Ohio, writes: "When I began your treatment my eyes were inflamed, nose was stopped up half of the time, and was sore and scabby. I could not rest at night on account of continual hacking and spitting. "I had tried several remedies and was about to give up, but thought I would try Peruna. "After I had taken about one-third of a bottle I noticed a difference. I am now completely cured, after suffering with catarrh for eighteen years. "I think if those who are afflicted with catarrh would try Peruna they would never regret it."

FLOWER POTS OF ALL KINDS BURGER BROS.

A most harmonious and delightful meeting of the Ladies' Aid Society of the Christian Church was held last Wednesday with Mrs. J. W. Walker. There were thirteen members present, but the ill-luck feature

was removed by the timely appearance of Mrs. Alex Callison as a guest. Mrs. Pregritt read the Bible lesson. The semi-annual election of officers was held. Mrs. T. J. Roberts being elected president, Mrs. Eggers vice-president, Miss Flowers, secretary, and Mrs. J. M. Callison, treasurer. There will be no meeting next Wednesday on account of the sale of oysters during the day and night by the Christian ladies; but next Wednesday week, February 3rd, the society will meet with Mrs. J. W. McCarty. The meeting was closed with prayer by the president, Mrs. Roberts. Mrs. Walker then served chocolate and fancy cakes.

Mr. M. D. Flower's barn caught fire and burned to the ground Wednesday morning between 4 and 5 o'clock. How the blaze originated is a mystery, but the general supposition is the fire must have been of incendiary origin. The barn was a large one, and valued at about \$1500. The barn contained about 600 bushels of corn, 800 or 700 bales of hay, a buggy, farming implements, four saddles, bridles and blankets, all of which were destroyed. The loss is quite a severe one.

High Grade Tailoring.

Only good tailors are real tailors. Their garments are always distinctive. They bear the stamp of craftsmanship. They are never extreme, never exaggerated.

Merchant tailoring is a trade which is an art. The impulse which leads men to prefer an original painting to a lithographed reproduction will always keep merchant tailoring rooted to its place of leadership. It cannot be displaced except by a logical substitute, something which up to now has not appeared.

Geo. Redford, Merchant Tailor.

The Ladies' Euchre Club met Wednesday afternoon with Mrs. M. E. Guynn. Mrs. P. H. Burger captured the first prize, Mrs. Rayner, the lone hand prize, and Mrs. Anderson the guest prize. The Eagle Lake Rice Milling Company bought the Kempner rice at Thompsons, about 4000 bags, last Monday. Rice buyers from all the mills were present and bid on this rice, but the bid of the Eagle Lake Rice Milling Company being the highest, the lot of rice was purchased by this mill.

"Cowboy Indian and the Lady."

The big canvas of Blondin's Big Show was well filled last night and the applause and attention given indicate a well pleased audience. The show was much better than any tented show we have had for a long time, doubtless very few went away not perfectly satisfied. Their singing and dancing specialties were of the best; the band and orchestra were also good; in fact not many

shows traveling give such general satisfaction as this one. Daily News. At Eagle Lake, Thursday, Jan. 28th.
