The Hardy Satsuma and Quamquat Oranges budded onto
Citrus Trifoliata root, are receiving more serious consid-
eration by a large number of people throughout the
Coast Country than any other new industry that
has come to this country.

Large groves are being planted in many localities by the old settlers. The Nurseryman
and Horticulturist especially recommend our prairie soil with its rich, clay subsoil
for this fruit. These trees are recommended to stand a freeze or temperature of
10 degrees above zero without receiving injury. The fruit is very choice. The
trees are ornamental. Orange blossoms are nicer than roses. They add beauty,
comforts and value to every city or farm house. Every family in the city or
country who owns their own home, should have at least half a dozen of these
fine fruit trees and one or two Ponderosa Lemon trees. I have a few Satsuma
trees that I am offering for sale. Anyone interested should call at my house at once.

Among the lands offered for sale by our company, we call espe attention to the following:

30 ACRES well drained black sandy prairie 2 1/2 miles from Eagle Lake, creek crosses one cor-
ner, graded wagon road along one side. No improvements. Price, \$16.00 per acre.
THE JAPANESE SECTION No. 24, containing 543 acres adjoining the Lissie townsite section
in Wharton county, fair improvements, four room cottage, barn, well and windmill, fenced and

for irrigating rice. Good graded road on two sides. School, church and stores 3 1/4 mile. Price,
\$20 per acre. Terms: cash, balance three annual payments, interest 7 percent. Possession
can be given at once.
160 ACRES 2 miles from Chesterville. Water for rice irrigation guaranteed. Level except 25
acres along a big creek which affords best drainage. Price, \$25 per acre; usual terms.
320 ACRES unimproved 3 miles N. E. of Eagle Lake, choice prairie. \$16 per acre, \$2000 cash,
balance five annual payments, interest 8 percent.
SEVERAL choice 10 acre tracts adjoining the city of Eagle Lake. \$50 per acre.
200 ACRES 3 1/2 miles north of Eagle Lake; price \$14 per acre, usual terms.
CHOICE TOWN LOTS at Alamo Beach. Low prices, easy payments, 5 percent discount for all
cash. The finest, shell beach, hard sand bottom, for bathing. Pier extends out to deep water

are made every year regardless of the boll weevil. Price, \$50 per acre payable on easy mon-
thly or yearly payments, or 5 percent discount for all cash.

We were honored with a visit
from the Hon. Green Duncan of
Egypt, possibly the wealthiest
and most prominent planter in
Wharton county. The typical
southern gentleman that he is
makes him the ruler of all Egypt,
one of the richest sections of
Wharton county. Mr. Duncan's
possessions yield like a mint and
his gardens bloom with roses, a
veritable little paradise as it is,
where hospitality reigns to the
limit and proud is the man who
owns property in beautiful little
Egypt. Mr. Duncan is a staunch
member of the Wharton Com-
mercial Club, was a member of
the business men's committee
who went to Galveston to pre-
sent the commercial statistics of
Wharton county to the Govern-
ment Engineers, Capt. Oakes
and staff, the enthusiasm of our
leading citizens in behalf of na-
vigation of the Colorado river to
Wharton and the great array of
substantial statistics secured the
completion of the survey on the
Colorado river to Wharton.—Co-
lorado Valley Pilot.

REASON ENTHRONED.
Because meats are so tasty they are
consumed in great excess. This leads
to stomach troubles, biliousness and
constipation. Revive your diet, let

again. Try it. For sale by all drug-

None of Her Business.
Mrs. Williams always took a
well meaning interest in the wel-
fare of her neighbors. Learning
that Miss Wilkins, and elderly
spinster, was sick, she said to
her son: "Go over and find out
how old Miss Wilkins is." The
boy returned shortly with an
aggravated look, saying:
"Miss Wilkins said it's none
of your business how old she is."

Mr. Oscar Linderholm adver-
tised through the columns of

months ago for a lost cuff but-

them very highly though he had

About \$50,000 was put into
circulation last Saturday in the

a 100 percent personal dividend
for B. L. Vineyard. Business
in Eagle Lake will no doubt "pick
up" some day since this amount
