May Have Been Worse.

A thunderbolt struck the pole of the wireless telegraph station with terrific violence. Helpers ran in and tenderly lifted the helpless form of the operator.

"What was it?" he gasped, as soon as he regained consciousness.

"A thunderbolt."

"Thank God! I thought it was another presidential message."

Went Too Far.

Mike and Pat were two Irish friends — and democrats. One day Mike learned that Pat had turned socialist. This grieved and troubled Mike, who said: "Pat, I don't understand this socialism. What is it, now?"

"It means dividing up your property equally," said Pat. "Tis this way. If I had two million dollars I'd give you a million and keep a million for myself — see?"

"And if you had two farms, Pat, what would you do?"

"I'd divide up, Mike; I'd give you one and keep one."

"And if you had two pigs, Pat, would you share those, too?"

"Now, Mike, you go to thunder. You know I've got two pigs."

The sure-to-cure-you quality is in every bottle of this remedy, and you get good results when you take it. Neglected colds often develop serious conditions, and when you buy a cough medicine you want to be sure you are getting one that will cure your cold. Chamberlain's Cough remedy always cures. Price 25 and 50 cents a bottle. For sale by all druggists.

Humorist (looking on)—What's the use. There's no post office where you're going.

The Hardy Satsuma and Quamquat Oranges budded onto Citrus Trifoliata root, are receiving more serious consideration by a large number of people throughout the Coast Country than any other new industry that has come to this country.

Large groves are being planted in many localities by the old settlers. The Nurseryman and Horticulturist especially recommend our prairie soil with its rich, clay subsoil for this fruit. These trees are recommended to stand a freeze or temperature of 10 degrees above zero without receiving injury. The fruit is very choice. The trees are ornamental. Orange blossoms are nicer than roses. They add beauty, comfort and value to every city or farm house. Every family in the city or country who owns their own home, should have at least half a dozen of these fine fruit trees and one or two Ponderosa Lemon trees. I have a few Satsuma trees that I am offering for sale. Anyone interested should call at my house at once.

Long-Suffering Bill.

A correspondent sends the following to a remote rural organ of the people:

"Our esteemed fellow citizen, Mr. William M. Puckleton, has had several 'no trespassing' signs erected on his place. We have had the pleasure of perusing the one facing the Hedgeville pike. It reads:

"Notis — Trespasser will be persecuted to the full extent of 2 mean mungrel dogs which ain't never been overly sociabil with strangers and 1 dubble harl shot gun which ain't loded with no softy pillers dam if I ain't gitin tired at this heirasin on my prop-erty. Yours respectful, Bill Huckleton." — Current Literature.

REASON ENTHRINED.

Because meats are so tasty they are consumed in great excess. This leads to stomach troubles, biliousness and constipation.
