The Farmer's Wife

Is very careful about her churn. She
scalds it thoroughly after using, and
gives it a sun bath to sweeten it. She knows
that if her churn is sour it will taint the
butter that is made in it. The stomach is a
churn. In the stomach and digestive
and nutritive tracts are performed pro-
cesses which are almost exactly like the
churning of butter. Is it not apparent
then that if this stomach-churn is foul it
makes foul all which is put into it?

The evil of a foul stomach is not alone
the bad taste in the mouth, and the foul
breath caused by it, but the corruption of
the pure current of blood and the dissem-
ination of disease throughout the body.

Dr. Pierce's Golden Medical Discovery
cures the sour and foul stomach sweet-
ens the blood and restores the system.

It does for the stomach what the washing
and sun bath do for the churn—absolutely
removes every taint or corrupting ele-
ment. In this way it cures bloating,
pimples, eruptions, scrofulous swellings,
sores, or open eating ulcers and all
hemors or diseases arising from bad blood.

If you have bitter, nasty, foul taste in
your mouth, coated tongue, foul breath,
are weak and easily tired, feel depressed
and despondent, have frequent headaches,
dizzy attacks, gnawing or distressing stom-
ach, constipated or irregular bowels, sour
or bitter risings after eating and poor
appetite, these symptoms, or any consider-
able number of them, indicate that you are
suffering from biliousness, torpid or lazy
liver with the usual accompanying indig-
estion, or dyspepsia and their attendant
consequences.

The best agents known to medical sci-
ence, and the best authorities on the subject
of the stomach and digestive and nutritive
tracts, are all agreed that the only way to
cure these troubles is by the use of Dr. Pierce's
Golden Medical Discovery. That this is absolutely true
will be readily proven to your satisfaction
if you will mail a postal card request
to Dr. R. V. Pierce, Buffalo, N. Y., for a
copy of his booklet of evidence from
the standard medical authorities, giving
the names of all the ingredients entering
into his world-famed medicine, and show-
ing what the most eminent medical men
of the age say of them.

Misery in Stomach.

Why not start now—today, and
forever rid yourself of Stomach
trouble and indigestion? A di-
etted stomach gets the blues and
crumbles. Give it a good eat,
then take Pape's Diapiesin to
start the digestive juices work-
ing. There will be no dyspepsia
or belching of Gas or eructations
of undigested food; no feeling
like a lump of lead in the stom-
ach or heartburn, sick headache
or Dizziness, and your food will
not ferment and poison your
breath with nauseous odors.

Pape's Diapiesin costs only
50 cents (or a large case at any
drug store here, and will relieve
the most obstinate case of Indi-
gestion and Upset Stomach in
five minutes.

There is nothing else better to
take Gas from Stomach and
cleanses the stomach and intes-
tines, and besides, one triangle
will digest and prepare for as-
similation into the blood all your
food the same as a sound, health-
y stomach would do it.

When Diapiesin works your
stomach rests—gets itself in or-
der, cleans up—and then you feel
like eating when you come to
the table, and what you eat will
do you good.

Absolute relief from all Stom-
ach Misery is waiting for you
as soon as you decide to begin
taking Diapiesin. Tell your drug-
gist that you want Pape's Dia-
piesin, because you want to be
thoroughly cured of Indigestion.

Near Death in Big Pond.

It was a thrilling experience to Mrs.
Ida Soper to face death. "For years
a severe lung trouble gave me intense
suffering," she writes, "and several
times nearly caused my death. All
remedies failed and doctors said I
was incurable. Then Dr. King's New
Discovery brought quick relief and a
cure so permanent that I have not
been troubled in twelve years." Mrs.

To relieve the worst forms of
Rheumatism, take a teaspoonful
of the following mixture after
each meal and at bedtime:
Fluid Extract Dandelion, one-
half ounce; Compound Kargon,
ounce; Compound Syrup Sarsa-
parilla, three ounces.

These harmless ingredients
can be obtained from our home
druggists, and are easily mixed
by shaking them well in a bottle.
Relief is generally felt from the
first few doses.

This prescription forces the
clogged up, inactive kidneys to
filter and strain from the blood
the poisonous waste matter and
uric acid, which caused Rheu-
matism.

As Rheumatism is not only the
most painful and torturous dis-
ease, but dangerous to life, this
simple recipe will no doubt be

greatly valued by many suffer-
ers here at home, who should at
once prepare the mixture to get
this relief.

It is said that a person who
would take this prescription regu-
larly, a dose or two daily, or
even a few times a week, would
never have serious Kidney or
Urinary disorders or Rheuma-
tism.

Cut this out and preserve it.
Good Rheumatism prescriptions
which really relieve are scarce,
indeed, and when you want it,
you need it badly.

J. E. Briggs, Superintendent
of the Eagle Lake public school,
was here Saturday on a busi-
ness mission. Mr. Briggs was
at one time principal of the Whar-
ton school and is remembered
here by his many friends.—Whar-
ton Spectator.

Mayor Strickland has issued a
"clean up" proclamation, which
will be found elsewhere in this
paper, naming Monday, March
15th, as the day to begin clean-
ing up and getting your premi-
ses in a sanitary condition. Ev-
ery citizen in Eagle Lake should
follow the Mayor's instructions
in this matter, and thereby have
the town put in a thoroughly san-
itary condition, and especially so
at this time as there are a num-
ber of cases of smallpox in town.
