SATURDAY SEPT. 17, 1910.

This place and surrounding country have been visited by a number of good showers this week. The rainfall has not been sufficient for stock water purposes, however it is enough to give the rice threshing and cotton picking a set back for a few days. Since some moisture has been put in the ground, after the long, hot, dry summer, the people are beginning to plant fall gardens.

The Lash of a Flend
would have been about as welcome to A. Cooper of Oswego, N. Y., as a merciless lung-racking cough that defied all remedies for years. "It was most troublesome at night," he writes, "nothing helped me till I used Dr. King's New Discovery which cured me completely. I never coughed at night." Millions know its matchless merit for stubborn colds, obstinate coughs, sore lungs, lagrippe, asthma, hemorrhage, croup, whooping cough, or hayfever. It relieves quickly and never fails to satisfy. A trial convinces. 50c, \$1.00. Trial bottle free. It's positively guaranteed by Calvert's Drug Store.

An effort is being made by some of the enterprising citizens of the county to get up a good county exhibit to be put on display in San Antonio during the International Fair. There is hardly a county in Texas that could afford so many different articles of production for an exhibit of this nature as old Colorado county.

It Saved His Leg.
"All thought I'd lose my leg," writes J. A. Swenson, of Watertown, Wis. "Ten years of excema, that 15 doctors could not cure, had at last laid me up. Then Buckles' Arnica Salve cured it, sound and well." Infallible for Skin Eruptions, Eczema, Salt Rheum Boils, Fever Sores, Burns, Scalds, Cuts and Piles. 25c at Calvert's Drug Store.

While playing baseball at school Wednesday morning, Preston Wicker was quite painfully hurt by running into "R. E." Williamson. Preston was pitching and R. E. catching, and the two were running after a foul ball when they collided. Preston was brought to town where Dr. Cross administered medical attention. One of his eyes for a time was almost completely closed by the blow, and he was rendered unconscious for several hours.

THE CHEAPEST THE BEST

The Secret of Youth

Do you ever wonder how you can remain young, or why other women older than you, look younger than you do? The secret can be put in a few words: "Preserve your health, and you will preserve your youth."
By "health" we mean not alone physical health, but nerve health, as, sometimes, magnificently strong-looking women are nervous wrecks.
But whether you are weak physically or nervously, you need a tonic, and the best tonic for you is Cardui. It builds strength for the physical and nervous systems. It helps put flesh on your bones and vitality into your nerves.

Take CARDUI

The Woman's Tonic

"My mother," writes Mrs. Z. L. Adcock, of Smithville, Tenn., "is 44 years old and is passing through the change of life."
"She was irregular and bloated and suffered terribly. My father stepped over to the store and got her a bottle of Cardui, which she took according to directions and now she is up, able to do her housework and says she feels like a new woman." Try Cardui in your own case.

The members of the democratic executive committee met in Columbus this week and decided upon the name of Emanuel C. Burttschell, son of the late Joseph Burttschell, county treasurer for thirteen years, to be placed on the ticket for the office of county treasurer. Mr. Burttschell who died a few weeks ago, had been nominated at the last primary for the office. Emannel Burttschell is a worthy, young man, in every way capable to fill the office, and like his father was, is accommodating to a fault. THE HEADLIGHT believes that he will make the county an excellent officer.

High Grade Merchant Tailoring.
The essence of making clothes lies in fitting, not alone the man, but the man's personality. And this is the secret of perfection in dress. Do not try to adapt yourself to a suit. Go to a tailor and let him adapt a suit to you.

Good clothes can be had in only one way. They must be cut and made expressly for YOU by a merchant tailor.

GEO. REDFORD.

We are sorry to learn that Mrs. S. E. Buckles and popular daughter, Miss Anna, have decided to return to their former home in Mississippi. Mrs. Buckles has been in very poor health since coming to Texas, and for this reason has decided to return to Mississippi. She expects to sell all of her furniture rather than ship same. The furniture will be offered for sale on September 28th.

A Man of Iron Nerve.
Indomitable will and tremendous energy are never found where Stomach, Liver, Kidneys and Bowels are out of order. If you want these qualities and the success they bring, use Dr. King's New Life Pills. They are the matchless regulators, for keen brain and strong body. 25c at Calvert's Drug Store.

The rain of last Monday morning was a welcome visitor, and will be of much benefit, making the grass come out green again. The rice market has apparently dropped to some extent, and many of the farmers are sacking their rice and preparing to hold it for higher prices. Capt. John J. SYSTEMIC CATARRH.

One of many cases where Peruna has done what other remedies failed to do.

MR. C. A. LANDGRABE.

Mr. C. A. Landgrabe, Box 25, Coalburg, Ohio, writes: "I had been a slight sufferer for a number of years, but paid little or no attention to it, until the spring of this year, when my sufferings became very severe."

"I had pain in the head, back, spine, liver, chest, and various parts of my body, besides indigestion that caused me much trouble and anxiety. I often thought when I retired at night I would not live through it. I tried medical aid, but to no purpose."

"Not knowing what was my main trouble I wrote to Dr. Hartman, after reading of his treatment, for advice, telling him of my various ailments, and he notified me at once that I had systemic catarrh."

"After using the first bottle of Peruna I felt relief, so I continued to use it until I had taken four bottles, when I felt entirely cured. I recommend it to all others, believing that they will experience the relief that I did."

Per-ru-na as a Tonic.
Mr. William F. Hawkins, 12 West 8th, Westerville, O., writes:

"I wish to give my testimony in favor of Peruna as a tonic. I have used the same for catarrh, and can recommend it to all who are troubled in that way."

Over 1500 bales of cotton have been handled here so far this season, and cotton continues to come in at a pretty good rate. There is but very little cotton generally shipped from Eagle Lake as there are so many smaller railroad stations nearby, they getting the bulk of the cotton shipments.
