WORK WEAKENS THE KIDNEYS.

Doan's Kidney Pills Have Done Great Service For People Who Work in Eagle Lake.

Most Eagle Lake people work every day in some strained, unnatural position—bending constantly over a desk—riding on jolting wagons or cars—doing laborious housework; lifting, reaching or pulling, or trying the back

All these strains tend to wear, weaken and injure the kidneys until they fall behind in their work of filtering the poisons from the blood. Doan's Kidney Pills cure sick kidneys, put new strength in bad backs. Eagle Lake cures prove it.

George Redford, tailor, Eagle Lake, Texas, says: "I gladly recommend Doan's Kidney Pills, having used them with excellent results. My occupation brings more or less strain on the muscles of the back and as the result, I was attacked at times by pains across my loins and kidneys. Recently when suffering thus and also having dull headaches, I procured a box of Doan's Kidney Pills at Calvert's Drug Store. They relieved me in a short time and soon restored my kidneys to their normal condition."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's and take no other.
