

MORTUARY.

MR. JOHN COMP.

Mr. John Comp died at the home of his son, Mr. Chas. Comp, at Nottawa, last Saturday morning. The remains were shipped to Tiskilwa, Ill., Sunday for burial, being accompanied by Mr. Chas. Comp. Mr. Comp, had lived, would soon have been ninety-two years old, and his last sickness was his first sickness with the exception of one spent during his long life of nearly ninety-two years. Mr. Comp was a good man. He united with the Methodist church early in life and ever after lived a faithful, consistent Christian life. He was kind and obliging and ever ready to lend a helping hand to those in need, which won for him the love, respect and esteem of all who knew him. Mr. Comp had always enjoyed good health until about six months ago when his health began gradually to fail.

His hands could do, but on February 25th at 1:30 p. m. his spirit took its flight and he peacefully fell asleep in Him whom he had loved and trusted. He leaves to mourn his death, four children, Harvey Comp of Tiskilwa, Ill., Mrs. Mary Earthman of Omaha, Neb., Mrs. Mitchner of Ross-ville, Kans., and Charles Comp of Nottawa.

MRS. IDA ERNST.

After a lingering illness, the spirit of Mrs. Ida Ernst passed into the Great Beyond late last Saturday evening. Her remains, which were accompanied by sorrowing relatives and friends, were shipped to Columbus on the noon train Sunday and interred at that place, by the side of her late husband, Mr. Ed Ernst. Mrs. Ernst was a faithful member of the Lutheran church, having united with that church many years ago. The Presbyterian minister, Rev. Mr. Storey of Houston, conducted the funeral services. Mrs. Ernst possessed a wide circle of friends here, at Columbus and at Cold Springs, having formerly lived at the latter two places, and

wherever she was known, and her sad death is deeply regretted by all who knew her. She leaves to mourn her death, two daughters, Mrs. A. U. Autrey of Elmina, Texas, and Mrs. W. E. Mettice of this city, to whom the HEADLIGHT extends its deepest sympathy in their irreparable loss.

WILLIAM S. DAVIS.

We are in receipt of a copy of the Record, published at Warrenton, North Carolina, which contains a touching tribute to the memory of William S. Davis, a Colonel in the Confederate States service, and later a minister in the Methodist Episcopal Church, South, and one of the most prominent citizens of Warrenton county, who died in that city on November 23rd, last. Mr. Davis was a brother of our townsman, Mr. W. E. Davis.

MILBY FEHRENKAMP.

The HEADLIGHT extends its sympathy to County Tax Collector Milby Fehrenkamp, of Columbus in the death of their little year and a half old son, Milby Simmons, which occurred in that city of February 21st, after a brief illness.

MRS. BAT SMITH.

The people of Eagle Lake, and especially the older citizens, will regret to learn of the death of Mrs. Smith, wife of Dr. Bat Smith of Bay City, who died in Houston under an operation. The funeral took place in Bay City Saturday. Mrs. Smith, with her family, resided in Eagle Lake many years ago, and often visited in the city, the guest of Mrs. Bruce and other friends. Peace to her ashes!

Stephens Company's store came to a close Wednesday at noon, something like a hundred maps having been taken out for same. The judges were J. R. Westmoreland, T. J. Roberts and C. B. Eberly, the latter a traveling salesman for the John Deer Plow Company, who awarded the prize, the handsome miniature Buck's stove to little Ruby Tracy, daughter of Rev. J. T. and Mrs. Tracy, her map having been decided by them as the neatest of all entries. Her five reasons "Why mamma and papa should trade with the Frank Stephens Company" are as follows:

- 1st.—Because they keep just what you want.
- 2nd.—Because they give full value for every cent.
- 3rd.—Because their goods are of the best quality.
- 4th.—Because their store is always neat and clean.
- 5th.—Because their clerks are pleasant and courteous to customers.

Mr. O. L. Kolberg, of the nursery firm of Kolberg & Anderson, stated to the HEADLIGHT this week that the recent heavy frosts have not killed any of the orange trees, as many expected would. Mr. Kolberg says the leaves on the trees were killed and some of the tender branches were killed on the younger trees, but the older trees stood the freeze much better than the younger trees. The orange trees and also the fig trees are all coming out again.

In mentioning the prizes given for the best costumes awarded by the judges at the mask ball Tuesday night, we unintentionally omitted that of Mr. S. H.
