gasoline engine that furnish him  
all the water that he wants for  
growing truck. Mr. Schultz

Free Sample  
For Baby's Ills

Something can and must be done  
for the puny, crying baby, for the  
child that refuses to eat and is rest-  
less in its sleep. And since the basis  
of all health is the proper working  
of the digestive organs, look first to  
the condition of the stomach and  
bowels.

A child should have two full and free  
movements of the bowels a day. In this  
emptying of the bowels is very important,  
as with it comes a clear head, a light-  
ness of step, good appetite and sound  
sleep. But it is equally important to  
know when to give the child in the  
emergency of constipation and indiges-  
tion. Cathartics are too strong and salts  
and other purgatives are not only too  
strong but the child refuses them be-  
cause of their bad taste. Have you ever  
tried Dr. Caldwell's Syrup Pepsin? It is  
a liquid tonic that families have been  
using for a quarter of a century. It is  
the pleasant-tasting and promptly ef-  
fective remedy for all cases of constipa-  
tion, indigestion, and all ailments  
that are found in children. They do not  
want to have to force them to  
take it.

First of all, if you have not yet used  
it, Dr. Caldwell would like to send you  
a sample bottle free of charge. In this  
way you can try it before buying. Later,  
when you are convinced of the merits,  
order it of your druggist at fifty cents and  
the bottle is sent, just as thousands of  
other families are doing. The family of  
Mr. D. W. Slaughter of Strattonville, Va.,  
as well as that of Mr. A. F. Johnson of  
Walnut Grove, Tenn., started with it in  
that way and now write that it is their  
one family necessity next to food itself.  
If you are unfortunate enough to have a  
child who is suffering from constipa-  
tion, indigestion, and all ailments that  
are found in children, they do not want  
to have to force them to take it.

Dr. Caldwell personally will be pleased  
to give you any medical advice you may  
desire for yourself or family pertaining to  
the stomach, liver or bowels absolutely  
free of charge. Send your case in detail  
letter and he will reply to you in detail.  
Write to Dr. Caldwell, 1111 Broadway,  
New York, N. Y., or to the nearest drug  
store, and you will receive a postal card or  
otherwise. For either request the doctor's  
address is Dr. W. E. Caldwell, 1111 Broad-  
way, New York, N. Y.

Miss Roberta Cagle Smith of Lex-  
ington, Ky., to Mr. J. Hamilton  
of Shreveport, Mr. Hamilton is well  
known in Eagle Lake, having at

tended in advance.

Mr. G. A. Stoermer last Fri-  
daysold his Maxwell run-about to  
Rev. A. Noble James, the Meth-  
odist pastor at Columbus. So  
far as we are able to learn this is  
the first instance in Texas where  
in a Methodist preacher has be-  
come the owner of an automo-  
bile. But times are changing  
rapidly and we'll not be surpris-  
ed to some day hear of a country  
newspaper man owning an auto-  
mobile.

The HEADLIGHT regrets to  
learn of the serious illness of  
Mrs. A. Mersfelder of Glen Flo-  
ra. Mrs. Mersfelder is one of  
Eagle Lake's pioneer citizens,  
moving to Glen Flora a few years  
ago. She is loved by all who  
know her, especially so by all the  
older citizens of Eagle Lake—  
those who know her best. We  
sincerely hope she will soon be  
strong and well again and spar-  
ed to this me of our services for  
many more years.

Kills A Murderer.

A merciless murderer is Appen-  
dicitis, with many victims, but Dr.  
King's New Life Pills kill it by preven-  
tion. They gently stimulate stomach,  
liver and bowels, preventing that  
clogging that invites appendicitis,  
causing Constipation, Headache, Bil-  
iousness, Chills, etc at Calvert's Drug  
Store.

Mr. Perry Bidwell, whose

well, agent for the Cane Belt

riding on the motor car, which  
runs between Garwood and Bon-

Mr. F. P. Herbert's place, struck

some time before he will be able  
to be about again.

We learn from the rice men  
that there will be a slight de-  
crease in the rice acreage plant-  
ed in this section this season, but  
they tell us, with a favorable sea-  
son, more rice will be raised  
here than last season. The cot-  
ton acreage in this territory is  
considerably increased, while the  
corn acreage is about the same.  
We are also informed that the  
acreage in sugar cane is decreas-  
ed over last year.
