MAY PROVE FATAL.

When Will Eagle Lake People Learn the Importance of it?

Backache is only a simple thing at first;

But when you know 'tis from the kidneys;

That serious kidney troubles follow;

That diabetes, Bright's disease may be the fatal end.

You will gladly profit by the following experience.

'Tis the statement of an Eagle Lake citizen.

J. E. Bowman, of Eagle Lake, Texas, says: "I can not recommend Doan's Kidney Pills too highly in return for all they have done for me. For a long time I had attacks of backache, brought on by working in a stooped position a great deal. There was also a dull pain in the back and top part of my head. A too frequent desire to pass the kidney secretions added greatly to my discomfort and though I tried many [illegible] Finally I learned of Doan's Kidney Pills and procured a supply at Calvert's Drug Store. They benefited me at once, and I have since kept a supply on hand to have in case of need."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's and take no other.

Mr. Harry Platt of Jacksonville, Illinois, who purchased the former Duke place at Ramsey from D. W. McCanna was a pleasant caller at our office, in company with Mr. O. G. Kolberg, Wednesday and placed his name on the HEADLIGHT'S subscription list. Mr. Platt says it will be probably a year or more before he moves here to live.

Attacks School Principal.

A severe attack on school principal, Chas. B. Allen, of Sylvania, Ga., is thus told by him. "For more than three years," he writes, "I suffered indescribable torture from rheumatism, liver and stomach trouble and diseased kidneys. All remedies failed till I used Electric Bitters, but four bottles of this wonderful remedy cured me completely." Such results are common. Thousands bless them for curing stomach trouble, female complaints, kidney disorders, biliousness, and for new health and vigor. Try them. Only 50c at Calvert's Drug Store.

Although the city campaign stated off rather slowly, it is now beginning to "warm up" a little. Two candidates have announced for marshal, two for city attorney, and while only three candidates have announced for aldermen (and three are to be elected) two more have hinted to the HEADLIGHT that they are considering using the paper's announcement column. There may be a lively city campaign on yet.

Has Millions Of Friends.

How would you like to number your friends by millions as Bucklen's Arnica Salve does? Its astounding cures in the past forty years made them. Its the best Salve in the world for sores, ulcers, eczema, burns, boils, scalds, cuts, corns, sore eyes, sprains, swellings, bruises, cold sores. Has no equal for piles. 25c at Calvert's Drug Store.

Mr. A. M. McDow, who was in Fort Worth and witnessed the burning of the stock yards, has been exhibiting a number of post card pictures taken while the fire was burning. Mr. McDow says it was an awful thing, more than thirteen hundred fine animals being roasted alive.

What Does it Cost to Maintain an Automobile?

The owners of these six cars have not stopped for rain or mud, and the res ults speak volumes for the dependability and low up-keep cost of this wonderful car. This is not a record of performance in New York or some other far away place, but shows what is being done right here at home.

The total cost of repairs on all of these cars, exclusive of tires and springs, to date is Four Dollars, and that was replaced by the E-M-F Company free of charge.

The table shows the names and addresses of each owner together with the distance traveled by each car.	J. C. Townley, [illegible] .... 7,000 miles

It shorely is good and it's good all the time

Some of the people who seem to be skeptical about advertising should have a talk with Mr. A. M. McDow, and he will convince them that advertising pays. Mr. McDow placed a local in last week's issue stating that he wanted a few fat hogs by Monday morning at 10 o'clock to make out a car which he intended shipping on that day. Well he says hogs began coming in by daylight and some of them were brought in from as far as Cat Springs.

Contractor E. N. Vanderslice of Oklahoma City arrived last Sunday with a large force of men and began work on the Santa Fe's new depot Monday morning.
