Kyle News.

Few events in the history of Kyle have been so much regretted as the announcement on last Sunday of Rev. Armstrong's resignation as pastor of the Baptist church. No man ever lived

in Kyle who came nearer having the absolute confidence and love of the entire community than Bro. Armstrong, and so anxious are those outside of his own church to have him remain that there was a proposition made to him to make up a sufficient amount to pay for his full time (he only preaches here half time now.) But he feels that God calls him elsewhere, and that he has no discretion.

MORTUARY.

home about two and a half miles in the country, at 10 o'clock Monday morning. Mr. Abbe, with his family, moved here from Kansas about two years ago, and since that time has been engaged in farming. Mr. Abbe was a good man, and by his quiet, pleasant and unassuming manners had formed a wide circle of friends in this section since he has been among us. He leaves a wife, two daughters, Mrs. Mabel Howard of Portland, Oregon, and Miss Blanch of this city, and two sons, Oran of Iowa, Kansas, and Lorin of this city. The remains were shipped on the Cane Belt Monday evening to Muskogee, the old home for interment. The family accompanied the remains to Kansas. The HEADLIGHT extends its sympathy to the bereaved ones in their hour of sorrow.

Attacks School Principal.

A severe attack of school principal thus told by him. "For more than three years," he writes, "I suffered indescribable torture from abscesses, liver and stomach trouble and diseased kidneys. All remedies failed till I used Electric Bitters, but four bottles of this wonderful remedy cured me completely." Such results are common. Thousands bless them for curing stomach, trouble, female complaints, kidney disorders, biliousness, and for new health and vigor. Try them. Only 50c at Calvert's Drug Store.

RELIGIOUS.

There will be services at the Baptist church both morning and evening, Sunday. Bro. Ferrell, the pastor, will preach at the morning hour, and Bro. W. T. Connor of Waco, who was formerly a pastor of this congregation, will preach at night. All are cordially invited to attend.

LAXATIVE SENT FREE TO TRY

It may be taken for granted that there is no family that does not sometime need a laxative. If you don't know of a good laxative, or the laxative you are using is losing its effect, we want to call your attention to Dr. Caldwell's Syrup Pepsin, which thousands of families are using successfully. We have scores of letters from mothers and scores from prominent men saying they are using it regularly and giving it to their families. Men like Mr. C. K. Smith of the Traffic Clearing House, Fine Bluff, Ark., and Mr. George B. Turner, a lawyer of Harrison, Ky. The thousands of mothers who use it themselves and give it to their children would take too much space to mention. The reason they prefer Syrup Pepsin is that it is a mild, gentle laxative- tonic that does not gripe- effective and yet so mild that babies can take it. Its tonic ingredients invigorate the body and strengthen the stomach and bowel muscles so that they again do their work naturally. If you have been a victim of salts, pills and strong cathartics you will discard them when you once use Syrup Pepsin. You can have fifty cent or one dollar bottle of any drug store, but before doing so you may want to try it free. If so, send your address to Dr. Caldwell and he will promptly forward a free sample bottle. Then being convinced, do as others are doing and buy it in the regular way of your favorite druggist. For the free sample address Dr. W. B. Caldwell, 402 Caldwell building, Monticello, Ill.

A fine, slow, soaking rain, amounting to 1.10 inches fell throughout this section last Saturday evening and night. The rain was of great benefit to crops of all kinds, and will make the early crop of potatoes or the potatoes planted from Northern seed. The weather has been ideal since the rain for growing crops, and crop prospects of all kinds in this section of the country are indeed very flattering and the planters say, for this time of the year, they don't know when prospects looked more flattering. With another good rain within the course of about three weeks to bring on the potatoes planted from native seed, the Eagle Lake bottom will ship fully one thousand carloads of potatoes. The rain was a glorious one for this country.

Failed in Health

"My mother died six years ago," writes Miss Ruth Ward, of Jerseyville, Ill., "and left me to care for six children. I had never been strong; and this, with the shock of her death, was too much for me. I failed in health. I was tired all the time and did not want to go anywhere, nor care for company. I had the headache all the time and such bearing-down pains. A very dear friend advised me to take Cardui, as it had done her so much good, so I commenced to use it and now I am in good health."

Take CARDUI

The Woman's Tonic
Women's pains are relieved or prevented and women's strength is quickly restored, by Cardui, the woman's tonic. You yourself know best if you need it, or not. If you do need it, do not delay, but commence to use it at once. Every day of delay, only lets you slide further down the hill. Don't wait, then, but begin to take Cardui today, for its use, no matter how prolonged, cannot harm you and will surely do you good.
