AMUSEMENTS.

Girl From the West.

A four-act comedy drama of the above name will be presented by local talent at the opera house for the benefit of the public school of Eagle Lake Tuesday, March 28th. The play itself is principally in the comedy vein, the piece containing six good comedy parts. It is on the order of the "Girl From the Golden West" and Mr. Hoffman has presented it many times in different cities, with success. Patrons of the opera house saw a good production in "Hazel Kirke" seeing another good one. Rehearsals are progressing finely, with an excellent cast. Watch for heralds.

Billy Allen is Coming Again.

The Billy Allen Musical Comedy Company, in a return engagement, will be the attraction at the opera house two nights, April 7th and 8th. By request of many who saw the clever comedian in "King of Kokomo," the management has secured him for return dates. He will present two bills equal to or better than "King of Kokomo." This will be the last big attraction of the season.

'Twas A Musical Treat.

Lovers of good music who failed to attend the concert given on Wednesday night by Bohumir Kyri and his company certainly missed a rare musical treat. Undoubtedly it was one of the greatest musical events ever presented in Eagle Lake. Every member of the company was great, and Miss Josephine Kyri, violinist, is a genius and a wonder. The concert should have had a packed house. Mr. Kyri and Prof. Jakel of this city are old friends, and during their stay here, Mr. Kyri and his company were royally entertained by Prof. and Mrs. Jakel.

"A Family Affair."

A rip, roaring comedy under 'this name will be presented at Garwood by local talent of that place, under auspices of the W. C. T. U. Saturday night, March 25th, and no doubt quite a number of Eagle Lake people will drive over for the occasion.

For Diseases of the Skin.

Nearly all diseases of the skin such as eczema, tetter, salt rheum and barbers' itch, are characterized an intense itching and smarting, which often makes life a burden and disturbs sleep and rest. Quick relief may be had by applying Chamberlain's Salve. It allays the itching and smarting almost instantly. Many cases have been cured by its use. For sale by all Druggists.

Commissioner T. J. Roberts was at Garwood Wednesday for the purpose of accepting the new commissioners who went to accept the Garwood bridge. The bridge has just had new stringers and new flooring put in and otherwise repaired.

"I read your article about the dumping grounds near the water works plant," remarked one of Eagle Lake's most prominent citizens to the HEADLIGHT this week, "and then I took a walk down there just to see for myself. And I was astonished because the thing is so much worse than your article led me to believe. It's a shame. It's a disgrace to our town and if the city authorities won't give this matter any attention, then I'm in favor of joining with others of Eagle Lake, and we, as private citizens, get out an injunction prohibiting further the making of a dumping ground of this place, scarcely out of a stone's throw of the business portion of town, right on the railroad and on one of the most public roads leading into town."

John W. Sichelamity, Greensboro, Pa., has three children, and like most children they frequently take cold. "We have tried several kinds of cough medicine," he says, "but have never found any yet that did them as much good as Chamberlain's Cough Remedy." For sale by all Druggists.

Thanks the Good Roads Club.

I herewith desire to thank the Good Roads Club of Eagle Lake for the assistance rendered me in keeping the public roads leading into Eagle Lake in good condition by means of the drag that is now used upon these roads after the rains. It takes very little time and money to accomplish these things, and if every town in Colorado county would adopt this method, we would have, in

roads leading into all the towns of Colorado county. It is my idea, that if this course were pursued, and the citizens would cease telling their Commissioners that they should build good roads, but on the contrary, would give them their aid by means of these drags, they would accomplish a great deal more, and, as a natural consequence, we would have better roads.

Keep Eagle Lake Money in

Eagle Lake

If you can get the same goods right here in Eagle Lake that you have been used to sending to Houston for, and for less money, wouldn't you just as soon patronize a home merchant? Our line of new dress goods is certainly the swellest that has ever been carried in a town of this size. Call and see if we don't show you the same class of goods that you have been sending to Houston for. A visit to prove our statement is all we ask.
