Keep The Kidneys Well

Health is Worth Saving, and Some Eagle Lake People Know How to Save It.

Many Eagle Lake people take their lives in their hands by neglecting the kidneys when they know these organs need help. Sick kidneys are responsible for a vast amount of suffering and ill health, but there is no need to suffer nor to remain in danger when all diseases and aches and pains due to weak kidneys can be quickly and permanently cured by the use of Doan's Kidney Pills. The following statement leaves no ground for doubt.

W. C. Crebbs, Weimar, Texas, says: "I used Doan's Kidney Pills and obtained the most satisfactory results. For some time I suffered from pains in my back and my head also ached. I had hemorrhoids and had to arise often during the night on account of their frequency in passage. At length, procured Doan's Kidney Pills and they soon removed my troubles. I can assure any person suffering from kidney complaint that the results of the use of Doan's Kidney Pills will not be disappointing."

For sale by all dealers. Price 50 cents. Foster-McBarn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's and take no other.

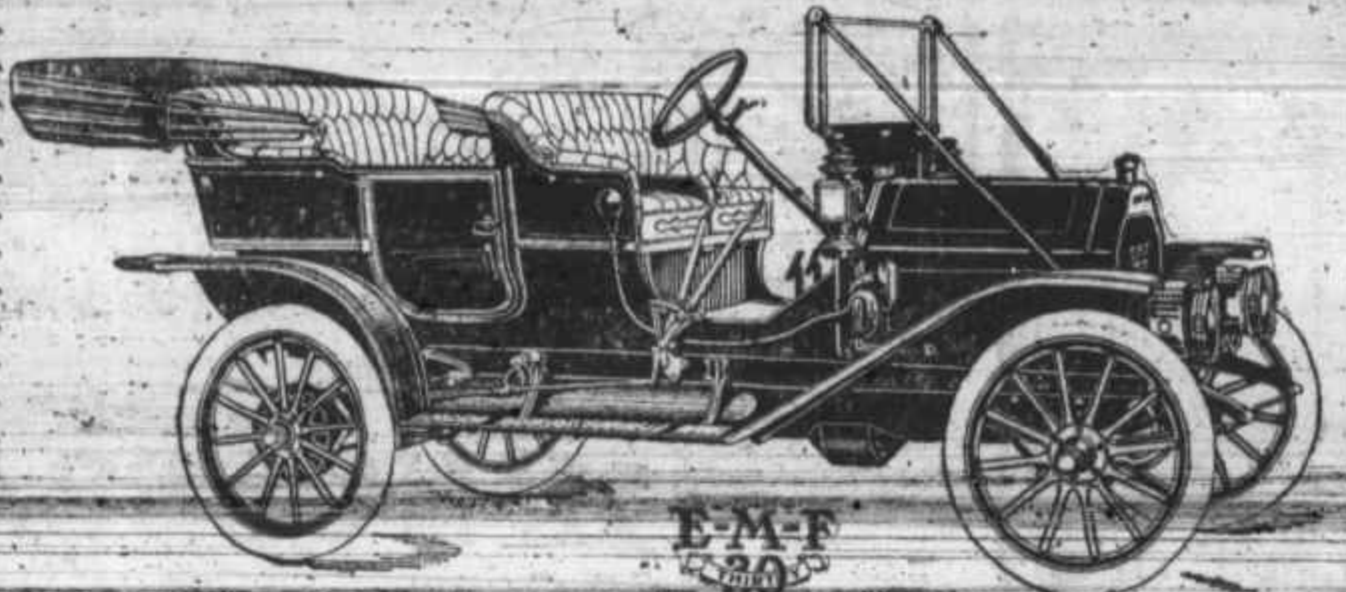

A special in the daily papers Tuesday says: "Houston, Texas, March 20.—Job printing will take a leap forward in prices in a few days, according to the statements of several proprietors of printing firms of this city. The master printers of Houston recently employed an expert to come here and investigate the situation."

It is shown that on account of the advances in material and labor prices the firms are really doing printing at a loss. Acting upon the report of this expert, the job printing firms will shortly increase their prices, the total increase being practically 20 percent. The HEADLIGHT is already printing cheaper than these city concerns, because it has no high salaries and traveling expenses to pay to its "drummers" and because it has no high rents to pay like the Houston printing houses have, but we have not found it necessary to "gig" the public with a 20 percent raise. The HEADLIGHT appreciates your job printing orders and wants your business, but at the rates we charge we can't give any "come-backs" for giving us the orders, but if you'll give us a bid on your printing, we'll save your stockholders some money.

A Fierce Night Alarm
is the hoarse, startling cough of a child, suddenly attacked by croup. Often it aroused Lewis Chamblin of Manchester, O., (R. R. No. 2) for their four children were greatly subject to croup. "Sometimes in severe attacks," he writes, "we were afraid they would die, but since we procured Chamberlain's Cough Remedy, King's New Discovery is, we have no fear. We rely on it for croup and for coughs, colds or any throat or lung trouble." So do thousands of others. So may you. Asthma, Hay Fever, La Grippe, Whooping Cough, Hemorrhages by before it's too late. Trial bottle free. Sold at Calvert's Drug Store.

A drummer, who had the "ready-made" cigarette habit fastened upon him good and hard, landed in a small village during the night. Wanting to smoke early the following morning before going to breakfast, and seeing that his box was empty, he walked down to the village store, but to his disappointment it had not opened. On his way back to the hotel he passed a small boy sitting on a shining box and vigorously puffing at a cigarette. "Would you give me a cigarette, son?" "Sure thing," said the boy, handing him up the papers and tobacco. "But I never smoke this kind and can't roll them," said the traveling man, "would you mind making one for me?" His request having been granted, the traveling man then asked for a match. Handing up the match with a look of disgust on his face, the boy said, "Cap, you don't seem to have 'nothin' on you dis mornin' 'cept de habit." Stoermer's meal is IT.

H. Nussbaum's JANUARY CLEARING SALE!
