of Dr. King's New Discovery, he began
to use it. "I believe it saved my life,"
he writes, "for it made a new man

Colorado county has another
newspaper, the initial number of
the Provident City Times, by H.
E. Clinkscale, having reached
our office last week. The Times
is an eight-page, six column pa-
per, two pages being printed at
Provident City. While in our
opinion, the place is rather small
to support a newspaper, we wish
the new venture unlimited suc-
cess.

Keep The Kidneys Well

Health is Worth Saving, and Some
Eagle Lake People Know How
to Save It

Many Eagle Lake people take
their lives in their hands by ne-
glecting the kidneys when they
know these organs need help.
Sick kidneys are responsible for
a vast amount of suffering and ill
health, but there is no need to
suffer nor to remain in danger
when all diseases and aches and
pains due to weak kidneys can
be quickly and permanently cured
by the use of Doan's Kidney
Pills. The following statement
leaves no ground for doubt.

W. C. Crebbs, Weimar, Texas,
says: "I used Doan's Kidney Pills
and obtained the most satisfac-
tory results. For some time I
suffered from pains in my back
and my head also ached. I had
trouble from the kidney secre-
tions and had to arise often dur-
ing the night on account of their
frequency in passage. I, at
length, prepared Doan's Kidney
Pills and they soon removed my
troubles. I can assure any per-
son suffering from kidney com-
plaint that the results of the use
of Doan's Kidney Pills will not
be disappointing."

For sale by all dealers. Price
50 cents. Foster-Milburn Co.,

Weimar, Tex., March 24.—Gus
Ripper, a business man of this
place, yesterday lost a valuable
Jersey cow through a peculiar
accident. The cow poked her
tongue through a crack in a stall-
ion's stall in an endeavor to get
a few wisps of hay. The stallion
seized and bit off the cow's
tongue. It was deemed best
to kill the cow.
