SATURDAY, APRIL 8, 1911.

Potato planters say that the
immediate section will ship one
thousand cars of potatoes this
spring.

With Eagle Lake's wide awake,
progressive and conservative
board of aldermen, the town has
indeed a bright future to grow
and prosper.

There are now five States in
which the women vote. In the
others they merely control the
voters.

Lawyers are the fellows who
help you into trouble, then charge
you whether they get you out or
not.

My! but if there was some way
to keep our beautiful lake full of
water, it would be a great draw-
ing card and a splendid advertise-
ment for Eagle Lake.

Yes, that dumping ground is
still there. A traveling man

Saw the other day was heard to
remark: "Well, this is Eagle
Lake—there's the junk pile."

The Richmond Hornet issued
a dandy anniversary number last
week celebrating its first mile-
post. Editor Ballou gets out a
good, live local paper. The Hor-
net's foreman is Mr. Walter Mor-
ris, formerly of this city.

Eagle Lake is gradually build-
ing up and improving all the time.
We've never experienced a boom,
all of our improvements have
been steady and substantial
which are all the better. Let's
stand by our city administration
and assist our town to grow.

Two very aged negro women
died at Weimar Saturday and
Sunday, mother and daughter.
Aunt Eliza Eanes, the mother,
claimed she was a grown woman
and the mother of two children
at the time she fell. It is
generally believed she was at
least 102 years old. Her daugh-
ter, Aunt Gracie Hunter, who
preceded her to the grave one
day, was about 75 or 80 years old.

FREE REMEDY HELPS CHILDREN

Many a mother has learned of a
way of avoiding sickness in her fam-
ily, especially among the children by
the use of a free sample bottle of the
famous laxative, Dr. Caldwell's Syrup
Pepsin. This offer of the doctor's to
send a free sample bottle has been re-
sponded to by thousands of women
in all parts of America.
Dr. Caldwell's Syrup Pepsin is a
truly wonderful laxative and espe-
cially adapted to the needs of chil-
dren because it is pleasant to
taste and no child will refuse it. There
is no pain and never gripes. It is all
that a child's remedy should be,
though it is a good laxative for the
whole family because it is effective
at all ages. It is not dynamic like
salty pills and powerful cathartics,
which should not be given to chil-
dren under any circumstances.

A northern reader who is in-
terested in this section of the
country in asking of the general
health conditions, says: "Do peo-
ple die often there?" Never los-
ing an opportunity to say a good
word for Eagle Lake, we answered
him, "No, only once."

D. Chessnut of Beville has
been selected to take charge of
the Hallettsville Herald as its
editor in the place of E. T. Leh-
man, who recently resigned to
take charge of a job office at Bay
City. Mr. Chessnut was former-
ly connected with a paper at
Beville.

The Brenham Banner truthfully
remarks: There are people who
will not read a paper or book or
argue with anyone who does not
reflect their own opinions. They
believe all wisdom and knowledge
are centered in themselves and
that all of contrary mind are in
profound error.

Few states, if any, in the Union
are better governed than Kansas.
It is a progressive commonwealth.
It keeps pace with its neighbors
in the matter of public improve-
ments. Yet, while Missouri prop-
erty owners pay in taxes 17c on
the \$100, and Iowa 40c, the
total levy for all state taxes in
Kansas is only 12c on the \$100.

Eagle Lake merchants and the
town in general should throw all
support possible to the HEAD-
LIGHT. It is always a booster for
the town and that section and
should reap what it deserves.—
Hallettsville Herald.

Thanks, Bro. Lehmann for the
compliment. The home mer-
chants are appreciating the
HEADLIGHT's efforts to give the
town a good paper and they are
assisting us in making a good
paper.

Prospects are fine for a big
yield of potatoes; corn was never
so good as this year. The
year, cotton is up to a fine stand,
the sugar cane crop prospect is
very encouraging; the rice plant-
ers are well up with their work
and the recent rains will bring
up all rice in this section to a
fine stand; cattle are sleek and
in excellent condition and the
ranges are green. Surely, the
Eagle Lake country is the garden
spot of Texas.

It is amazing to note how much
attention some business men pay
to statements sent them. Busi-
ness firms should pay small ac-
counts the same day that state-
ment is received, and besides the
"standing off" of small ac-
counts gives you a poor reputa-
tion for people are naturally led
to believe that you are hard
pressed in financial affairs.

A friend remarked the other
day: "You just tell about the
good things and never say any-
thing about the bad in the pa-
per." He sized up the situation
just about right. The shortcom-
ings of this place are usually so
ably presented by the knockers
that the HEADLIGHT does not

Nine times out of ten when a child
complains and you don't know ex-
actly what is the matter with it,
it needs a laxative—its bowels are
constipated. Syrup Pepsin will correct
the trouble, tone up the child and
soon it will be well again—wonder-
ful results have been secured with
Syrup Pepsin over night.
You can buy it of any druggist at
fifty cents or a dollar a bottle. The
bottle being the family size, you

you a free sample bottle direct to
your home. Then when satisfied buy

his real estate holdings in Rock
Island. Mr. Priestmeyer is re-
cently from Indiana and is the
senior member of the big firm of
Priestmeyer-Weimar Co. of Rock
Island. Mr. Baxter has been a
resident of Rock Island for sev-
eral years and has been one of
the main factors in building up

the town. Mr. Priestmeyer is a
well known business man and
has a large amount of money
invested in the town. He is a
member of the Rock Island Club
and is a very popular man in
the town. He is a native of In-
diana and has been in the town
for several years. He is a very
able business man and has been
one of the main factors in build-
ing up the town.

Mr. Eldridge, the mayor of
the next town, Sugarland, must
be the busiest man on earth, for
he runs a meat market, a store
and a paper mill and a syrup and
a sugar mill and a saloon and a
hotel and a barber shop and a
mattress factory and a farm and
a railroad and a pool room and a
drug store and a postoffice, and
heaven knows what else. We
firmly believe if this man was a

beater, for he has the out-
riggerest disposition we ever
heard of.

largest cattle dealers in this sec-

the sale of one thousand two-
year-olds to San Angelo parties,

a deal of this kind at the present
high price of cattle. Last week
Mr. McDow received a shipment

of nearly 2000 head of cows,
heifers and steers from Cham-
bers county. Something over a
thousand of this shipment were
cows which he purchased for
breeding purposes.
