**Can't Be Separated**

Backache and kidney ache are twin brothers.

You can't separate them. And you can't get rid of the backache until you cure the kidney.

If the kidneys are well and strong, the rest of the system is pretty sure to be in vigorous health.

Doan's Kidney Pills make strong, healthy kidneys.

A. L. Wagner, of Eagle Lake, Texas, says: "I can vouch for the merit of Doan's Kidney Pills, as I used this remedy with satisfactory results. I had a dull nagging ache across the small of my back that robbed me of energy and made any attempt to stoop or lift, extremely painful. I finally procured Doan's Kidney Pills from Calvert's Drug Store and they promptly relieved me. I have had occasion to use this remedy several times since then and have always been benefited."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's

Our County Commissioner, Mr. T. J. Roberts, informs us that work has commenced on the old Sap railroad bridge, making same into a county road bridge.

Mr. Roberts says the work is being done by day labor and that the bridge will be completed by the middle of April. This bridge is going to be a great drawing card for Eagle Lake and it is believed that considerable trade, which has heretofore gone elsewhere, will come to Eagle Lake after the completion of this bridge.

Clean your chicken house and use Rough on Mites on the fowl and in the nests. Sold by MEYNCKE DRUG STORE, Chesterville, Texas.

**"Cut in Prices."**

We have reduced our prices on our Furniture so as to make room for the new goods for spring.

Mr. S. C. Smothers, as "Dan Gillespie," who had a way of getting around the truth, was good and he knew his lines thoroughly.

Mr. J. R. Pinchback as "Jarkin Jobson" was clever and came in for a full share of the applause.

Prof. J. C. Young as "Deacon Smith" played and looked his part to perfection.

Mrs. F. W. Goodell as "Miss Camson" was splendid and her make-up was in keeping with her part.

Mr. L. E. Braden was so perfect as "Louisiana," a dark brimmet, that he would have made a real negro woman ashamed of herself.

The musical numbers were enjoyed and heartily applauded.

We are sorry that the entertainment was not better advertised, for the entire cast did well, the proceeds were for the W. C. T. U. and the opera house should have been packed for the attraction.

**The Show Was Good.**

Only a small crowd witnessed the attraction, "A Family Affair" at the opera house Wednesday night presented by local talent of Garwood, because the entertainment was not very well advertised.

The play, which is laughable from beginning to end, was well presented and was one of the best home talent attractions of the season.

A pleasing feature the HEADLIGHT reporter noted was that there were no long, tiresome waits between the acts, a feature on which we want to compliment the management.

Mr. S. C. Smothers, as "Dan Gillespie," who had a way of getting around the truth, was good and he knew his lines thoroughly.

Miss Campbell touches the button and the oil well is begun at Markham. This well is being put down by a Rock Island company.

We wish them a speedy success and in the near future hope the work may be started at Markham. There is no doubt but there is plenty of oil to be had at this place, for the two wells put down near here are gas producers, the gas burning ten feet high from one.

Mrs. J. M. Slaven's brother and family are here visiting from Glen Flora. Mr. Ladtz still wears that

to be found on the face of Mrs. Slaven.
