Speak a good word in praise of  
Eagle Lake—for the best country  
on earth is around Eagle Lake.

The Texas Press Association  
will meet in Port Lavaca on May  
11th, 12th and 13th, and the ed-  
itors are anticipating a great  
time at this meeting.

Crop prospects of all kinds in  
the Eagle Lake country, at this  
time, are most promising. With  
good crops this fall, Eagle Lake  
will experience the most pro-  
gressive year of its existence.

Eagle Lake will probably ship  
her first carload of 1911 potatoes  
next Thursday, and by May 1st  
it is expected that potatoes will  
be moving out of here in train  
load lots.

Our city administration is try-  
ing hard to build a greater and  
cleaner Eagle Lake, and to this  
end the administration should  
receive the hearty co-operation  
of every enterprising citizen of  
the town.

Every citizen should take an  
interest in the city's affairs.  
When our mayor and board of  
aldermen get the co-operation of  
our citizens, as they should have,  
you'll see old Eagle Lake grow  
and improve as she has never  
grown and improved before.

the title of the big, boom edition  
of the Houston Chronicle, issued  
Thursday, advertising to the  
outside world the advantages of  
Houston as a business and com-  
mercial center. The Chronicle  
is a great paper and is a hard  
worker for a greater Houston.

The Beaumont Enterprise, one  
of the best daily papers in the  
State, last Friday, issued a mam-

pected resources of the Beau-

this show what the name of  
Beaumont's paper implies, "En-

The articles, "City Planning  
for Young Cities," now appear-  
ing daily in the Galveston News,  
the old reliable daily of Texas,  
showing by illustrations, the  
small towns where suggested  
changes and alterations would  
bring about wonderful improve-  
ment in the general appearance  
of the town. These articles are  
very instructive and should be  
read by everyone interested in  
building up and improving his  
home town.

Syrup Pepsin. You can prolong your  
life by healthy bowel action. Clogged  
bowels invite disease. Women about  
to pass the menstrual period cannot  
do better than use Syrup Pepsin sev-  
eral times a week until the system has  
settled to its future condition.

Among the strongest supporters of  
Dr. Caldwell's Syrup Pepsin are Mr.  
W. G. Zorn of New Decatur, Ala., and  
Mr. George S. Spaulding of the Na-  
tional Soldiers' Home, Kansas, both  
elderly men. The regular size bottles  
can be bought of any druggist at fifty  
cents and one dollar, but a free sam-  
ple bottle can be had by sending your  
address to the doctor.

Address him Dr. W. B. Caldwell,  
402 Caldwell building, Monticello, Ill.

If you are interested in your  
home town, write an article for  
this paper giving your opinion  
where some improvements can  
be made for the betterment of  
Eagle Lake—already the "Queen  
City" of Colorado County.

The "Medicine Men" will meet  
here in district session Tuesday.  
Let's give them a hearty wel-  
come so when they go to their  
homes they will go still talking  
of the excellent meeting and the  
royal welcome which they had  
in the best town in their entire  
district.

Let's have a general town  
cleaning up and a premissous  
sprinkling of lime, before the  
long, hot summer commences—  
and lest we forget that terrible  
looking dumping ground and un-  
sanitary junk pile on Main St.  
near the stadipe is still there.

Eagle Lake needs more  
concrete sidewalks in the residence  
portion of town. Let everybody  
keep talking sidewalks and they  
will eventually be built. A uni-  
form system of concrete side-  
walks throughout the residence  
portion of our city would be a  
grand thing for Eagle Lake.

The Texas Mid-Coast Indus-  
trial Congress will hold its next  
meeting in Wharton on Tuesday,

program for a discussion of  
"What the Mid-Coast Congress  
has done and will do for the Tex-  
as Mid-Coast."

The stock law election which  
was voted on at Weimar Tuesday  
resulted as follows: For the  
stock law 53, against the stock  
law 119. It is quite evident,  
judging from the above figures,  
that the Weimar people do not  
want a stock law.

"hope" sent it from both the  
prohibition and anti prohibition  
headquarters "for publication,"  
it wouldn't have space for a per-  
sonal mention to say nothing of  
an advertisement, therefore we  
are casting this matter to the  
waste basket and filling our pa-  
per with the local happenings of  
the community.

## FREE SAMPLE CURED OLD PERSON'S BOWEL TROUBLE

One of the most remarkable proofs  
of the unusual laxative merit con-  
tained in Dr. Caldwell's Syrup Pepsin  
is that it is effective not only in peo-  
ple in the prime of life, but at the  
extremes of ages. As many letters  
are received from mothers regarding  
the cure of children, so from men and  
women of sixty, seventy and eighty  
years of age. It must be truly a won-  
derful laxative.  
In the cure of constipation and  
bowel trouble in old people it has no  
equal. It corrects the constipation,  
dispels the headache, biliousness, gas,  
drowsiness after eating, etc. People  
advancing in years should see to it  
that their bowels move freely, and  
if they do not take Dr. Caldwell's

## HAPPENINGS AT LISSIE.

Died, of pneumonia, at his  
home in Lissie, 2 a. m. Tuesday,  
April 11th, 1911, Mr. John E.  
Coon. Deceased was sick only a  
few days and his demise came as  
a shock to all. Funeral services  
was held in the Evangelical  
church at 4 p. m. Tuesday by  
his pastor, Rev. George Causey;  
interment Lissie cemetery. Mr.  
Coon was born in Pana, Illinois,  
March 14, 1863, being 48 years,  
28 days at the time of his death.  
He came to Texas in 1883, set-  
tling in Houston where he re-  
mained until three years ago, at  
which time he moved here.  
Since then he has been engaged  
in farming. Two years ago he  
united with the Evangelical  
Church. Deceased leaves a wife  
and five children to mourn his  
loss. Mr. Coon was a genial  
and popular man and his death  
is a great loss to the community.

The young people of the church  
are arranging for an Easter pro-  
gram to be given Sunday night.  
Miss Lula Van Amberg of  
Burfordville, Mo., is the guest  
of her cousins, the Misses Hart.  
Last Sunday Lissie played her  
second ball game of the season,  
defeating Nottawa by a score of  
10 to 3. Much credit of this  
game was due to Engelhard of  
Eagle Lake, as pitcher, and Wil-  
son of Chesterville, as catcher.  
The Sunday previous Lissie de-  
feated East Bernard 12 to 4.

## Flatonia Woodmen Unveiling.

From the Flatonia Arrive  
Sunday morning at 10 o'clock,  
Eagle Lake Camp, W. O. W., as-  
sisted by the members of Flat-  
onia Camp, also by members of  
Schulenburg, Columbus and  
Weimar Camps, unveiled the  
beautiful monument erected by  
the Woodmen of the World to  
the memory of Sovereign Wm. A.  
Thatcher, who departed this life  
last July. The members met at  
the lodge room at 9 o'clock and  
after making their arrangements,  
marched to the cemetery where  
the beautiful and impressive  
ceremonies of the order were  
carried out by Eagle Lake Camp,  
of which Sov. Thatcher was a  
member. A choir composed of  
Mesdames, Wifeord, McCom-  
mon and Morris, and Messrs.  
Thalomeyer, Hoefner, Sullivan  
and Morgan sang, "Nearer My  
God to Thee," "Rock of Ages,"  
and "Sometimes the Shadows  
Fall." The unveiling was the  
solemnity and success of the  
occasion. The orator for the day  
was Hon. P. P. Putney of Eagle  
Lake, who made one of the best  
talks ever listened to at an occa-  
sion of the kind in this city. Mr.  
Putney's remarks were to the  
point and delivered in a manner  
calculated to add to the laurels  
of Woodcraft in this city. Quite  
a large crowd witnessed the un-  
veiling ceremonies. A photo-  
graph was taken of those pres-  
ent before they dispersed.
