Is there anything in all this world that is of more importance to you than good digestion? Food must be eaten to sustain life and must be digested and converted into blood. CRYING FOR HELP.

Lots of it in Eagle Lake But Daily Growing Less.

The kidneys cry for help. Not an organ in the whole body so delicately constructed. Not one so important to health. The kidneys are the filters of the blood. When they fail the blood becomes poisonous.

There can be no health where there is poisoned blood. Backache is one of the first indications of kidney trouble.

It is the kidney's cry for help. Heed it.

Doan's Kidney Pills are what is wanted. Are just what overworked kidneys need.

They strengthen and invigorate the kidneys; help them to do their work; never fail to cure any case of kidney disease.

Read the proof from an Eagle Lake citizen.

Mrs. M. E. Cooper, of Eagle Lake, Texas, says: "A member of our family was subject to attacks of lumbago, during which the person's back would become so sensitive and lame that the simplest movement caused suffering. The kidney secretions at times were far too frequent in passage and were distressing. Doan's Kidney Pills procured at Calvert's Drug Store brought relief at once and before long removed the pain and lameness in the back."

For sale by all dealers. Price 25 cents. Foster-Milburn Co., Buffalo, New York, Sole Agents for the United States.

The Right Combination

Every manufacturer of shoes knows that he can play up any one feature he cares to in producing a shoe to suit. It can be made stylish or comfortable, or he can turn out a shoe so heavy and stocky it will never wear out. He also knows that a nicely balanced combination of these three shoe virtues is about the hardest problem in shoe making.

This same shoe in our "Autograph" brand \$2.50 and \$3.00, is Goodyear Welt sewed; in our College Woman's Walking Shoe, \$3.00, \$3.50 and \$4.00, it equals the best custom make.

The Southern Girl \$2.00 Shoe \$2.50

owes its reputation and its many friends to the fine sense of proportion of style, comfort and durability, each to each.

You never saw better style—a neater, snappier shoe. Your foot never knew greater comfort than The Southern Girl Shoe will give. Once you've worn a pair you'll say you never got better value in wearing quality. We would like to have an opportunity to prove these assertions.

Stewart-Brieger Wedding.

At eleven o'clock last Sunday morning, in the parlors of the bride's parents in Rockdale, occurred the marriage of Mr. Elwood Stewart of Eagle Lake and Miss Felicia Brieger of Rockdale, Rev. J. H. Chiffolo, pastor of the Christian Church officiating.

The best man was Mr. Seth Cooper of Eagle Lake, and the maid of honor, Miss Nettie Turner of Rockdale. Miss Irene Brown of this city played the wedding march. After the ceremony and congratulations, an elegant dinner was served.

Although the young folks had tried to keep the affair a secret, the house was crowded with friends, and many were the handsome and costly wedding gifts received.

The bride is a most charming young lady, a sister of Mrs. Wm. J. Matthews. She has often visited in Eagle Lake and is well known and popular here.

The groom was born and reared in Eagle Lake, and everyone knows and likes Elwood. May they "Lif' long and prosper"; is the sincere wish of the friends.

A Card of Thanks.

We desire to thank our many friends for the kindness shown to my husband during his illness and for the sympathy shown us during our great bereavement.

On last Sunday evening a hail storm visited the Bernard settlement.

It is said that the corn crop through that section is practically ruined and that cotton is also greatly damaged. The hail stones were very large and the ground was covered with them. The storm started near Mr. J. E. Braden's place and extended east in the direction of Spaly. There was no hail at Mentz. At Alleyton considerable hail fell, and some damage was done, but the storm was nothing like as strong there as it was in the Bernard settlement.

Sickness prevented the Head Light editor from attending the

Lenae Yates and Mrs. Whately with their pupils, last Friday night. It is spoken of as having been an eminent success. Not a discord or hindrance of any sort occurred. Miss Yates is an enthusiastic teacher, her whole heart being given to her profession. She deserves the success that has crowned her efforts. Mrs. Whately rendered beautiful music with her violin. All the pupils acquitted themselves most creditably.

The Quality of Distinction

is sometimes natural to the individual; more often it is conferred by the perfection of style and cut of his garments. This is especially true of clothing made by Geo. Redford. Clothing that is made to measure is the only kind that can claim to be distinctive, because no two suits are exactly alike, but each is made to show the wearer at his best.
