Mr. James Hopkins returned yesterday from an extended visit to Starr county and to Mexico where he has been buying horses. He says but very little fighting is going on in that section of Mexico, the fighting being further west. He says you can hear but little there of the war, which is probably due to the fact that nearly all the Mexicans are in sympathy with the insurgents and are afraid of being shot if they talk too much about the insurrection.

We are glad to note that Mr. A. Townley, who has been so sick with typhoid fever, is considerably improved. We hope he will soon be strong enough to be up and about again.
