Faultless Style Plus Perfect Wear

Some shoes always look neat and nifty. Some shoes look shabby in short order after they begin to see service. The woman whose shoes retain their fine lines and good looks after two months of wear, either paid four or five dollars for them or else she wears

This same shoe in our "Autograph" Brand $2.50 and $3.00—is Goodyear Welt Sewed; in our Colonial Women's Walking Shoe it equals the best custom make.

The Southern Girl Shoe

$2.00 **$2.50**

Ordinarily a $2.00 shoe is very ordinary. When the looks are gone, the shoe is gone. The Southern Girl Shoe at $2.00 is an extraordinary value. It looks good as long as you wear it, and you will still be wearing it when your neighbor, who may have bought some other shoe at the same time, is obliged to buy new ones. Only the best hides for vamps and tops are used, and the best sole leather money can buy. Let us show you some of the many styles we carry.

Esser & Wilkens,
Eagle Lake, Texas.

Dan Stockbridge, representative of the commercial class of the High School at the commencement exercises next week will give a talk upon the "Fortification of the Panama Canal."—Houston Chronicle.

Dan is the son of D. W. Stockbridge, formerly of Eagle Lake.

Principal W. G. Smiley of the Houston High School, will spend most of the summer days in Illinois. He will take a post graduate course in the University of Chicago.—Houston Chronicle.

Prof. Smiley was Eagle Lake's first principal under the graded school system.

The bridge across the Colorado river between here and Altair has been completed and was accepted Wednesday by the county judge and commissioners. The bridge is said to be one of the strongest wagon bridges in this section of the state, and is wide enough to allow two vehicles or automobiles to pass. This bridge is going to be a trade-drawer for Eagle Lake and the people of this place owe a vote of thanks to the commissioners, both the old commissioners who voted for it and the new commissioners who rushed the work of converting it from a railroad bridge into a wagon bridge. There has long been the need of a bridge at this point, and it was mainly through the efforts of our own commissioner, Mr. T. J. Roberts, that we succeeded in getting the bridge.

Bro. Callihan, who held a revival meeting here a few weeks ago, and who has since held a meeting at Chesterville with big success, about twenty-five conversions, returned to Eagle Lake yesterday and will begin another meeting here tonight, he having been urged to return here by the principal laymen of the different churches and the pastors of the city, who have promised their support to the meeting. The singing will be under the direction of Mr. Wiggins. Rev. Mr. Callihan desires that a large crowd hear him tonight (Friday) as he has something to say to the different churches, that they may feel no uneasiness about giving their assistance. The tent is pitched on the G. W. Keith lot near the Keith residence.

Mr. R. H. Putney has resigned his position as prescription clerk at Darst's drug store in Richmond and returned home Tuesday. Bob says Richmond is a good town all right, but he just naturally couldn't get rid of that old lovin' feelin' for Eagle Lake.

Mr. Joe Duke came in yesterday from Saratoga, leaving this morning for a visit to his relatives in Glen Flora, where he will spend a month or so in recuperating from a spell of illness.

We are glad to see Mr. W. E. Davis on the streets again, after being laid up several weeks from injuries received in a fall at the lumber yard.

Mrs. M. E. Mersfelder and Miss Mattie Merfelder have returned from Glen Flora, and now making Eagle Lake their home. We are indeed sorry to note that Mrs. Mersfelder has been quite sick since moving here.

Mr. Ed. McRee has at the Frank Stephens Company store a potato weighing one pound and six ounces. This potato was grown on Mr. McRee's farm from native seed.

Weimar Mercury: W. A. Baar is down at Eagle Lake this week, assisting the big sale of H. Nussbaum. Baar is an old-time salesman, one who knows how to interest prospective customers, and if his "talking machine" doesn't run down or get out of whack, he will "make good."

Don't forget that the protracted meeting begins at the tent on Mr. Keith's lot tonight. Chairs and comfortable benches have been placed in the tent to accommodate the large crowds that are expected to attend.

Mr. Roy Stapleton, who with his family moved last year from Eagle Lake to Hubbard City, is visiting in the city.

FOR SALE—A good large Charter Oak Wood Stove, good as new; price $25.00.
MRS. G. SCHLEICHER.

Mr. Dave Comley of San Antonio, an old HEADLIGHT employe, and an estimable young man, is spending the week in the city.

Mrs. C. E. Jones and Master Gaynor Jones of Stafford are the guests of Mrs. Calvin Brown's family.

Mr. O. W. Fordyce has gone to Houston where he has accepted a position as bookkeeper with the Dixon & Rogers Grain Co.

We return thanks to Miss Kathryne E. Landa of Houston, formerly of Eagle Lake, for an invitation to the commencement exercises of the graduating class of the Houston High School, she being a member of same.

Mr. G. S. Watson, a former Eagle Lake citizen, was calling on the local merchants this week.

Three teams of the Eagle Lake Fire Department will go to Schulenburg Tuesday to compete for prizes at the firemen's celebration. It is expected that a large crowd from here will attend the celebration.

Mr. Watson Wilson brought a huge cucumber to our office this morning that weighed three and three-quarter pounds and measured 14 inches in length. The big cuke was raised on Mr. W. C. Lammes place.

The Ladies' Aid Society of the Christian church kindly requests the presence of all members at its meeting on May 31st, at the church, as there is business of importance to be transacted.

Frederick Hoffman and Alger Stover, who had charge of the opera house here last season, are in Wharton operating a picture show.

Potato prices took quite a jump this week. From 40 cents a bushel the first of the week, they are today selling for 80 cents.

Mrs. Robert Collie and Miss Lettie Wennett of Lissie were among the visitors in the city Thursday.

The new telephone directory is now in the hands of the HEADLIGHT printers and will be ready for delivery in a few days.

Misses Agnes and Edna Heine left Wednesday morning for a week's visit to Houston and Marlin.

The Laredo baseball team was here this morning, leaving on the Cane Belt for Bay City.

Plenty of old papers for sale at this office.

SUPPLEMENT TO
The Headlight.
SATURDAY, MAY 27, 1911.

Synopsis Commissioners' Court Proceedings May Term.

The Court convened as a board of equalization, and before considering the subject of equalization of property values for taxation, each member of the Court took and subscribed to the required oath.

The Court ordered the Clerk to notify a number of corporations and individuals to be and appear before said Court [illegible] May, 1911, to show cause why the valuation of the property rendered by them, respectively, for the year 1911, should not be raised.

The Court levied the taxes for the year 1911, aggregating 37 cents on the $100, being the same rate as for the year 1910.

Upon the petition of a large number of the qualified voters residing in School District No. 26, said district was divided and two school districts created out of the territory composing said present district: First to be known as Brushy District No. 36, said district to embrace the following surveys and parts of surveys, viz: Jos. Ehlinger [illegible] Turner survey, part of the Jesse Nevsey survey, part of the J. Cummins league, and a part of the John Andrews survey.

Second to be known as Santa Anna School District No. 42, and to embrace the following surveys and parts of surveys, viz: C. Fordtran survey, W. R. Turner survey, N. Kelley survey, J. L. Glider survey, Wm. Stagner survey, Barnhard Snyder survey, Wm. T. Townsend survey, part of the W. T. Dunlavy survey and the Jos. Duty league.

The quarterly report of John Hastedt, County Clerk, as to the condition of the finance ledger, was approved.

It was made to appear to the Court that Ernst Strunk owns a tract of 200 acres of land in the M. Muldoon survey, which is situated partly in Colorado and partly in Lavaca county, and assessed for taxes in both counties, and it appearing that the said Strunk, for the years 1881 to 1910, inclusive, has, in good faith, paid the State and county taxes thereon to the Tax Collector of Lavaca county; wherefore it is ordered that the taxes for said years against the said lands, as assessed in Colorado county, be cancelled and set aside.

Whereas, the road gang of Commissioners Road Prect. No. 2, has performed labor upon the Eagle Lake and Altair bridge for which the county road and bridge fund is liable, it is therefore ordered that the sum of $100.00 be transferred from the Road and Bridge Fund to Road Fund No. 2 for the purpose of reimbursing said fund.

The resignation of Oscar Sanders as Constable of Prect. No. 4 was received and accepted. And it appearing to the Court that there are no applicants for appointment to said position, it was order that Chas. Herder be and he was appointed to fill the unexpired term of said office.

The Court proceeded to open and canvass the returns of the special election held at Weimar, in Common School District No. 14, to determine whether or not an additional local [illegible] on the $100 valuation of taxable property in said district shall be levied for the purpose of supplementing the State and County available school fund apportioned to said district; there was cast at said election 163 votes, of which number there were cast for the tax 103 votes, against the tax 60 votes. Whereupon it is ordered that said election resulted favorably to the levy of said tax, and that hereafter the tax of 10 cents on the $100 valuation of taxable property in said district shall be levied in accordance therewith.

The Court levied an ad valorem tax of 10 cents on the $100 valuation on [illegible] Common School District No. 14, for the year 1911, to supplement the State school fund apportioned to said district for the support and maintenance of public free schools therein.

The Court examined the quarterly report of County Treasurer E. C. Burttschell, made by him as such officer, of County funds received and disbursed by him during the quarter ending May 8th, 1911, and the same was found to be correct and was approved.

The Court examined the quarterly reports of W. C. Papenberg, District Clerk; A. A. Gregory, J. P. Prect. No. 1; W. M. Griffitts, J. P. Prect. No. 2; W. C. Bouldin, J. P. Prect. No. 3; W. A. No. 8, and Herman Meyer, Constable Prect. No. 6, made by each of them as such officers for the quarter ending May 8th, 1911, as required by law, were examined and approved and the necessary entries are ordered made against each of them on the finance ledger.

The Court examined the supplemental quarterly report of Tax Collector W. H. Fehrenkamp, made by him as such officer, which report was checked by the Court, found to be correct and was approved.

The Court examined the quarterly [illegible] Burttschell, made by him as such officer, of funds received and disbursed by him during the quarter, belonging to the City of Columbus, the same was compared with the original vouchers, was found to be correct and was approved.
