East Bernard Defeated Lissie.

An interesting game of ball was played at Lissie last Sunday afternoon between the Lissie team and a team from East Bernard by a score of 7 to 2. Mr. John Reed of Nottawa was the umpire and his decisions were fair and just throughout. During the last half of the ninth inning the Lissie team changed up their batting order, using only their best batters. Umpire Reed objected to this, it not being baseball, and declared the game forfeited to East Bernard. However, another umpire was secured and the last half of the game was played, the members of the Lissie team being allowed to bat in pretty much any order as they pleased. In this inning they made one run, which, however, was not counted by the official score keeper, Mr. Lee Hart.

Both teams have some good material, and put up a good article of ball playing. Smith at short for Lissie, and Johnson at second for East Bernard were the star players of the two teams.

Do Ghosts Haunt Swamps?

No. Never. Its foolish to fear a fancied evil, when there are real and deadly perils to guard against in swamps and marshes, bayous, and lowlands. These are the malarial germs that cause ague, chills and fever, weakness, aches in the bones and muscles, and may induce deadly typhoid. But Electric Bitters destroys and casts out these vicious germs from the blood. "Three bottles drove all the malaria from my system," wrote Wm. Fredrich of Lucama, N. C., "and I've had fine health ever since." Use this safe, sure remedy daily, 50c at Calvert's Drug Store.
