Died at the home of Mr. and Mrs. George Hayman their little son, on Monday evening last. It seems that the case is somewhat a strange one, a very sore throat and fever. One of the doctors pronounced the trouble diphtheria, while the other three begged to differ. There are several more similar cases in the neighborhood. Mr. and Mrs. Hayman's little daughter is also very low. The funeral was held at the house at 4 o'clock Monday evening, the remains being laid to rest in the Myrtle cemetery. We extend our heart-felt sympathy to the bereaved ones in their sad misfortune. But once more we are reminded that God works in mystery his wonders to perform. Everything works together.

Lord. We who have had the same sad experience can feel that our little ones are safe in the bosom of rest, and patiently waiting with outstretched arms to welcome their loved ones to that celestial land where sorrows and tears never come, for we have the blessed assurance that there will be no sorrow there.

J. B. Small and J. A. Lawrence shipped a car of fine hogs to Houston Tuesday night. We believe this was the best car of hogs ever shipped out of Rock Island. We are gradually improving in our little berg. Let the good work go on.

Mrs. A. E. Lundy entertained the Forty-Two Club at her home Thursday afternoon. A nice lunch was served and all spent a pleasant evening.

The young folks also enjoyed a pleasant evening at the home of Mr. and Mrs. A. R. Lundy on Tuesday. There was quite a crowd present.

Mrs. D. B. Hayner entertained the Woman's National League at her home Thursday night. Everyone enjoyed the evening, and the refreshments were A1 and quite acceptable on this occasion.

Mrs. A. L. Flesher left Wednesday for Canyon City to pay her son's visit. She will stop off at Wichita Falls, and spend some time with her mother.

H. S. Lundy was in Columbus on business this week.

Messrs. C. P. W. Prestmeyer and D. B. Hayner were in Markham this week looking after interests there. We are still patiently waiting to hear their story of how the oil gushed when the well came in.
