At the Old Soldiers' Reunion.

Messrs. T. J. Roberts, Alex Callison, R. A. Abell, J. W. Thatcher, J. R. Strahan, Dock Anderson, Dr. J. K. Davidson and Dr. J. S. Bruce were among the old Confederates at the reception and barbecue given by the ladies of the Shropshire-Upton Chapter Daughters of the Confederacy at the home of Mrs. I. W. Middlebrook in Columbus last Saturday. Messrs. Roberts, Callison, Abell and Dr. Davidson went up in Dr. Norris' car; Mr. Strahan went up on the train and Mr. Thatcher and Dr. Bruce in a buggy and Mr. Anderson rode horseback. After a splendid musical program by the ladies of Columbus and a number of short talks by the "boys of '61," the old soldiers were treated to a delightful dinner and barbecue. The affair was one long to be remembered among the enjoyable events of Colorado county. The veterans from here are loud in their praise for the splendid reception accorded them by the ladies of Columbus, and they take this means of thanking the ladies of the Shropshire-Upton Chapter for a most enjoyable day, and Dr. Norris for his kindness in taking them up in his auto. Why not the people of Eagle Lake give the old soldiers of Colorado county a similar entertainment in this city next spring?

Wins Fight For Life.

It was a long and bloody battle for life that was waged by James B. Mershon, of Newark, N. J., of which he writes: "I had lost much blood from lung hemorrhages, and was very weak and rundown. For eight months I was unable to work. Death seemed close on my heels, when I began, three weeks ago, to use Dr. King's New Discovery. But it has helped me greatly. It is doing all that you claim." For weak, sore lungs, colic, coughs, asthma, hay fever or any throat or lung trouble its supreme, 50c & \$1.00. Trial bottle free. Guaranteed by Calvert's Drug Store.

Messrs. T. L. Smith and Isadore Nathan made a trip to Wharton Wednesday in an E. M. F. car.

LAXATIVE SENT FREE TO TRY

It may be taken for granted that there is no family that does not sometimes need a laxative. If you don't know of a good laxative, or the laxative you are using is losing its effect, we want to call your attention to Dr. Caldwell's Syrup Pepsin, which thousands of families are using successfully. We have scores of letters from mothers, and scores from prominent men saying they are using it personally and giving it to their families. Men like Mr. C. K. Smith of the Traffic Clearing House, Pine Bluff, Ark., and Mr. George B. Turner, a lawyer of Harlan, Ky. The thousands of mothers who use it themselves and give it to their children would take too much space to mention. The reason they prefer Syrup Pepsin is that it is a mild, gentle laxative.

The potato market has been up this week, choice potatoes bringing \$1.25 per bushel. That the season should close with such high prices is something unusual to the old potato growers and they attribute the rise in prices at this time of the season to the short crops in Arkansas and Oklahoma. Most of the potato farmers are practically through digging, though we learn that Silver & Hull have quite an acreage which they will not dig until next week. Dr. Gordon has this week been getting out some of the fine potatoes we have seen this season, which run 200 bushels to the acre and sold for \$1.25 per bushel.

Both of said sales, were ordered to be made at private sale, and for cash.—Citizen.

In the probate court last Monday J. R. Westmoreland was appointed temporary guardian of the minor, Mark Guyon Westmoreland, son of the late J. W. Westmoreland. Mr. Westmoreland was already temporary administrator of his brother's estate, but this appointment also became necessary for the reason that a six thousand dollar life insurance policy was made payable to J. W. Westmoreland's children and therefore their individual property, and Mark Guyon being a minor, the Company would not pay the policy until letters of guardianship were taken out. The bond of the temporary administrator was fixed at three thousand dollars which was given with W. A. Dallas, W. S. Strickland and M. B. Cline as sureties.—Colorado Citizen.

tive-tonic that does not gripe—effective and yet so mild that babies can take it. Its tonic ingredients invigorate the body and strengthen the stomach and bowel muscles so that they again do their work naturally. If you have been a victim of salts, pills and strong cathartics you will discard them when you once use Syrup Pepsin. You can buy a fifty cent or one dollar bottle of any drugist, but before doing so you may want to try it free. If so, send your address to Dr. Caldwell and he will promptly forward a free sample bottle. Then, being convinced, do as others are doing and buy it in the regular way of your favorite druggist. Douglass-White Wedding.

Mr. Archie Douglass, the popular young bookkeeper at the First National Bank, and Miss Winnie White, both of Eagle Lake, were married at 8 o'clock on last Monday morning at the home of the bride's uncle and aunt, Mr. and Mrs. Chas. Sanders in Smithville. Rev. J. M. Renick of Smithville, grandfather of the groom, officiating. Mr. and Mrs. Douglass left immediately after the ceremony for Fort Worth for a week's visit to relatives, and they will also spend a few days with relatives in Smithville before returning to this city.

The groom is one of our city's best young men, sober, sturdy and industrious, and of exemplary habits. The bride is one of Eagle Lake's sweetest and most popular young ladies, possessing a gentle, amiable character which has won hosts of friends for her wherever she has gone. Our heartiest congratulations are extended the happy couple.

Mr. J. O. Silverwood, who is traveling for the Charter Oak store people, spent a few days with his family here the first of the week.

Eagle Lake Defeats El Campo.

The Eagle Lake baseball team, under the management of Mason McCarty, went to El Campo in automobiles Sunday, going in the cars of J. C. Townley, Walter Adams and the Smith Auto Co. Mr. Ad Adams also took a load of spectators down in his car. The Eagle Lake boys defeating El Campo in a score of 2 to 1. Considering that Eagle Lake has no regular ball team, and that our boys went down and "put it on" El Campo, with no practice whatever, they have a right to feel proud over their victory. There is some splendid material here and we are inclined to believe that El Campo's defeat will lead to the organization of a good ball team here. An effort is being made for the formation of a regular team here with nice suits and a complete outfit. Wilson, the "big boy" from Potatoville is certainly at home behind the bat.

his, there isn't much base stealing going on. Bob Roberson, who played third, is a "cracker-jack" on the ball field; plays any base and as a slugger has already won the name "Two-Bagger Bobby." It's a good thing for El Campo that Morgan Flowers was prevented from being with the team in this game, for he is Eagle Lake's long hitter. Considerable interest is being taken here now in baseball, and it is likely that Eagle Lake will shortly have a regular ball team here that will become familiarly known to the neighboring towns as a "dinger."

There's always something missing with out I. W. HARPER whiskey. It's so old and so extensively used everywhere that we should find it hard to get along without it. Sold by BECKMANN & Co.

Mr. James Newsom, who is working for the railroad in San Antonio, was struck on the head by an open door of a refrigerator car, from the effects of which he was in the hospital for more than a week. He has gotten all right however, and went to work again Monday.

Mr. A. C. McClanahan was over Monday from the Lake City looking after business interests in this section.

Garwood's business district is still improving. Another building is being erected by Mr. Ripple which we understand will be used for a general merchandise store.

We had quite an interesting ball game here Sunday between the local team and Nada. The game was close from start to finish, the score being a tie 8 to 5. The Nada boys would not play off the tie. They say they never play more than nine "inns." Batteries, for Garwood, Braden and Dawson; for Nada, Labay and Kallins.
