THE REMINISCENCES OF

MRS. DILLIE HARRIS.

bia, and from there on horseback. They had heard such bad news that they did not finish their visit. It was that General Santa Anna and Cos with a large army were en route for Texas. This news was brought direct from Tampico, Mexico, to New Orleans by an American who came on a French ship. The Dyers said men and munitions were coming to Texas. We had heard this news before, but did not know whether it was true.

Mrs. Stafford went away, taking one negro woman and two negro children, besides her own child, and Mr. Harvey Stafford went with them. They traveled on horseback, and their friends were very anxious on their account, as there were Indians on the Trinity river, and also in East Texas.

The news that Santa Anna was marching on San Antonio was confirmed. The people of San Antonio and San Patricio were leaving their homes, and everybody was preparing to go to the United States. There was more or less discussion among the members of the Council of the Provisional Government. They deposed Governor Smith and installed Lieutenant Governor Robinson. The Mexican army arrived at San Antonio, and the Council went to Washington on the Brazos. People were crossing the river at Fort Bend and Jones' ferry going east with their cattle and horses. Everybody was talking of running from the Mexicans.

Signals of Distress.

Eagle Lake People Should Know How to Read and Head Them.

Sick kidneys give many signals of distress.

The secretions are dark, contain a sediment.

Passages are frequent, scanty, painful.

Backache is constant day and night.

Headaches and dizzy spells are frequent.

The weakened kidneys need quick help.

Don't delay! Use a special kidney remedy.

Doan's Kidney Pills cure sick kidneys, backache and urinary disorders.

Eagle Lake evidence proves this statement.

G. B. Skelton, south side of square, Eagle Lake, Texas, says:

"I was almost laid up as the result of an attack of lumbago. I tried many remedies but my suffering continued. There was a dull ache across my kidneys and often when I arose from a sitting position, sharp twinges darted through my body. I am now free from all these troubles and Doan's Kidney Pills, procured at Calvert's Drug Store, deserve the credit. I can truthfully say that never used a more reliable kidney remedy than Doan's Kidney Pills."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's and take no other.

The HEADLIGHT has printed dodgers announcing a big emancipation-celebration of the colored people at Brownsville, near Matthews, on June 10th and 20th, and another at Reel's Bend on the 19th.

Improvements at Ice Plant.

Mr. A. G. Koennecke, the accomplished and pleasant manager of the Eagle Lake Manufacturing Company, is certainly making some great improvements at the plant. The editor made a visit to the plant the first of the week and was agreeably surprised to see so many improvements added since his last visit there. The fine new 750 gallon a minute pump is now doing daily service pumping from the 425 feet well, the water from which is as good as can be found in any town in Texas. Mr. Koennecke has also placed an order for another engine and dynamo, which will be installed for use in case of accident to the other machinery, insuring the people of Eagle Lake excellent light and power service under almost any kind of circumstances. He already has his well connected by tunnel with another well, and can pump from either one in case of accident.

The ice plant is now running full capacity day and night, making that pure crystal ice for which Eagle Lake has become famous. The Eagle Lake Bottling Works, in connection with the plant, is also turning out a fine grade of soft drinks, a superior quality of which will be hard to find in any city. These drinks are made from the pure water from the deep well, and every caution pertaining to cleanliness is used in their manufacture. Have Mr. Koennecke send a case up to your home—it will make life worth living on these hot summer days. Things in general are getting in mighty fine shape down at the plant, and when the contemplated improvements are carried out Eagle Lake will have an ice, light and power plant, second to none in any town of this size in Texas. Manager Koennecke has had a hard pull to put the plant in its present shape, but he has stood by it through thick and thin, and the "cussed" old every hand during the trying ordeals he has passed through, he is now getting things in fine shape. At present he is replacing the small water mains with larger ones, and in a very short time expects to have things to his own liking, and will give the people of Eagle Lake service that can be surpassed by no town of this size in the state. Mr. Koennecke has labored hard and deserves success, and the wish of this paper is that a full measure of success may be his reward.

A Charming Woman is one who is lovely in face, form, mind and temper. But it is hard for a woman to be charming without health. A weak, sickly woman will be nervous and irritable. Constipation and kidney poisons show in pimples, blotches, skin eruptions and a wretched complexion. But Electric Bitters always prove a godsend to women who want health beauty and friends. They regulate Stomach, Liver and Kidneys, purify the blood, give strong nerves, bright eyes, pure breath, smooth, velvety skin, lovely complexion and perfect health. Try them. See at Calvert's Drug Store.

McClanahan & Stoermer of Houston have placed with the Smith Auto Co. an order for six E. M. F. automobiles. They have up deposits for nine cars and so great is the demand, their contract being over sold, they have been unable to supply their customers.

Work Will Soon Start after you take Dr. King's New Life Pills, and you'll quickly enjoy their purifying, constipating and indigestion vanishing and fine appetite returns. They regulate stomach, liver and bowels and impart new strength and energy to the whole system. Try them. Only 25c at Calvert's Drug Store.

50 Per Cent Better

"I have used less than one bottle of Cardui," writes Mrs. Gertrude Ward, of Rushville, Neb., "and am feeling fifty per cent better than when I began taking it."

"Before taking Cardui, I had suffered with female trouble, for eight years. My greatest trouble was irregularity. I also suffered with severe pains, every month, but now I am greatly improved and will recommend Cardui to all my suffering friends."
