Escaped With His Life.

"Twenty-one years ago I faced an
awful death," writes, H. B. Martin,
Port Harbors, S. C. "Doctors said
I had consumption and the dreadful
cough that looked like it, sure enough.
I tried everything. I could hear of for
my cough, and was under the treatment
of the best doctor in Georgetown, S. C.
for a year, but could get no relief.
A friend advised me to try Dr. King's
New Discovery. I did so, and was
completely cured. I feel that I owe
my life to this great throat and lung
cure." Its positively guaranteed
for coughs, colds, and all bronchial
affections. 50c a \$1.00 trial bottle free
at Calvert's Drug Store.

The local prohibitionists held
a well attended meeting at the
Methodist church Tuesday night.
Several important committees
were appointed and arrange-
ments made for prohibition
speakers at several places in the
county. The fund for carrying
on the campaign was contributed
to very liberally.

Rev. J. B. Armstrong of El-
gin, a former popular pastor of
the Baptist church here, arrived
Tuesday morning for a visit to
his daughter, Mrs. Belle Nail.

FREE SAMPLE CURED OLD
PERSON'S BOWEL TROUBLE

One of the most remarkable proofs
of the unusual laxative merit con-
tained in Dr. Caldwell's Syrup Pepsin
is that it is effective not only in peo-
ple in the prime of life, but at the
extremes of ages. As many letters
are received from mothers regarding
the cures of children, so from men and
mothers of children, and elderly
years of age. It must be truly a won-
derful laxative.

In the cure of constipation and
bowel trouble in old people it has no
equal. It cures the constipation,
disposes the headache, biliousness, gas,
drowsiness after eating, etc. People
advancing in years should see to it
that their bowels move freely, and
if they do not take Dr. Caldwell's

County Commissioner J. J. Roberts.

During Mr. Roberts' adminis-
tration as County Commissioner
this precinct has witnessed
more road improvements and
road work than any time within
its history. Mr. Roberts is a
strong believer in good roads
and he is rapidly getting the
roads of his precinct in fine con-
dition. The roads of this pre-
cinct are often commented on by
autoists passing through the
county. Mr. Roberts can always
be found working in the com-
missioner's court for anything
that he thinks will be an advan-
tage to his precinct or his coun-
ty. He was a hard worker for
the Eagle Lake-Altair bridge
and it was largely through his
efforts that this bridge was built.

Postmaster Geo. S. Ziegler.

Capt. Geo. S. Ziegler, post-
master of Eagle Lake, is one of
the city's old residents. He is
a splendid postmaster and under
his management and with the
help of his two able assistants,
Messrs. S. H. Little and S. J.
Mathis, the Eagle Lake postoffice
is a No. 1. Since Captain
Ziegler has been postmaster he
has been constantly striving for
the erection of a new and modern
postoffice building, and his
efforts have had the desired ef-
fect and Eagle Lake now has one
of the neatest little postoffice
buildings in this section of the
state. The Eagle Lake postoffice
business is constantly increas-
ing, having during the month of
May handled something over
ninety thousand pieces of mail.

Mr. W. C. Mersfelder who has
been holding down the pumping
job for the Sunset railroad at
this place, has resigned the same
and began working at the Frank
Stephens Company's store last
Saturday. The Sunset will be
beginning tomorrow, shut down
their pumping station here and
water for the railroad will be fur-
nished by the Eagle Lake Man-
ufacturing Company from the
city waterworks.

Right in your busiest season when
you have the least time to spare you
are most likely to take diarrhoea and
lose several days' time, unless you
have Chamberlain's Colic, Cholera

take a dose on the first appearance of
the disease. For sale by all drug-
gists.

The new array brick and plate
glass front of the Lee Hughes
building, occupied by the Cas-
ford Grocery Company, adds
wonderfully to the looks of the
building. Lee Hughes has that
way about him of improving all
of his property in a most up-to-
date manner. When the Masons
erect their handsome building
adjoining this property, the west
side of the square will indeed
present a splendid appearance.

Hanly's sanitary fountain so-
licits a portion of your cold drink
patronage.

Those who have had public
concrete sidewalks built in front
of their property during the past
several weeks are: Fox Stepi-
ens, Dr. Norris, J. A. Harbert,
J. T. McCarty, M. C. Yates, W.
E. Lenhart, C. E. Woodward, W.
Y. Westmoreland, Methodist
parsonage, Ed. McKee, J. E.
Roberts, Methodist church, Bap-
tist church, Episcopal church,
Mrs. J. D. Odum, Hayes Step-
hens, Miss Mildred Thatcher, E.
L. Mooney, A. M. McDow, J. W.
Thatcher, J. R. Thatcher, M. E.
Gwynn and Dr. Bruce. The side-
walk building goes merrily on.
Many others are contemplating
building sidewalks a little later,
and with good crops this fall,
there will be much sidewalk
building in Eagle Lake.

Kill More Than Wild Beasts.

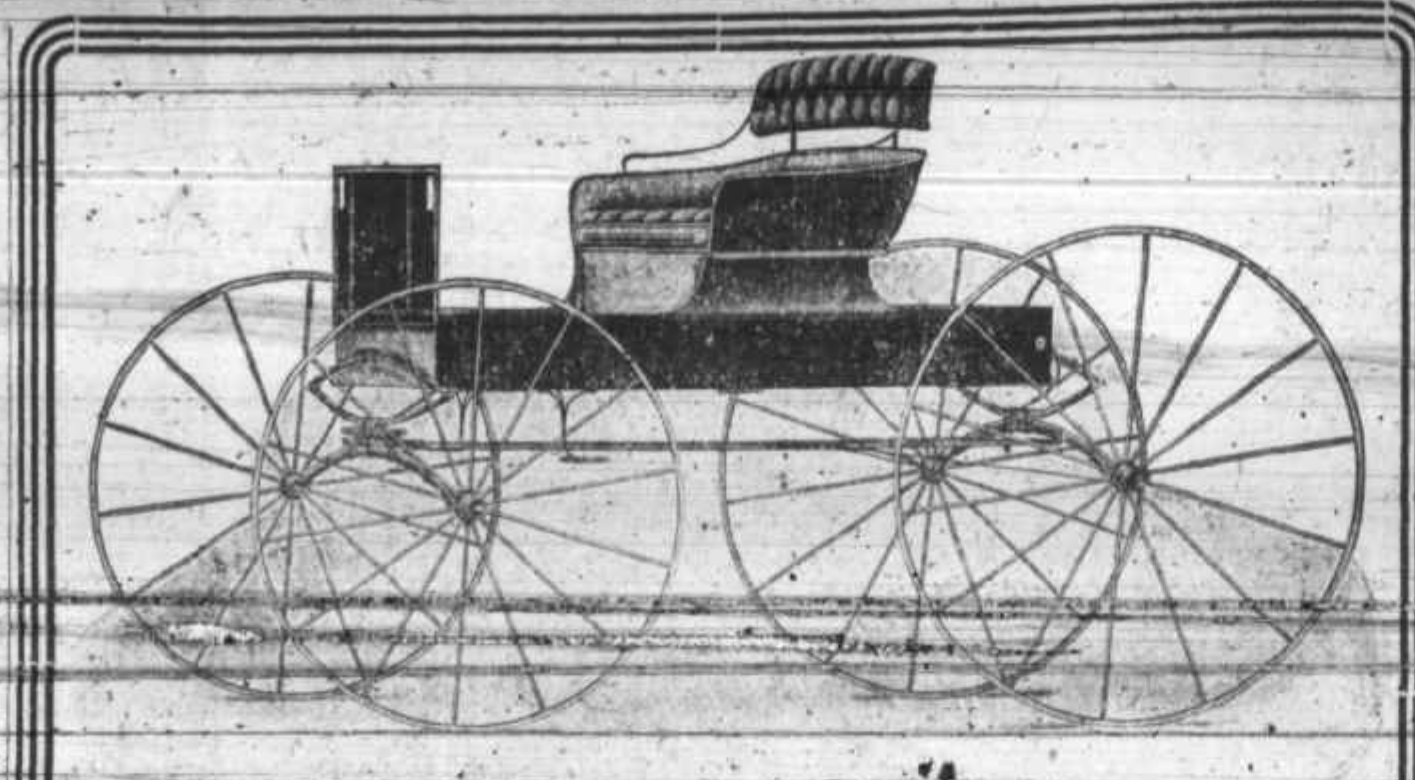

The number of people killed yearly
by wild beasts don't approach the vast
number killed by disease germs. No
life is safe from their attacks. They're
in air, water, dust, even food. But
grand protection is afforded by Elec-
tric Bitters, which destroy and expel
these deadly disease germs from the
system. That's why chills, fever and
ague, all malarial and many blood
diseases yield promptly to this won-
derful blood purifier. Try them, and
enjoy the glorious health and new
strength they'll give you. Money
back if not satisfied. Only 50c at
Calvert's Drug Store.

Deaths in the section in the
section prior to the fine rains of last
week, which burnt some of the
corn to considerable extent, there
will be a good average crop of
corn made. The prospects for a
big cotton crop are very prom-
ising. Last Sunday Hon. John
Matthews, one of the best post-
office farmers in this section, re-
marked that his section will
out any more rain for four weeks
this section will produce the big-
gest cotton crop it has had in
fifteen years.

Happiest Girl in Lincoln.

A Lincoln, Neb., girl writes, "I had
been ailing for some time with chronic
constipation and stomach trouble. I
tried everything, but nothing helped
me. I then bought a bottle of
W. G. Zorn of New Decatur, Ala., and
Mr. George S. Southing of the Na-
tional Soldiers' Home, Kansas, both
elderly men. The regular size bottles
can be bought at any drugist at fifty
cents and one dollar, but a free sam-
ple bottle can be had by sending your
address to the doctor.

Attorney H. W. Carothers of

Houston, a former popular Eagle
Lake citizen, was in the city
Saturday, leaving Sunday morn-
ing in company with Attorney
Alvin Wirtz for a visit to Colum-
bus. Mr. Carothers says he has
read with much interest the ar-
ticles in this paper on the possi-
bilities of keeping our lake full of
water. He says if such can be
realized he believes it will be one
of our city's chief assets.

Help For Those Who Have

years for a bad stomach trouble, and
spending nearly five hundred dollars
for medicine and doctors' fees, I pur-

which did her so much good that she
continued to use them and they have
done her more good than all of the
medicine I bought before. SAMUEL

The HEADLIGHT is endeavoring
to give its readers the very best
local paper possible, but the way
some of our subscribers are pay-

must have formed a conclusion

we want you to pay up. If you
don't intend to pay for the paper
tell us so and we will quit send-
