MAY PROVE FATAL

When Will Eagle Lake People Learn the Importance of It?

Backache is only a simple thing at first.

But when you know 'tis from the kidneys.

That serious kidney troubles follow.

That diabetes, Bright's disease may be the fatal end.

You will gladly profit by the following experience.

'Tis the statement of an Eagle Lake citizen.

J. E. Bowman, of Eagle Lake, Texas, says: "I can not recommend Doan's Kidney Pills too highly in return for all they have done for me. For a long time I had attacks of backache, brought on by working in a stopped position a great deal. They were also a relief to my back and top part of my head. A too frequent desire to urinate, the kidney secretions added greatly to my discomfort and though I tried many remedies, I did not receive relief. Finally I learned of Doan's Kidney Pills and procured a supply at Calvert's Drug Store. They benefited me at once and I have since kept a supply on hand to have in case of need."
