

A Splendid Time at Garwood.

Tuesday, July 4th, was the Nation's birthday, and the Declaration of Independence was celebrated all over the United States. Garwood did her full share in amusing some 1500 or 2000 people, all of whom had a royal good time from their arrival until their departure. A hard rain fell during the afternoon, but just as soon as the rain was over the festivities went merrily on. The morning hours were spent in tournament riding, and there were some fine riders, among them being Mr. James Hopkins, who at one time was with the U. S. Cavalry and who is well known as a rider. There were other good riders, but having lost our note book while en route home, we are forced to omit their names. A number of crack shooters participated in the blue rock shoot. At noon a splendid two-horse dinner was served. There was plenty of fine, well-cooked meats, bread, pickles, coffee, etc. The table committee deserves special mention for the excellent manner in which the large crowd was served. The broncho-busting after dinner was greatly enjoyed and some clever "stunts" were pulled off by the riders. Chas. Warnken of Houston made an address for the anti prohibition side and Rev. J. T. Tracy of Eagle Lake made an address for prohibition. A grand ball at night closed the day's festivities. Music was furnished during the day and at night by the Menz band, assisted by several musicians from Eagle Lake.

To My Laundry Patrons:

Hereafter we will positively refuse to deliver laundry to any one without the money. So please do not ask me to accommodate you this way, for I will have to refuse you. I assure you that if it wasn't necessary to do this I would not do it, but it is necessary, and I shall enforce this rule on ALL from now on. Respectfully,
H. E. CARRY.

Rev. John L. Andrews of Dallas spoke of the street here yesterday in the interest of prohibition. He is slated for another talk this afternoon.
