RICE FARMERS!

The Cushman Binder Engine

4 Horse Power Saves The Use of 3 Mules

and After Harvest Serves For All Power Purposes on The Farm.

Mr. F. C. Boyden, Nottawa, says:

"The Cushman engine put on my binder for Mr. C. O. Brown is giving the best of satisfaction, 3 mules pulling binder where it took six before, and an extra driver. It is the only practical binder engine I have yet seen."

Mr. C. O. Brown says:

"It is giving perfect satisfaction. I could not ask for an engine to work any better. Three mules pull the binder without any trouble. It makes rice cutting easy, and because of the uniform speed of the cycle does better work than with the mule driven machine."

Mr. C. L. Comp, Nottawa, says:

"The Cushman is undoubtedly a perfect success."

INVEST THE PRICE OF ONE MULE IN ONE OF THESE ENGINES AND SAVE ITS COST IN SIXTY DAYS.

Engine can be seen at our garage, or working at Nottawa on farms of C. O. Brown, Mr. Deyo or Mr. Eignus.

Attack Like Tigers. In fighting to keep the blood pure the white corpuscles attack disease germs like tigers. But often germs multiply so fast the little fighters are overcome. Then see pimples, boils, eczema, salt-rheum and sores multiply and strength and appetite fail. This condition demands Electric Bitters to regulate stomach, liver and kidneys and to expel poisons from the blood. "They are the best blood purifier," writes C. T. Budahn, of Tracy, Calif.
