residence in this city at 4:30

o'clock last Friday evening after

a long illness. Mr. Groll, with

his family, moved to Eagle Lake

from the Calhoun, Iowa, where

he had been residing for some

time, hoping that the change of

climate would prove beneficial to

his health. For some time he

conducted the dining room de-

partment of the Hotel Brown,

but continued failing health nec-

essitated him giving up the busi-

ness. The funeral services were

conducted at the house at ten

o'clock Saturday morning, Rev.

J. T. Tracy officiating. Inter-

ment was made in the Lakeside

cemetery. Mr. Groll made many

friends since moving here who

extend sympathy to the family

in their bereavement.

Mr. I. W. Terrell while in town

Wednesday from the Burns &

Terrell farm, stated that the po-

tato crop is doing well. He says

they have had some local show-

ers in the potato section which

have been of great benefit. Mr.

Terrell says so far, this season

has been very favorable. In fact,

he says, up to this time, the out-

look for a fall crop of potatoes is

the best they have had yet.

Mrs. I. W. Terrell and two

boys, Masters Erwin and Dick,

returned Wednesday morning

from their summer visit to their

old home in Marshall, Missouri.

They were accompanied home by

Mrs. Terrell's sister, Mrs. Dora

Terrell, and Master Chalmers

Nooe, of Marshall and her niece

Miss Florence Terrell, of Wash-

ington, D. C., who will spend the

winter with them at "Potato-

Don't Let a Torpid Liver Knock You Out
of a Day's Work—There is a Better
Way—Read About It.

A man feels very little like
working and a child don't want
to go to school when bilious, or
constipated. If you try calomel
to cure you the chances are that
you will be so weakened by its
after-effects that you will be laid
up for two or three days more.
So we say "Don't take Calomel!"
We have a perfect substitute for
calomel right here in our store,
that we can fully guarantee to
cure constipation and liver up
the liver just as quickly as Calomel,
but without any of the bad
after-effects of calomel. The
name of this tonic is Dodson's
Liver Tonic. It is a pleasant-tas-

ting vegetable tonic that mildly
stimulates the liver and causes
it to work just right to cleanse
the body without any danger of
poisoning. When you try it

you do not say that it is a perfect
substitute for calomel, come

WORK WEAKENS THE KIDNEYS.

Doan's Kidney Pills Have Done
Great Service for People Who
Work in Eagle Lake.

Most Eagle Lake people work
every day in some strained, un-
natural position—bending con-
stantly over a desk—riding on
jolting wagons or cars—doing
laborious housework, lifting,
reaching or pulling, or trying the
back in a hundred and one other
ways. All these strains tend to
wear, weaken and injure the kid-
neys until they fall behind in
their work of filtering the poisons
from the blood. Doan's Kidney
Pills cure sick kidneys, put new
strength in bad backs. Eagle
Lake cures prove it.

George Redford, tailor, Eagle
Lake, Texas, says: "I gladly
recommend Doan's Kidney Pills,
having used them with excellent
results. My occupation brings
more or less strain on the
muscles of the back and as the
result, I was attacked at times
by pains across my loins and
kidneys. Recently when suffer-
ing thus and also having dull
headaches, I procured a box of
Doan's Kidney Pills at Calvert's
Drug Store. They relieved me
in a short and soon restored my
kidneys to their normal condi-
tion."

For sale by all dealers. Price
50 cents. Foster-Milburn Co.,

Gentlemen: Replying to your
inquiry will say we have been
using a Cushman engine on our
binder for about two weeks and
find it entirely satisfactory. In
muddy ground and in heavy rice
we find the engine enables us to
cut right ahead where without it
the binder bogs. It is certainly
a success and I would not try to
cut on muddy ground without
one.
