NUMBER 20.

Visitors to Masonic Meeting.

W. L. Gray, W. P. Nichols, E. B. Thomas, R. M. Ward and O. H. Albert of Sealy, and N. S. Bennett of Wallis were in the city Monday night to attend a meeting of the Masonic lodge.

Mr. C. H. Brosig has sold his Overland car to Messrs. Braden and Richardson of Garwood, and expects to place his order shortly for one of the late model Overland touring cars.

Have Moved to Orange.

Mr. Light Roberts and family are now making their home in Orange, having moved from Markham to that place, where he writes us to forward his paper. He is with the Southern Rice Growers' Association at Orange.

Rev. Story Moves to El Campo.

Rev. G. W. Story, pastor of the Presbyterian church of this city, who is now making his home in Houston, will shortly move with his family to El Campo. Rev. Story has been pastor of the church at this place since the church was organized and is well liked by his congregation.

Bride is Well Known Here.

Miss Fay Whitfield and Mr. A. E. Lancaster, both of Yorkum, were married in that city on Wednesday last week. The bride is a relative of Mr. and Mrs. J. W. Walker of Altair, and has often visited in Eagle Lake. Her many friends here extend congratulations and very best wishes.

To Bay City in Three Hours.

Messrs. John Gwynn and W. C. Sanders, in the former's automobile, left Monday morning for Bay City, where they are stationed in the interest of the Southern Rice Growers' Association. When the roads are in good condition, they make the trip from Eagle Lake to Bay City in about three hours.

Much Church Building in Sight.

The Presbyterian brethren are contemplating erecting a house of worship in Eagle Lake. The Methodist people are also arranging to build a new and handsome church and the Baptists are making arrangement to enlarge their church building. The church people, it is very evident, are keeping abreast of the city's progress.

Woodmen Initiate Members.

W. S. Griffith, K. P. Loughridge and L. E. Braden of Garwood were over Monday night to attend a meeting of the Woodmen lodge, at which two candidates, W. D. Newsom and Mr. Falks were initiated. After the initiation refreshments of ham and roast beef sandwiches and lemonade were served. The Woodmen lodge is one of the strongest secret orders in the city.

Season's Best Rice Sale.

Last week Mr. E. A. Eignus, local manager for the Southern Rice Growers' Association, sold a lot of Texas rice to Harry W. Verdes of the Standard Rice Milling Company of Houston for \$3.35 per barrel.

Dr. Gordon Sells His Auto.

Dr. P. T. Gordon last week sold his Reo car to Mr. Will McMillan, who lives about two and a half miles from Eagle Lake on the Chesterville road. Dr. Gordon is contemplating buying another car of the 1912 model.

Mr. Blakey Building Home.

Contractor W. Connor arrived in the city Wednesday morning for Mr. W. H. Blakey, agent for the Santa Fe at Lakeside. The house will be a five-room cottage with bathroom, and is being erected on the lots near the home of Mr. R. B. Dobbins recently purchased from him by Mr. Blakey.

Plant More Fig Trees.

The people of this section, especially the farmers, should plant more fig trees. The Magnolia figs do exceedingly well here, require but very little attention and bare liberally of luscious fruit the second year. To see the many fig trees of Kolberg & Anderson on Satsuma Ridge in fruitage will convince the most skeptical that this is the home of the fig.

Carl Duddleston Injured Back.

Mr. Carl Duddleston has been quite sick at his home about three miles from town for the past few weeks. His back was quite painfully injured by a bucking mule about three weeks ago, which has since been giving him quite a good deal of trouble, but we are glad to learn he is improving nicely at this time.

School Board Received \$2,000.

Mr. S. O. McCarty, as president of the school board, received a check from the Department of Education at Austin Monday for \$2,000 for the purpose of equipping the school for the manual training department. This new department to the Eagle Lake school which will be begun now very shortly, is going to be a great addition. The two new departments added, domestic science and manual training, will enable our school to affiliate with the State University and other large schools and universities.

Resigns Position at Postoffice.

Mr. Sam H. Little, the very able first assistant at the Eagle Lake postoffice, has tendered his resignation to Postmaster Ziegler to take effect as soon as a suitable man can be secured to take his place, at which time Mr. Little will go with Mr. E. L. Mooney as bookkeeper. Mr. Little has been connected with the postoffice for a long time and it will be hard to find a man to fill the position as well as he has done. He is not only fast with all work connected with the office, but is always courteous and accommodating and he is going to be greatly missed by the patrons of the postoffice.

Catholic Mass Sunday.

Father Montreuil will say mass in the K. of P. hall, upstairs over the Schuhmacher building, Sunday, September 30, at 8 o'clock. He will also hold services in the above mentioned hall on Saturday evening at 8 o'clock.

Miss Belle Wicker Quite Ill.

Mrs. Alex Callison returned Monday afternoon from Rockdale where she had been to see Miss Belle Wicker, who is ill at that place. Mrs. Callison states that Miss Belle is in very poor health, which news will be read with interest by her many friends here in her old home town.

County Exhibit at Fairs.

Mr. M. C. Yates is arranging to take a fine county exhibit to both the Dallas and San Antonio fairs. The exhibit will consist of all the county products—corn, cane, rice, rough rice and all kinds of mill products, wine, canned goods, etc. The car will be shipped to Dallas next week. Any person having a good exhibit should communicate with Mr. Yates at once.

Carnival Left For Schulenburg.

The carnival left Sunday for Schulenburg, and we are all glad. "Why didn't you roast that carnival?" was asked us a dozen times after the paper had been issued last week. Well, it did need it, needed every word of it, but the firemen were getting a percentage of the receipts and we did not want to say anything about the carnival that might hurt them. The firemen realized about \$75.00 clear from the carnival. Now that it is gone and all over, even the firemen agree with us that it was just about the limit.

Confederate Veterans to Meet.

Commander T. J. Roberts of the Scott Anderson Camp of Confederate Veterans, has called a meeting of the Camp for next Monday morning at 10 o'clock in Judge Davidson's office in the Norris building. Delegates will be selected at this meeting to attend the State meeting of the Confederate Veterans in Beaumont on October 5th and 6th. The officers of the Scott Anderson Camp are as follows: T. J. Roberts, commander; Dr. Davidson, adjutant; Dr. Bruce, surgeon; J. P. Anderson, first lieutenant; J. W. Thatcher, second lieutenant, and Alex Callison, third lieutenant.

Maccabee Hive is Active.

Mrs. Izora Ihrig of Rock Island spent Wednesday and Thursday of last week in the city in the interest of the Ladies of the Maccabee of the World. Mrs. Ihrig was present in the city in her home town, Goshen, Indiana, for fifteen years. She is also an educationist of some renown, and at a social meeting Thursday night, entertained those present with some of her splendid selections. Mrs. Ihrig will be with the local Hive again October 5th to assist in initiating several new candidates. The Hive is also looking forward to a visit in the near future from its beloved State Commander, Mrs. Laura B. Hart.

Gentlemen: Replying to your inquiry will say we have been using a Cushman engine on our binder for about two weeks and find it entirely satisfactory. In muddy ground and in heavy rice we find the engine enables us to cut right ahead where without it the binder bogs. It is certainly a success and I would not try to cut on muddy ground without one.
Yours truly,

My Doctor Said

"Try Cardui," writes Mrs. Z. V. Spell, of Hayne, N. C. "I was in a very low state of health, and was not able to be up and tend to my duties. I did try Cardui, and soon began to feel better. I got able to be up and help do my housework. I continued to take the medicine, and now I am able to do my housework and to care for my children, and I feel as though I could never praise Cardui enough for the benefits I have received."

TAKE CARDUI The Woman's Tonic

Cardui is successful, because it is made especially for women, and acts specifically on the womanly constitution. Cardui does one thing, and does it well. That explains the great success which it has had, during the past 50 years, in helping thousands of weak and ailing women back to health and happiness.

If you are a woman, feel tired, dull, and are nervous, cross and irritable, it's because you need a tonic. Why not try Cardui? Cardui builds, strengthens, restores, and acts in every way as a special tonic remedy for women. Test it for yourself. Your druggist sells Cardui. Ask him.

Write to Ladies' Advisory Dept., Chattanooga Medicine Co., Chattanooga, Tenn. for Special Instructions, and 64-page book, "Ladies' Treatment for Women," sent free.

There's a German proverb that runs about this way—"who chatters to you will chatter about you." It is true, too. While you are allowing some one to gossip to you just bear in mind that the very same person whom you permit to gossip to you will go to some one else and gossip about you.

The implicit confidence that many people have in Chamberlain's Colic, Cholera and Diarrhoea Remedy is founded on their experience in the use of that remedy and their knowledge of the many remarkable cures of colic, diarrhoea and dysentery that it has effected. For sale by all Druggists.
