Bad Spells

"I suffered, during girlhood, from womanly weakness," writes Mrs. Mollie Navy, of Walnut, N. C. "At last, I was almost bed-ridden, and had to give up. We had three doctors. All the time, I was getting worse. I had bad spells, that lasted from 7 to 28 days. In one week, after I gave Cardui a trial, I could eat, sleep, and joke, as well as anybody. In 8 weeks, I was well. I had been an invalid for 5 weary years! Cardui relieved me, when everything else failed."

TAKE CARDUI The Woman's Tonic

If you are weak and ailing, think what it would mean, to you, to recover as quickly as Mrs. Navy did. For more than 50 years, this purely vegetable, tonic remedy, for women, has been used by thousands of weak and ailing sufferers. They found it of real value in relieving their aches and pains. Why suffer longer? A remedy that has relieved and helped so many, is ready, at the nearest drug store, for use, at once, by you. Try it, today.

LETTER FROM BURGESS

Mr. J. R. Westmoreland this week received a letter from Congressman Geo. P. Burgess, who is at Waukegan, Wis. Among other things Mr. Burgess says: "My physicians did a wise thing when they sent me up here, for I am rapidly recovering my health and will be 'on my feet' when Congress convenes. This is a beautiful place and the water is the best in the world, still Texas is good enough for me! I am rather homesick for here and appreciate letters from 'home' more than I can express. Give my warmest regards to Roberts, Guyon, Strickland, Norris, in a word, to all my friends that you see. The last legislature was a farce! Texas politics is in bad shape, but I have faith in the people coming to their sober senses. The national outlook is better than since 1892. It looks good to me, and if we will act wisely we will win. Harmon seems the right man to nominate. Wilson is too theoretic and untrained, though a good man, I think." Congressman Burgess has many friends and admirers in Eagle Lake who will be glad to learn that he is rapidly regaining his health.

AFTER SPEED BREAKERS

On account of reckless driving of some of our motorists through the streets of Eagle Lake, the mayor and city marshal request the citizens to phone them, the name of every auto driver violating the speed limit laws of the city—8 miles per hour—in both the residence and business districts. Many complaints of fast and reckless driving have come to the mayor and marshal of late in an indirect manner, and they are going to enforce the automobile ordinance. Those drivers who have been doing fast and reckless driving in town had better be careful in future.

THAT STOCK ELECTION.

The HEADLIGHT learns from reliable authority that the petition for a stock law would be circulated now very shortly and that the election will be called sometime during November. This town certainly needs a stock law and many improvements will be made if the election carries, which, no doubt it will. Although the proposition has been twice defeated by the voters, at neither election did the progressive and public spirited citizens show any interest, but now you can hear the stock law question agitated every where and we are of the opinion that "old Brindle" will be voted out at the next election.

MR. HERDER UNDECIDED

Hon. Geo. Herder of Weimar was here on business Monday. Mr. Herder stated that he had not decided yet whether or not he will be a candidate for the senate from this district to succeed Senator Paulus. Mr. Herder says he thinks it is a little bit too early yet.

WORDS THAT ENCOURAGE

The HEADLIGHT is striving to give its readers a good, live, local paper. We are continually adding new material and equipment to our office to enable us to improve the paper, believing that the best is none too good for our readers. We have this week received a large shipment of new type and will receive more in a few weeks. We are sparing neither trouble nor expense in order to give Eagle Lake a good paper. We believe the HEADLIGHT compares favorably with any of the weekly papers of this section. That our efforts along this line are being appreciated is encouraging, indeed, and the following letter received this week from Mr. A. H. Koennicke, manager of the Eagle Lake Manufacturing Company, has made us feel good: "Dear Editor:—Anything that is worthy should be commented on. I think it is everyone's duty to be aware of this fact, as it not only helps and strengthens the individuals, but the party or parties trying to accomplish something. I wish to congratulate you on the last issue of your paper. It had a real aristocratic city air to it, and I am glad and hope to see it continue along these lines. Luck be with you." Thanks, Mr. Koennicke, we assure you that your kind words are highly appreciated.

"I get a number of weekly papers and some from towns much larger than Eagle Lake, but I want to say none of them comes up to the HEADLIGHT. It is the best small-town paper I ever saw," remarked Mr. A. R. McCreary to the editor last week. "I want to congratulate you on the last issue of your paper—it's getting more like a city paper all the time," said Mr. L. L. Morrison this week.

When we know our efforts are being appreciated it makes us feel good and encourages us to try harder than ever to give our readers the best possible local paper. We sincerely appreciate these encouraging words from our friends.

APPLICATION FOR PARDON

City Marshal H. S. Vineyard was this week circulating a paper which was numerously signed asking for the pardon of David Miller who is now serving a four-year term in the penitentiary. Miller is an old man and formerly resided at Weimar. He was convicted or rather pleaded guilty to a charge of larceny at the fall term of the district court in 1910. The petition says that Miller being an old man has suffered enough for his crime.

A LARGE CROWD AT NADA

Quite a number of Eagle Lake people were present at the Herman Sons feast and barbecue at Nada Tuesday. The affair was very largely attended and a genuine good time was had by all. City Marshal H. S. Vineyard, who was among the Eagle Lake people present, says there were fully a hundred and fifty couples at the dance at night.

BUYS HOME ON SATSUMA

Mr. Ole Goldberg who arrived in the city this week with his family from Minnesota, has purchased the home of Mrs. Helen Rector on Satsuma Ridge, and he and his family moved into the same Tuesday. Mr. Goldberg owns, besides this place, thirty acres on Satsuma, and will begin at once to improve his property. This good family will be valuable acquisitions to our community. Mrs. Rector for the present is keeping house for Messrs. Kolberg and Anderson, but later expects to buy another place on Satsuma Ridge.

REV. MR. TRACY TO LEAVE

Presiding Elder Nat B. Read of Austin preached an interesting sermon at the Methodist church last Sunday night to good sized audience. While here the first of the week, Presiding Elder Read left the impression that the new station at Eagle Lake will have a new preacher after conference convenes at San Marcos next week, and the present pastor, Rev. J. T. Tracy, will be moved to some other place in the district. Rev. Mr. Tracy is a good man and a fine preacher and the HEADLIGHT will regret to see him leave this city.

MISS CLEMENTS TO WED

Invitations have been received in Eagle Lake announcing the approaching marriage on October 20th, of Miss Floy Lewis Clements to Mr. Herbert Usher Callahan, both of Opelousas, Louisiana. The bride-elect is a former Eagle Lake girl, having lived here with her family several years ago, at which time her father was buyer for the Eagle Lake Rice Milling Co. She has many friends in this city who join the HEADLIGHT in extending congratulations and good wishes in advance.

PURCHASES A FINE CAR

Mr. W. E. Welford this week placed an order with Agent T. L. Smith for a 1912 five passenger Cadillac. The new car will be delivered in about a month and will be the finest automobile in the county. It will be a self starter, electric lighted, nickel plated, seat covers and all other new equipments and pumps its own tires. This will be the first of the late Cadillacs to be received in this county and is indeed a handsome car.

PAINFULLY HURT BY HORSE

Dr. Howard Fitzgerald was called to Nitawa Tuesday evening to see Mrs. Will Spallinger who was painfully injured by a horse. She was attempting to put a bridle on the horse, when the animal in fretting from flies, threw his head around striking Mrs. Spallinger in the side with great force, tearing two of the lower ribs loose from the backbone. While she will likely be "under the weather" from the accident for sometime, the doctor soon relieved her of the pain and she is doing now as well as could be expected.
