Gives Aid To Strikers.

Sometimes liver, kidneys and bowels seem to go on a strike and refuse to work right. Then you need those pleasant little strike-breakers—Dr. King's New Life Pills—to give them natural aid and gently compel proper action. Excellent health soon follows. Try them. 25c at Calvert's Drug Store.

Leave orders for piano tuning at Calvert's.

RESOLUTIONS.

Whereas, it has come to our notice, that Rev. J. T. Tracy, the Methodist pastor, who has been in Eagle Lake for now two years, will not be returned to Eagle Lake as pastor for the ensuing year;

And recognizing his ability as a preacher, and his great worth as a Christian gentleman, and great stand he has taken for his God and our God since being with us, and the great good he has accomplished since being in Eagle Lake; therefore be it

RESOLVED, by the Baptist church of Eagle Lake, Texas, that we deeply regret that the longer he is in our midst, but commend him to those where he may be sent, as being a most worthy gentleman, and above all, as being a man who will stand for his God, no matter what obstacles are placed before him.

We as a body wish for this most worthy man of God and for his family health, happiness and co-operation.

J. E. ROBERTS, Mod.
V. C. PUCKETT, Clerk.

In this week's Shiner Gazette we see the "Man on the Case" show advertised there for 25, 50 and 75c. Here it charged \$1.50 and \$1.20. Again we say 75 cents should be the maximum price for shows in Eagle Lake, for this place is not yet a \$1.50 show town.

RICE WAREHOUSE AT CHESTERTVILLE IS DESTROYED BY FIRE.

The large rice warehouse of the Wallace estate at Chesterville was destroyed by fire yesterday morning. The fire began about 10:30 o'clock and its origin is unknown. The warehouse contained four hundred sacks of rice belonging to Mr. J. E. Davidson and five tons of hay belonging to the Wallace estate. We learn that Mr. Davidson's rice was not insured. The building was insured for \$600. The smoke from the burning warehouse could be seen in Eagle Lake. Some of the telegraph wires near the warehouse were burned down by the fire. The HEADLIGHT in common with Mr. Davidson's many friends in this section, sympathizes with him in his great loss, but we are of the opinion that sympathy is of little consolation to Mr. Davidson. The rice was being shipped in bags of good rice going up in smoke.

The open season for quail will commence November first, but this is the open season for newspaper subscriptions, and the HEADLIGHT will receive payments by express, check, exchange, money order, telephone, wireless, or any other of our means.
