Young Women
Read what Cardui did for Miss Myria Engler, of Faribault, Minn. She says: "Let me tell you how much good Cardui has done me. As a young girl, I always had to suffer so much with all kind of pain. Sometimes, I was so weak that I could hardly stand on my feet. I got a bottle of Cardui, at the drug store, and as soon as I had taken a few doses, I began to feel better. Today, I feel as well as anyone can."
TAKE The CARDUI Woman's Tonic
Are you a woman? Then you are subject to a large number of troubles and irregularities, peculiar to women, which, in time, often lead to more serious trouble. A tonic is needed to help you over the hard places, to relieve weakness, headache, and other unnecessary pains, the signs of weak nerves and over-work. For a tonic, take Cardui, the woman's tonic. You will never regret it, for it will certainly help you. Ask your druggist about it. He knows. He sells it.

ORIGIN OF FIRE A MYSTERY

Mr. J. E. Davidson was in the city from Chesterville Wednesday in his Reo car. He says his loss in rice burned in the warehouse at Chesterville last Thursday was over \$1,000, but that he sold \$300 worth after the fire for feed purposes, which reduces his loss to about \$1,300. He says the origin of the fire remains a mystery; that it is believed to have been started from a spontaneous combustion or by a mouse carrying a match to the inside. The fire started in the end of the warehouse where rice was stored.
