DON'T BE A GROWLER.

It is not an uncommon thing
to hear citizens of a town mak-
ing complaints about its being a
dull, dead town; that there is no
work, that conditions are worse
than in other towns.

It makes the average man who
is trying to do something for his
town sick to meet a town knock-
er. A chronic growler is the
limit in the circle of manhood.
No business man should allow
himself to become grouchy and
a growler of hard times and
dull trade. Nothing so injures
his business, for in this pro-
gressive age people are wont to
trade at a store where the prop-
rietors and clerks are cheerful,
where there is a ring of prosper-
ity. The day of the grouchy and
non-advertising store keeper is
passing, and the time is here in
the business world when the
storekeeper must keep a stiff up-
per lip and continue to advertise
even when times are dull.

This is the time when boost-
ing and a progressive spirit are
what count—the world hates a
knocker. If you haven't much
good in your town, then it is
your duty to keep "er" whooping
on what little good there is in it.
Why, if the HEADLIGHT was pub-
lished at the North Pole and its
office sat astride that monument
of congealed moisture, this pa-
per would praise it as a cool,
summer resort and as the place
where ice is plentiful and cheap
because no dad-burned ice trust
controlled the supply.

The fault with the chronic
kicker is within himself. Here
in Eagle Lake a few kickers are
to be found. Such people are a
pull back to the car of progress.
They ought to go to some more
congenial town, go somewhere—
just any old place—go to the de-
vil, for Eagle Lake would feel flat-
tered by the removal of all such.
ONLY THREE MORE DAYS!

FREE SAMPLE OF LAXATIVE CURED HIS CONSTIPATION

When a person has become dis-
couraged through years of failure to
find a cure, and finally, perhaps, gives
up trying, it is small wonder that he
becomes skeptical. And yet, to all
who have constipation, we would say,
"Try just one thing more."
We wish you would try Dr. Cald-
well's Syrup Pepsin, a laxative tonic
that has been used for a generation.
It cannot be doing it, surely some
of your friends among the number.
You can buy it of any druggist at
fifty cents and one dollar a bottle, but
better still, send your name and ad-
dress to Dr. Caldwell for a free sam-
ple bottle. He will send you enough
to convince you of its merits, and
then if you like it you can buy it of
your druggist. Mr. J. J. Petty of Un-

Naturally, Col. Jake Wolters
said nothing in his announce-
ment for the United States sen-
ate about publication of campaign
contributions and expenses either
before or after the election. He
made a noise like a graveyard
on this important subject. Col.
Wolters believes in getting all the
money you can and spending all
you get and the public be damned
if it asks any questions. Already
one of the plate houses has sent
out notices that they are author-
ized to furnish his announcement
in plates free of charge. Since
many men in the past have spent
large fortunes to be elected to the
United States senate, the plain
people are beginning to wonder
just a little about it and show
a disagreeable tendency to know
just why all this expenditure
and where the money comes
from. According to Col. Wolters'
doctrine, as shown by his testi-
mony before the investigating
committee, it is none of their
business.—Wills Point Chronicle.

More Than Enough Is Too Much.
To maintain health, a mature man
or woman needs just enough food
to repair the waste and supply energy
and body heat. The habitual con-
sumption of more food than is nec-
essary for these purposes is the prime
cause of stomach troubles, rheumatism
and disorders of the kidneys. If
troubled with indigestion, revise your
diet, let reason and not appetite con-
trol and take a few doses of Cham-
berlain's Stomach and Liver Tablets and
you will soon be all right again. For
sale by all Druggists.

One of the Best.
Uncle Raspberry walked into a
drug store.
"Gimme one of them plasters
fo' my back," he said.
"One of the porous plasters?"
"No, I don't want one o' de
pores' plasters. I wants one o' de
bes'."

Is The World Growing Better?
Many things go to prove that it is.
The way thousands are trying to help
others is proof. Among them is Mrs.
W. W. Gould, of Pittsfield, N. H.
Finding good health by taking Electric
Bitters, she now advises other suffer-
ers, everywhere, to take them. "For
years I suffered with stomach and kid-
ney trouble," she writes. "Every
medicine I used failed till I took Elec-
tric Bitters. But this great remedy
helped me wonderfully." They'll help
any woman. They're the best tonic
and finest liver and kidney remedy
that's made. Try them. You'll see.
See at Calvert's Drug Store.

It's Equal Don't Exist.
No one has ever made a salve, oint-
ment to balm to compare with Buck-
len's Arnica Salve. It's the one per-

Bruises, Sores, Scalds, Itch, Ulcers,
Eczema, Salt Rheum. For sore Eyes,
Cold Sores, Chapped Hands or

Piles. Try it. Only 25c at Calvert's
Drug Store.

Mrs. W. E. Lenhart returned
home Tuesday morning from an
extended stay at her old home in
St. Louis, Mo. She was accom-
panied home by her sister, Miss Gertrude Malcom-
son, and father, Mr. James Mal-
comson, both of Forrest River,
who will make Eagle Lake their
future home.

ionville, Mo. Mr. George W. Zimmer-

others of both sexes and in all parts of
the country first used a sample bottle
and now have it regularly in the
house.
You will learn to do away with
salts, waters and cathartics for these
are but temporary relief while Dr.
Caldwell's Syrup Pepsin is a tonic
to cure it will train your stomach
and bowel muscles so that they will
do their work again naturally without
outside aid. Cast aside your skepticism
and try Syrup Pepsin.

"IN A BAD WAY"

Many an Eagle Lake Reader Will
Feel Grateful for This Infor-
mation.

When your back gives out,
Becomes lame, weak or ach-
ing.
When urinary troubles set in,
Your kidneys are "in a bad
way."

Doan's Kidney Pills are for
sick kidneys.
Local evidence proves their
merit.
Mrs. S. Garmon, Main St.,
Eagle Lake, Texas, says: "There
was a sensitiveness in the small
of my back for a long time, ac-
companied by a dull, nagging
ache over my kidneys. At night
I could not sleep well and result-
ing from this, was languor and
inability to do my work properly.
I was unable to obtain perma-
nent relief from the remedies I
tried and hearing of Doan's Kid-
ney Pills, I procured a box at
Calvert's Drug Store. Through
their use my back and kidneys
were strengthened and my
health improved."

For sale by all dealers. Price
50 cents. Foster-Milburn Co.,
Buffalo, New York, sole agents
for the United States.
Remember the name—Doan's
and take no other.

Can You Do It?
Back to the wall, the heels touch-
ing it.

You may then, with absolute
safety to your pocket book, lay a
dollar bill on the ground within
three feet of him and tell him he
may have it if he will pick it up
without moving his heels from the
wall.

This looks as if it were an easy
matter to accomplish—but it is
not. Women's World.

Avert Awful Tragedy.
Timely advice given Mrs. C. Will-
oughby, of Marengo, Wis. (R. No. 1)
prevented a dreadful tragedy and saved
two lives. Doctors had said her
frightful cough was a "consumption"
cough and could do little to help her.
After many remedies failed, her aunt
urged her to take Dr. King's New
Cough Cure. "I have been using it for
some time," she wrote "and the awful
cough has almost gone." It also saved
my little boy when taken with a severe
bronchial trouble. This matchless
remedy has no equal for throat and
lung troubles. Price 50c and \$1.00.
Trial bottle free. Guaranteed by
Calvert's Drug Store.

The Quality of Distinction
is sometimes natural to the in-
dividual; more often it is con-
ferred by the perfection of style and
cut of his garments. This is es-
pecially true of clothing made by
Geo. Redford. Clothing that is
made to measure is the only
kind that can claim to be distinc-
tive, because no two suits are
exactly alike, but each is made to
show the wearer at his best.
