the present year.

The Headlight editor returns
thanks to Eagle Lake's big hearted
and efficient city marshal, Mr.
H. S. Vineyard, for a box of fine
cigars, presented him during
the Christmas season. Thanks,
Harvey, and may your shadow
never grow less!

We wish to call your attention to the
fact that most infectious diseases such
as whooping cough, diphtheria and
scarlet fever are contracted when the
child has a cold. Chamberlain's Cough
Remedy will quickly cure a cold and
greatly lessen the danger of contracting
these diseases. This remedy is
famous for its cures of colds. It con-
tains no opiates, narcotics and
may be given to a child with implicit
confidence. Sold by all dealers.

daughter, Mr. T. L. Loughridge,

Lighting Kills Few.
In 1906 lightning killed only 189
people in this whole country. One's
chances of death by lightning are less
than two in a million. The chance of death
from liver, kidney or stomach trouble
is vastly greater, but not if Electric
Bitters be used, as Robert Madsen, of
West Burlington, Ia., proved. Four
doctors gave him up after eight months
suffering from violent liver trouble
and yellow jaundice. He was then
completely cured by Electric Bitters.
They're the best stomach, liver, nerve
and kidney remedy and blood purifier
on earth. Only 50c at Calvert's Drug
Store.

Mr. O. L. Miller of Chesterville
left last week for a business visit
to St. Louis. Mr. Miller and family

ed.

**ONE WAY OF SAVING
A BABY—FREE TO TRY**

The mother does not live who
would not do all in her power to keep
her child healthy, but often she does
not know how. So when a doctor
of standing points the way all can
afford to listen.

It is an accepted fact that nine out
of ten of the troubles of infants and
children is intestinal. You notice it
by the fact that the child is consti-
pated, it belches, is nervous and cries.
Don't give a remedy that contains an
opiate, because the child will get in
the habit of needing it, and don't be-
come alarmed and run at once for a
doctor.

Pepsin, the remedy that is intended.

Saved His Wife's Life.
"My wife would have been in her
grave today," writes O. H. Brown, of
Muscadine, Ala., "if it had not been
for Dr. King's New Discovery. She
was down in her bed, not able to get
up without help. She had a severe
bronchial trouble and a dreadful
cough. I got her a bottle of Dr.
King's New Discovery, and she soon
began to mend, and was well in a short
time." Infalible for coughs and

The Quality of Distinction
is sometimes natural to the in-
dividual; more often it is conferred
by the perfection of style and
cut of his garments. This is es-
pecially true of clothing made by
Geo. Redford. Clothing that is
made to measure is the only
kind that can claim to be distinc-
tive, because no two suits are
exactly alike, but each is made to
show the wearer at his best.
