QUAIL SEASON TO CLOSE

Bad Weather Made Open Season Very Unfavorable One.

The open season for shooting quail will close with the end of the present month, and the season has been a very unfavorable one for the hunters. As the weather has been very unfavorable to hunting almost the entire season, and at the opening of the season vegetation was so rank the hunters had but little success. If the out of season hunters are watched closely after the close of this month, there will be large numbers of quail next year as there have been fewer birds killed in this section this year than in any past open season for a long time. Mrs. A. R. Tabor, of Crider, Mo., had been troubled with sick headache for about five years, when she began taking Chamberlain's Tablets. She has taken two bottles of them and they have cured her. Sick headache is caused by a disordered stomach for which these tablets are especially intended. Try them, get well and stay well. Sold by all druggists.

Booger Red's wild west show will exhibit in Eagle Lake tomorrow, Saturday. Tent will be on Davis lot on Main Street. Don't fail to see the show.

Mr. and Mrs. R. W. Ulery of Hoopston, Illinois, are in the city, the guests of their relatives. Mr. Ulery is a son of Mr. F. S. Ulery of this city. They may decide to make Eagle Lake their future home.

If your children are subject to attacks of croup, watch for the first symptom, hoarseness. Give Chamberlain's Cough Remedy as soon as the child becomes hoarse and the attack may be warded off. For sale by all druggists.
