

A small wreck occurred on the San Antonio & Aransas Pass in the yards here Wednesday afternoon about half past four o'clock. The local which was switching in the yards backed into the work train, almost completely demolishing the caboose of the local and damaging the engine of the work train. Mr. J. R. Westmoreland, who was sitting in his buggy waiting for the train to get off of the bridge at the culvert before crossing under, witnessed the wreck. He says the local was backing up at about twelve miles an hour when the caboose struck the work train engine. He said the caboose reared up almost as high as the headlight on the work train's engine, hanging on the pilot and ran for several rail lengths in this condition before falling over into the ditch in a demolished condition. The front of the work train engine was damaged to a considerable

The reporter tried to get all costumes for publication, but might have overlooked some as all were in such a rush in removing them after the prizes had been awarded. In talking with the judges after the prizes were given out, the reporter was informed by them that it was a hard matter for them to decide which really was the better HEADLIGHT Girl of the two. Both were exceptionally fine and their costumes were admired by all. The door receipts amounted to

\$50.00, with expenses of \$17.00, leaving \$12.00 clear for the firemen's fund.

The HEADLIGHT editor acknowledges receipt of a cute little valentine from Miss Joyce Burg, the popular little daughter of Mrs. B. Burg, who is at Chappel Hill attending school. She says: "The HEADLIGHT always cheers my heart when I get it."

THE TRUE TEST

Tried in Eagle Lake, It Has Stood The Test.

The hardest test is the test of time, and Doan's Kidney Pills have stood it well in Eagle Lake. Kidney sufferers can hardly ask for stronger proof than the following:

G. J. Shortt, Prairie St., Eagle Lake, Texas, says: "I was in a bad way with my back and I had sharp twinges shoot through me if I attempted to move or turn in bed. My kidneys did not act regularly and I was obliged to get up at night. An acquaintance learning that I was so seriously afflicted, brought me the balance of a box of Doan's Kidney Pills that he had been using, saying that it was the best thing for lumbago that he had ever tried. I used them and finding that I was improving, I procured a supply from Calvert's Drug Store. They cured me, and I have had no lumbago since." (Statement given January 11, 1908.)

A LASTING CURE

When Mr. Shortt was interviewed on November 18, 1911, he said: "There is nothing I can say too strong for Doan's Kidney Pills. The cure they effected in my case three years ago has been permanent in every way. I willingly confirm my former statement."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's and take no other.
