Texas Rice in Brazil.

Texas is sending the seed to
Brazil to be planted by the rice
farmers of that country. We
really ought to ship more seed-
stuff than we do, but we are im-
proving a little as the years go
by. Even up here in Grayson
county we have commenced to
put smudge pots in our orchards
to preserve the early fruit, which
has heretofore, most of the time,
been killed by frost.—Derision
Herald.

A Pleasant Physic.

When you want a pleasant physic
give Chamberlain's Stomach and
Liver Tablets a trial. They are
mild and gentle in their ac-
tion and always produce a
pleasant cathartic effect. Call at
either drug store for a free sample.

Who was or is the greatest
woman in all history? Two hun-
dred school teachers recently
answered the question, and with
enthusiasm and unanimity the
judges awarded the prize to the
one who made this reply: "The
wife of the farmer of moderate
means who does her best to
bring up a family of boys and
girls to be useful members of
society and finds time for intel-
lectual improvement."—Clipped.

For Diseases of the Skin.

Nearly all diseases of the skin such
as eczema, tetter, salt rheum and bar-
bers' itch, are characterized by an in-
tense itching and smarting, which
often makes life burdensome and disturbs
sleep and rest. Quick relief may be
had by applying Chamberlain's Salve.
It allays the itching and smarting
almost instantly. Many cases have
been cured by its use. For sale by all
dealers.

Having need of some small
change, the mistress of the house
stepped to the top of the back
stairs.

"Bessie," she called to the
maid below, "have you any cop-
pers down there?"

"Yes'm-two," faltered Bes-
sie, "but they're both my cousins';
please, ma'am."

Devqe Takes Least
Gallons: Always

Paint Devqe; it's the cheapest
paint in the world; never mind
the price; it may or may not be
more. Less gallons will paint
the house; and the paint will out-
wear anything.

Skip wear; you've got to wait
to find that out.

It's the cheapest of all; no mat-
ter about the price.

N. R. Watkins, Lott, Texas,
used 13 gallons on his house be-
fore; bought 13 gallons Devqe
for same house and had 6 left.

C. B. Edwards, of Edwards &
Broughton, printers, Raleigh, N. C.,
used 30 gallons Devqe on his house;
bought 30 gallons Devqe for same
house and had 16 left.

That's how.

SALIVATED BY
DANGEROUS CALOMEL

If You Ever Saw a Man Salivated, You
Don't Want Any More Calomel
Yourself.

There's no real reason why a
person should take calomel any-
way, when fifty cents will buy a
large bottle of Dodson's Liver
Tone—a perfect substitute for
calomel. It is a pleasant tasting
vegetable liquid which will start
the liver just as surely as cal-
omel, and which has absolutely
no bad after-effects.

Children and grown people can
take Dodson's Liver Tone with-
out any restriction of habit or
diet.

Calvert's drug store sells it and
guarantees it to take the place of
calomel, and will refund your
money if it fails in your case.

The Most Forgetful Couple.

One morning this week a
Chicago young man who awoke
with a dazed feeling that some-
thing great and epochmaking
had happened to him, and who
sat down forthwith to write a
letter.

"Dear Clara," he wrote, "you
know what a poor memory I have
and how fussed I get, and so I
am sure you will forgive the
question I am going to ask you.
I distinctly remember proposing
to you last night, but I have
completely forgotten whether
you accepted me or not. Would
you mind telling me?"

The reply came by return mail,
and the young man feels no more
than a new era has begun. This
was the answer to his note:

"Dear Jim I, too, have a poor
memory, and in writing to me
you have helped me out with a

problem of my own. I distinctly
remember saying No to someone
on the evening you mention, but
I had forgotten to whom.
Thank you for telling me."

Miss Margaret Skelton re-
turned Saturday from Exetel,
California, where she spent the
winter with the family of her
brother.

Mark Twain and the Preacher.

"Upon one occasion Mark
Twain was introduced to a well
known preacher whose church he
had attended the previous Sun-
day. The preacher ventured to
inquire how he had enjoyed the
discourse, when Mark Twain re-
plied that he would have enjoyed
it better if it had been original.

The cleric looked at him in
amazement and inquired his
meaning, remarking that he
prided himself that every ser-
mon he preached was original.

Mark Twain fixed him with a
steely eye. "Then, how comes
it, sir," he demanded sternly,
"that I have in my possession at
home a book that contains every
word you uttered?" The preacher
was greatly entertained to re-
ceive the next day a packet from
the humorist containing a copy
of an ordinary pocket dictionary.

Repels Attack of Death.

"Five years ago two doctors told
me I had only two years to live."
This startling statement was made
by Stillman Green, Malachite, Col.

"They told me I would die with con-
sumption. It was up to me then to
try the best lung medicine I began
to use Dr. King's New Discovery. It
was well I did, for today I am work-
ing and believe I owe my life to this
great throat and lung cure that has
cheated the grave of another victim."

It's folly to suffer with coughs, colds
or other throat and lung troubles
now. Take the cure that's safe.
Fifty cents and \$1.00. Trial bottles
free at Calvert's drug store.

Chester News

Rev. A. Keane is spending
the week in Palacios.

Mrs. Harold Townley is se-
riously ill with grip.

Mr. C. P. Salladay made a busi-
ness trip to Houston last week.

Claude White of Lissie was
seen on our streets last Satur-
day.

Mrs. C. P. Salladay was on the
back list the first of the week.

Mrs. C. S. Mathey, who has
been in Alexis, Illinois, for sev-
eral weeks, returned home last
week.

Mr. O. L. Miller reports five
more families due here by the
first of April.

Mr. and Mrs. Riley Miller es-
corted the young people
here last Friday evening at a
peanut roast.

Mr. and Mrs. J. C. Town-
ley and Sunday in Eagle
Lake.

Mr. Tom Larsen entertained a
number of his young friends at
the hall Tuesday evening.

George Salladay was surprised
last Saturday evening by about
twenty young people. Ice cream
and cake were served and the
crowd dispersed at a late hour,
wishing George many happy re-
turns of the day.

Martin Perry came up from
Matthews Monday for a short
visit with relatives.

The Needle-Work Club met
last week with Mrs. J. C. Town-
ley.

A couple of Mormon preachers
traveled through last week
with a view to getting up a little
excitement, but on being denied
the use of the church and school
house, shook the dust of their lit-
tle burg from their feet, and
wended their way elsewhere.

Mr. Lee Hughes became a mem-
ber of the Business League last
Thursday night, and his name
had hardly reached the member-
ship roll before he unfolded a
plan for the league to work on to
get the public road which runs
along the Southern Pacific from
here to Houston opened up be-
tween East Bernard and Rosen-
berg. To those who have travel-
ed the route to Houston over-
land, this strip of country will be
remembered readily. At this
point the autoist always left the
Southern Pacific, crossed the
country to Wallis and went down
the Santa Fe to Rosenberg. At
Richmond they strike the gravel
roads, from which point the
roads to Houston are very fine.
A petition was sent to the com-
missioners' court of Fort Bend
county, in which the above de-
scribed twelve or fifteen miles of
country lies, signed by all mem-
bers of the business league, also
of the Chamberlain Cough Remedy
and the Chamberlain Cough Remedy
of Richmond drafted one, all of
which are to be presented to the
commissioners at the April term,
asking that the road be opened
and graded and put in a uniform
condition with that of the other
public roads of that county.
Truly the undertaking is a good
one, much to the credit of Mr.
Hughes' public spiritedness. Not
only will it be a benefit to the
people of this county now who
travel overland to Houston, but
some day, it is quite likely, a
splendid road highway will ex-
tend from New Orleans to the
far west along the right-of-way
of the Southern Pacific railroad.
This road has already been built
as far as Richmond.

County Attorney Lester Holt
of Columbus was here on busi-
ness yesterday.

Many of the people who are
attending the revival meeting at
the Christian church every night
have stated to Mr. Moore, man-
ager of the Dixie Theatre, that
they would like to attend the
second show at the Dixie after
attending services, so for this
reason Mr. Moore has decided
to begin the first show fifteen
minutes later during the remain-
der of the revival, making it be-
gin at 8:30, thus giving all an op-
portunity to attend the Christian
church revival services and then
see the entire second show at
the Dixie.

The Philathea class of the Bap-
tist Sunday School met with
Mrs. J. F. Ulerly last Friday
afternoon. After the regular
business a very delightful social
hour was spent, following which
the hostess served the guests
with a delicious luncheon con-
sisting of real loaf, pickles, ol-
ives, crackers, tea, blanc mange
and cream. Next meeting with
Mrs. J. F. Ulerly.

Notice to Subscribers.

The Headlight will appreciate
it very much if all who are in
arrears on subscription will send
in their renewal subscriptions at
once. On account of the postal
ruling (that we are not allowed to
send a paper longer than one
year to a subscriber whose sub-
scription is not paid up) we will
be forced to drop all names from
our list on April first, who do
not pay up in the meantime.
Don't let the matter be delayed
longer, for if you are more than a
year behind on our books your
name will positively be dropped
from our mailing list with the
last issue in this month.
