

AX-MAN DEALS DEATH TO SIX MORE VICTIMS.

Entire Negro Family Slain at Glidden, This County,
Tuesday night—Heads Crushed With Ax.

Columbus, Texas, March 27.—A man with an ax killed six negroes at Glidden about 2 o'clock this morning. The dead are:

Lyle Finucane, aged 37.
Ellen Monroe, aged 16.
Alberta Monroe, aged 8.
Jessie Monroe, aged 11.
Dewey Lee Monroe, aged 12.
Willie Monroe, aged 10.

Each of the negroes was hit with the blunt of an ax over the right ear. Lyle Finucane's head was crushed in and beaten away from the crown to the nose. The pillows of each of the negroes are stained with blood and brains, indicating that the victims were awoken.

The principal negro under arrest attempted, it is said, to buy a ticket at Glidden for Flinton on train No. 9, but was told that the train would not stop at Glidden. When trailed by the bloodhounds this morning his shoes were still wet from a washing, and his shoes were alleged to fit the tracks in the backyard of the Monroe home.

Absolutely no motive for the deed is known.

The principal negro under arrest attempted, it is said, to buy a ticket at Glidden for Flinton on train No. 9, but was told that the train would not stop at Glidden. When trailed by the bloodhounds this morning his shoes were still wet from a washing, and his shoes were alleged to fit the tracks in the backyard of the Monroe home.

Crossing the hall to the west room the axman crushed in the right temple of three children in the bed. They were Alberta, Jessie and Dewey Lee. He completed his bloody task by stepping to a cot in the southwest corner of the room and braining Willie Monroe, who lay with the right side of the face exposed.

Not one of the four children in the west room show evidences of struggling after the blows were received. They lay in their beds apparently in the positions they had been sleeping.

Going to the back gallery, the murderer apparently washed his hands in a tin wash pan and departed the way he entered.

The bodies were found at an early hour this morning by a grown daughter of Ellen Monroe, who lives with her grandmother in a house near by.

Lyle Finucane was an octo- room of considerable intelligence. He had been employed as a caller by the Galveston, Harrisburg and San Antonio Railroad company in the yards of the Glidden division. He was married several years ago to a girl of prepossessing appearance, but

separated from her over two years ago. For the past two years he had been living at the Monroe house.

Ellen Monroe was the wife of John Monroe, who had been living at Yoakum for the past two years. She was a black negress, 46 years of age, the mother of fourteen children. When her body was found this morning it was bedecked with lace and tawdry jewelry.

Sheriff Mayes, when notified of the tragedy, put two bloodhounds on the tracks found in the back yard. The dogs followed the trail to the home of a

negro and five others have

been placed under arrest.

More Maxwell Victories.

(Special Cable to U. S. Motor car No.) Buenos Ayres, March 14.—The national automobile endurance run of Argentine Republic, which corresponds to the Glidden Tour in the United States, was won by an American car, the "Maxwell," driven by Juan Yrigoyen. Mr. Yrigoyen made a perfect score in a contest of eight days' duration, competing against skilled drivers and the best known cars in Europe and America.

The route included no hills, but encircled a great area of level land with swamps and rough roads, many of which had never been traversed by motor cars. The contest was conducted by the Argentine Motor Club under rules similar to the American Glidden Tour, which was won last fall by the Maxwell team.

Mr. Frank Causey was bitten on the hand by a young mule last week, inflicting a very painful wound. He was putting a halter on a young mule at Mr. Beggs' ranch last week when the mule bit him. The mule had to be beaten before he would open his mouth and release Mr. Causey's hand.

Miss Ray Wilson returned Wednesday from a visit to Houston.

Mr. E. A. Eignus attended a meeting of the directors of the Southern Rice Growers' Association at Beaumont the last of the week. The association has reduced the charge for commissions from 10 cents to 7 cents. This action was taken because of the fact that the amount of acreage under contract at present justifies this decrease in charge, and the association being for the mutual benefit of the farmer, should collect on their contracts no more than is necessary to cover the budget of expense, plus a reasonable margin to work on.

Mr. John Matthews and family moved to this city from Matthews Monday and are now occupying their home, the former White place, which was recently purchased by Mr. Matthews.

Glorious News
comes from Dr. J. T. Curless, Dwight, Kan. He writes: "I not only have cured bad cases of Eczema in my patients with Electric Bitters, but also cured myself by them of the same disease. I feel sure they will benefit any case of eczema." This shows what thousands have proved, that Electric Bitters is a most effective blood purifier. It's an excellent remedy for eczema, better, salt rheum, ulcers, boils and running sores. It stimulates liver, kidneys and bowels, expels poisons, helps digestion, builds up the strength.
