SATURDAY, JUNE 1, 1913

The HEADLIGHT has just re-
ceived notification from all the
paper supply houses that an ad-
vance of from ten to twenty per-
cent will be made in all papers
beginning with June first. This
is the third advance we have re-
ceived in papers within the past
few years but up to this time the
HEADLIGHT has not advanced its
prices on any class of job print-
ing, but this last advance makes
it necessary to also advance our
price on job printing—that is if
we expect to continue in the
printing business. We ask that
all our customers place their
orders now for a full supply of
printing, until June 5th, as we
may be had at our former rates.
After that date it will become
necessary for us to make an ad-
vance in all job printing from ten
to twenty per cent. This paper
trust seems as though it will
never cease "advancing" prices.

Rouge, Tex., May 27.—Yes-
terday evening at 5:30 o'clock
Miss Florence Tom, eldest daugh-
ter of P. W. Tom, living one mile
from town, was found uncon-
scious in the road about fifty
yards from the gate. She had a
large bruise on the back of her
head. Miss Tom had left to
come to town in a buggy, and
in some way she fell from the
vehicle, as there were indications
that the buggy had run over her
body. She is in a very bad con-
dition this morning, and has not
regained consciousness. Gal-
veston News.

Miss Tom is a niece of Mrs.
M. C. Yates and has often visited
in Eagle Lake.

Mrs. A. M. Waugh stopped
over in Eagle Lake for a few days
this week, en route home from a
visit to Columbus, and was the
guest of Mrs. M. D. Flowers.

A Lyceum Course.

Prof J. H. Morgan has made
arrangements whereby a series
of high class entertainments
will be given during the coming
season. The plan is to provide
these entertainments without
cost to the school children. At
least five numbers will be of-
fered at a cost of \$3.00 for a single
and \$5.00 for a double season
ticket. Be sure and get in on
the season ticket basis and save
one half of the cost. Register
now and pay by the first of
October. Every parent will no
doubt take advantage of this,
while the young men should lose
no time in proving that they in-
tend to do the right thing by
their best girls; and at the same
time show their ability as busi-
ness men. They more tickets
sold the more and better attrac-
tions for the same price.

The Demons of the Swamp
are mosquitoes. As they sting they
put deadly malaria germs in the
blood. Then follows the icy chills
and the fever. The appetite
flies and the strength fails; also
malaria often paves the way for typhoid.
But Kleoric Bitters kill and cast out
the malaria germs from the blood;
gives you a fine appetite and renew
your strength. "After long suffering,"
wrote Wm. Fretwell, of Lucama, N. C.,
"three bottles drove all the malaria
from my system, and I've had good
health ever since." Best for all
stomach, liver and kidney ills. 50c.

Hermann Runge, Mrs. William
Rinn of Austin county, Mrs.

Helps A Judge In Bad Fix.
Justice Eli Cherry, of Gillis Mills,
Tenn., was plainly worried. A bad
sore on his leg had baffled several
doctors and long resisted all remedies.
"I thought it was a cancer," he wrote.
"At last I used Bucklin's Arnica
Salve, and was completely cured."
Cures burns, boils, cuts, ulcers, bruises
and piles. 25c. at Mont. G. Cal-

Wallis, Tex., May 27.—J. H.
Harrill, proprietor of the Wanda
hotel in Wallis, died at 3 o'clock
Sunday morning from the shock
of having both feet cut off at 11
o'clock Saturday night by the
Santa Fe passenger train. The
remains left for Newton, Texas,
to be interred there.

All who were present at the
school auditorium on Tuesday
night to see the local talent play,
"Dot" were delighted with the
entertainment. All in the cast
rendered their parts well and the
play as a whole was splendidly
put on. The door receipts
amounted to \$50.00.

Prof. and Mrs. Z. A. Hall of
San Antonio, who for many
years have visited Eagle Lake,
putting on local talent shows and
teaching dancing schools, are in
the city this week, and under
their direction, at the opera
house tonight, will present Prof.
Hall's own play, "Texas Under
Six Flags" Prof. and Mrs.
Hall often visited Eagle Lake in
the early days, having taught
dancing lessons here more than
twenty-five years ago. Prof.
and Mrs. Hall have made their
rounds all over Texas for more
than a quarter of a century and
in talking over the olden times
the Professor declares that
things are not what they used to
be. He says he sees but few of
the old familiar faces in Eagle
Lake now, and it makes him
heart sick when he thinks of the
good old times he used to have
in Eagle Lake more than twenty
years ago, and on this visit to
find so few of the "old crowd"
here.

That is Free from the Dangers of
the Powerful Chemical,

relief from constipation, without
the bad after-effects which so
often follow taking calomel.

stitute for calomel, and if you
buy a bottle and it does not en-
tirely satisfy you, Calvert's drug
