Explaining Things in Brief

A few lines of explanation are here necessary so the people will know and appreciate the importance of this sale. Conditions compel us to liquidate our stock in the shortest possible time, and we fully realize that only the most drastic reductions, such as have never been presented to the public can accomplish this for us. Having been established for years, the people well know of the high-class merchandise handled by us, well know of our conservative methods. We have never inaugurated a sale, never made assertion without strictly stating the truth, the truth in the deepest sense of the word, and during this sale we will, as heretofore, zealously live up to our reputation, for our reputation is at stake. Our stock consists of the very highest grade merchandise, standard goods only, comprising complete lines of Dry Goods, Clothing, Furnishings, Hats, Notions, etc., in fact, all articles usually found in a first-class department store. Time is limited and it cannot be our concern of how much the merchandise will realize; the task before us means the utter disposal of the mammoth stock. There is but one avenue of success. "Let the goods go for what they will bring at this public sale."

Stop and Consider

No man or woman can afford to miss this golden opportunity. The cleanest, choicest Dry Goods Stock in Columbus to be sold at Public Sale at these quoted prices, at prices lower than one-half its value. To save dollars upon dollars, read this circular carefully, and remember no matter how ridiculously low the prices quoted, they are not exaggerated, they are true and backed up by the fairest guarantee. Merchants wishing to buy portions of this stock at the same retail prices listed here will be waited on only between the hours of 8 and 9 every morning.
