At the residence of the bride's brother, Mr. Elwood Stewart, Wednesday evening at 8:30, Mr. Lorin Abbe and Miss Erna Causey were united in marriage by Rev. Oscar Ferrell. Only relatives and a few intimate friends were present.

Last year in Houston, the Allison-Richey Land Co. announced that they would give absolute ownership of land

to each one of the nineteen children making the highest records in the different public schools of that city. In the list published we noted the name of little Miss Lady Stockbridge, daughter of Mr. and Mrs. D. W. Stockbridge, former citizen of this place. The land company repeated the offer this year and the list of winners was printed in last Sunday's Houston papers. Miss Lady's name again being among them. This is indeed a splendid record for the little lady and her parents must feel very proud of her. The HEADLIGHT hopes to see the day when her orange grove will bring her a big revenue in dollars and cents.

BIG CROWD LAST NIGHT

Banquet Given by The Business League Last Night Was a Successful Affair.

The lunch given last night by the Business League was a most successful and enjoyable affair. Tickets were also good for the picture show at the New Grand Theatre, and immediately after the program had been rendered at that theatre, all repaired to the banquet hall. The building now nearing completion, where the lunch awaited them. The menu consisted of ham sandwiches, iced watermelon and lemonade. Mr. Lee Hughs acted as toastmaster for the occasion and called on the following members of the league for toasts: W. M. Williamson, "Why the League Was Organized;" Fritz Engelhard, "How we May Inject Energy into the League;" How to Build a

relationship between the Farmer and the Business League;" H. E. Carey, "Progress of Our Town;" T. L. Smith, "Good Roads and How to Build Them." Covers were laid for four hundred and there were very nearly that number of ladies and gentlemen seated at the banquet tables. Mr. Hughs stated that it was the intention of the league to have a like affair for the general public about once a month. While the entertainment last night was given by the Business League it was entirely under the management of Mr. W. E. Lenhart. It was a big success, and lack of time prevents us giving a fuller account of it, but we must say to Mr. Lenhart, "You pulled off a good one, Bill."

Miss Annie Margaret Thatcher entertained Tuesday night with a hay ride, with Mr. and Mrs. J. R. Thatcher as chaperones. New Brown Bread Recipe

Never soggy—Easily made
By Mrs. Janet McKenzie Hill, Editor of
"The Boston Cooking School Magazine"

Nearly everybody likes Boston brown bread, but so many have experienced trouble with its being soggy, they have become discouraged. Here is a new recipe that cannot fail if the few simple directions are carefully followed. You will be delighted with the results.

Sift together, three times, meal, flour, salt and baking powder. Mix molasses and sweet milk and stir into dry ingredients to make a smooth batter. Turn into two empty K C Baking Powder boxes, thoroughly buttered, and let steam three hours. The bread is particularly good to serve with molasses or rare oysters; also at breakfast, as toast of all kinds.

Raisins or currants may be added, though some prefer it without.
Readers of this paper may obtain The Cook's Book containing this and 89 other delicious recipes free by sending the coupon enclosed in every 25-cent can of K C Baking Powder to the J. C. Beck Co., Chicago. Send for The Cook's Book today.

NOTICE—On account of my connection with the G. H. & S. A. Ry. Co., I have severed my relation with the Dixie Theatre, and have turned it over to my son, Vance T. Moore, who with the assistance of his mother and sister, will continue to run it as heretofore. On account of some one making a report to the company of my connection with the Dixie, I am forced to take this step. I have also noticed on two occasions old and used show tickets scattered between the railroad track and passenger depot. This, I naturally presume, was done to draw attention of the railroad officials in passing. I thank you one and all for your liberal support in the past, and earnestly solicit your further patronage in the future. The Dixie is the first first-class motion picture show that ever came to Eagle Lake, and with the assistance of my friends, it is here to stay. The Dixie promises a better show in the future than heretofore. The letter referred to above will be shown to anyone who wishes to see it by calling at my office. Hereafter I will have nothing to do with the show except to give advice in case it is needed.

W. A. MOORE.

Mr. F. S. Fussell this week brought in fifteen head of high grade Jerseys for the benefit of the Eagle Lake creamery. Everything looks very promising for our creamery and we hope it will be a paying investment from the very opening day, for every live town needs a good creamery—and the one being established here is a good one.

Mr. G. S. Adams of Chester writes us this week enclosing a five dollar bill, asking us to credit his account and keep the HEADLIGHT coming, for he says, they could not get along without it. We thank him both for the remittance and his kind words.

Miss Laura May McDonald one of Cuero's pretty and popular young ladies, is the guest of her sister, Mrs. Lyle T. Phillips.

Worry is not the only thing that kills folks—flies do their part, and with a good sewerage system in Eagle Lake there will be no breeding places for the flies. We need a sewerage system for the protection of the health of the citizens of the city to say nothing of the sanitary conditions to be derived from it. Are you in favor of an extra-tax for such an improvement which will be just as beneficial to the poorest man in the town as it will to the richest man?

Mr. and Mrs. A. C. Fox of San Antonio are the guests of her parents, Mr. and Mrs. A. R. McCrary.

NOTICE TO THE PUBLIC—This paper wants all the news items it can get every issue, and will thank its friends and readers to mail or telephone the office of news items at any time. The paper has the right to revise or curtail any and all communications before going into print, which, of course, is understood by all who are accustomed to writing for newspapers.

Mr. U. G. Delano of Yeakum, formerly a citizen of Eagle Lake, visited friends here Tuesday.

Miss Bessie Douglass of Lexington is the guest of her cousin, Miss Aline Douglass.

WANTED—Three or four cars of good prairie hay.
