Sanitation is Essential and Eagle
Lake Needs a Sewerage.

"The construction of an adequate sewerage system in Eagle Lake" is being advanced by THE HEADLIGHT. As a matter of fact too many of our smaller towns are withheld in progress because of laxity in doing things—sanitation is about as essential to a man's well-being as clothes for his back—and why hold off. Just because it might cost a few dollars more per year, flimsy excuse, for a fact. Every small town ought to start right out on a sewerage and drainage system, and supposing it increases your tax a bit, ever stop to think that no town was ever built without some sacrifice or expenditure? What's more our sanitary laws need rigid enforcement to guard against sickness and disease, you'll be able to help in doing it, by putting in your system. What's more, every dollar you spend in some municipal improvement of that nature, is coming back to your individual property owners, three to one, and many's the man who goes thru your town, seeing those needed improvements in actual effect, will stop off and buy your land, ten to one, quicker than he would otherwise. It's just a question of a little grey matter and here's hoping that every newspaper in the smaller towns will "agitate" as the HEADLIGHT is doing, and good luck to you, Eagle Lake.—Rosenburg Herald.

If you are a housewife you cannot reasonably hope to be healthy or beautiful by washing dishes, sweeping and doing housework all day, and crawling into bed dead tired at night. You must get out into the open air and sunlight. If you do this every day and keep your stomach and bowels in good order by taking Chamberlain's Tablets when needed, you should become both healthy and beautiful. For sale by all druggists.

Stock Law Election.

In Chambers:

Whereas, upon the petition of more than fifty freeholders, resident citizens of Justice Precinct No. 8 of Colorado County, the Honorable Commissioners' Court on the 14th day of May, 1912, made and entered an order for an election to be held for the purpose of determining whether or not horses, mules, jacks, jennets, and cattle shall be permitted to run at large within said Justice Precinct, which said precinct or subdivision is more fully described by metes and bounds as follows, to-wit:

Beginning on the East bank of the Colorado River at the North West corner of the G. S. Snider League, being the South West corner of Justice Precinct No. 7; thence down the Colorado River with its meanderings to the Wharton County line; thence North Easterly with the line between Wharton and Colorado Counties to the San Bernardo River, being the Austin County line; thence up the San Bernardo River with its meanderings to the South East corner of H. & T. C. R. R. Co's. Survey No. 3, being the South East corner of Justice Precinct No. 6; thence West with the South lines of the said H. & T. C. R. R. Co's. Survey No. 3 and M. A. Posey Survey to the West corner of the Posey Survey; thence South-west with the line of the German Immigration Co's. Survey to its South corner; thence North West with the line of the George Brune Survey to its North corner; thence South West with the line of the Adam Becker survey to its South corner; thence North West with the line of the Columbus Tap R. Alley League to the place of beginning.

Therefore, pursuant to the order of the Honorable Commissioners' Court, and by virtue of the authority vested in me by the Constitution and Laws of the State of Texas; it is hereby ordered that an election of the freeholders who are also qualified voters, residing within said Justice Precinct No. 8, shall be held in accordance with law on

Saturday the 27th, day of July A. D. 1912, and the polls for said election shall be opened at the usual voting place in the City of Eagle Lake, within said Justice Precinct, and all voters at said election desiring to prevent the animals designated in this order from running at large within the said subdivision shall place upon their ballots the words "For the stock law," and those in favor of allowing such animals to run at large shall place upon their ballots the words "Against the stock law."

It is further ordered that A. J. Wirtz be appointed Presiding Officer of said election and W. Y. Westmoreland, Robert E. Walker and H. P. Hahn be appointed Judges, who, collectively shall constitute the managers of said election, and they are hereby fully authorized, empowered and directed to appoint their clerks, and to hold said election and make return thereon as the law provides.

It is further ordered that public notice of said election shall be given by the publication of this order in the Weimar Mercury, a newspaper published in Colorado County, for at least thirty days before the day of election.

In testimony whereof, I hereunto place my official signature, together with the seal of my office, at Columbus, Texas, this 24th day of June, A. D. 1912.

Truitt, State St., Eagle Lake, Texas, says: "For two years I have used Doan's Kidney Pills, procured at Calvert's Drug Store, at any indication of disordered kidneys and I don't mind saying that they have always given me relief. For years kidney complaint had bothered me and caused me annoyance. What Makes a Woman?

One hundred and twenty pounds, more or less, of bone and muscle don't make a woman. It's a good foundation. Put into it health and strength and she may rule a kingdom. But that's just what Electric Bitters give her. Thousands bless them for overcoming fainting and dizzy spells and for dispelling weakness, nervousness, backache and tired, listless, worn out feeling. "Electric Bitters have done me a world of good," writes Eliza Pool, Dewey, Okla., "and I thank you with all my heart for making such a good medicine." Only at Calvert's Drug Store.

Kicks and Complaints.

I said to the butcher Jones: "Your mutton is mostly bones, and your mildewed beef fills my soul with grief, and your fish is hard as stones. Your chickens are on the blink, and your lard and your bacon stink. So I'll cross the street for a bunch of meat—they sell better goods, I think. The butcher he said: "Your verse I'm certain, could not be worse; it's enough to make a dead man break the doors from the village hearse. The man who would write such rhymes should lie in jail betimes with fetters to bind the wrists behind to keep him from further crimes." I said to this Jones next day: "I've come my accounts to pay; you are selling meat, that cannot be beat, and a tribute should come your way." The butcher he said to me: "I read all your rhymes with glee; they are out of sight and I hope you'll write till the end of eternity."

same; you climb on a neighbor's frame, and he'll swat you back with an ugly whack and show he can play that game. You hand him a nice bouquet and a scheme that will surely pay; for he'll rake around till a rose he's found, and the same he'll pass your way.—Walt Mason.

The New Tin Shop, on Main Street, one door below the Eagle Lake Furniture Co., wants your business. We have Mr. George Wallace, whom you all know is a finished plumber and an expert tinner, with us.
