SATURDAY JULY 27, 1912

There are two candidates for
the democratic party's nomination
to the office of lieutenant
governor—Will H. Mayes and
Wiley M. Imboden.

Will Mayes is the editor of the
Brownwood Daily Bulletin. He
is a man of good business ability
and of high character. He is
the only Texan who was ever
elected president of the National
Press Association. In politics
he is a vigorous progressive. He
opposed Bailey and was one of
the first editorially to advocate
the nomination of Woodrow Wil-
son for president. He is a splen-
did citizen and in every way
worthy of the honor to which he
aspires.

Mr. Imboden defended Bailey
and advocated Harmon in Texas
against Wilson. He is politically
a reactionary, and does not re-
present the Texas democracy's
desire for a new deal and more
liberal ideals. He is and has
been allied with that faction of
the Texas democracy which has
fought and which is still fighting
against progressive policies. His
one continuous editorial indorse-
ment is the Houston Post—Houston
Chronicle.

If you are a housewife you cannot
reasonably hope to be healthy or
beautiful by washing dishes, sweep-
ing and doing housework all day,
and crawling into bed dead tired at night.
You must get out into the open air and
sunlight. If you do this every day
and keep your stomach and bowels in
good order by taking Chamberlain's
Tablets when needed, you should be-
come both healthy and beautiful. For
sale by all druggists.

Mrs. Geo. H. Northington, Sr.,
Mrs. Sadie Menefee and Master
Reid Westmoreland, Jr., left
yesterday for a visit to Manitou,
Colorado.

Miss Cora Cooper is visiting in
Houston, Beaumont and Orange.

In testimony whereof, I here-
unto place my official signature,
together with the seal of my of-
fice, at Columbus, Texas, this
24th day of June, A. D. 1912.

Mr. J. D. Arnitt of Bonus was
a visitor in the city last Friday.
He says they are having an epi-
demic of snakes in his section,
that he has killed twenty large
chicken snakes and one big rat-
tler in his chicken lot during the
past week. He says some of the
chicken snakes had swallowed
chickens that were as large as
full grown quails.

Miss Madeleine Oldham of
Houston, who has just returned
from a two years' stay in Seattle,
Wash., arrived in the city Thurs-
day for a visit to her aunt, Mrs.
J. W. McCarty.

Brought to Light

Eagle Lake People Receiving the Full
Benefit.

There have been many cases
like the following in Eagle Lake.
Everyone relates the experience
of people we know. These plain,
straightforward statements will
do much toward relieving the
suffering of thousands. Such
testimony will be read with in-
terest by many people.

Osborn Walker, retired farm-
er, Eagle Lake, Texas, says: "I
can strongly recommend Doan's
Kidney Pills to sufferers from
kidney trouble. It is a fact that
this remedy has done me great
good and for two years I have
been so free from symptoms of
kidney trouble that I have not
had to resort to it. Disorders of
the kidneys, lameness across the
small of the back and weakness
of my kidneys caused me much
suffering. At times it was im-
possible for me to get up or
down or to use my back in any
way. I finally used three boxes
of Doan's Kidney Pills and a
cure resulted. At Columbus
where I formerly lived I have
known of many who have used
Doan's Kidney Pills just as suc-
cess as myself."

For sale by all dealers. Price
50 cents. Foster-Milburn Co.,
Buffalo, New York, sole agents
for the United States.
Remember the name—Doan's
—and take no other.
