Dry Cleaning and Pressing Establishment.

Messrs. C. E. & R. W. Ulery have just completed an additional building to their laundry plant for dry cleaning, dyeing and pressing. The room is being equipped with the necessities to make it as fine a dry cleaning and pressing plant as any in the state of Texas. All men's suits, ladies dresses, etc., will be called for at your home and delivered free of charge. All suits and dresses will be delivered to you on hangers in our laundry wagon eliminating the necessity of folding your clothes after pressing which means quite an item with newly pressed clothes. Give us a trial; prices reasonable. We guarantee all our work. If we please you, tell your friends, if not tell us. Yours for business, Eagle Lake Steam Laundry.

THE BUSINESS LEAGUE HAS PURCHASED FIFTY THOUSAND EAGLE LAKE ADVERTISING ENVELOPES

These Envelopes Will Contain Descriptive Matter of Eagle Lake on Back, With Pictures of the Business Square, the Sugar Refinery, the Rice Mill and the School Building.

The Business League has placed an order with the HEAD- LIGHT for a large quantity of advertising envelopes. These envelopes will contain a picture of the square and city park, the school building, the rice mill and the sugar refinery, also the return card of the firm using them. Also among these pictures is the wording, "Eagle Lake, Texas, a Good Place to Live." On the back of the envelope will be a short description of our city and surrounding country. The Business League hopes that the various firms and individuals will give these envelopes liberal use in their correspondence. The envelopes are being made at the factory especially to order and are expected to be here and ready for delivery within the next ten days. The League will sell you these envelopes at a very close figure and hopes to be favored with an order from every firm in the city. Book your orders for these envelopes now with Mr. Hayes Stephens, who is chairman of this committee.

Will H. Mayes For Lieutenant Governor.

A great many papers of the state are filled with such paragraphs as the following, concerning the candidacy of W. H. Mayes for Lieutenant Governor.

"If the people of Texas desire to honor a citizen who is every way qualified to reflect credit upon the position to which he aspires they can do no better than elect Will H. Mayes as their Lieutenant Governor. With those who know him best he stands highest."—McGregor Mirror.

"Mr. Mayes is a man of free, proachable character and well qualified in every respect to acceptably fill the office. His chances for election are exceptionally flattering."—Hallettsville Herald.

"The Herald editor knows Mr. Mayes well and can say that he is a capable and broad gauged man. He is a splendid parliamentarian and a man who would do honor to Texas."—Memphis Herald.

Tell Me Where You Live—and I'll Tell You What Paint to Get

Lincoln Climatic Paint Simplifies the Paint Question
It is easy for you to secure just the right paint for your locality—paint particularly manufactured to fit the climate you live in. Merely refer to the map above—or to the elaborate climatic map on exhibition at our store—and you can determine the correct formula of Lincoln Climatic Paint you need. This paint, barely a year on the market, has fairly amazed to fame. Its success has been everywhere. Nothing like it has ever been made before. Other manufacturers make their paints on the same formula for sale—on the incorrect assumption that this is a one-climate country.

Lincoln Climatic Paint
(Completely Machine Mixed and Ground)
Lincoln Trade Mark covers a complete line of highest grade paints, varnishes and general paint specialties for all purposes.
