Lissie Happenings

Miss Alma Balke entertained Friday night complimentary to Miss Dora Kulmann of Cold Camp, Missouri. Music and games made the evening pass pleasantly, and at a late hour ice cream and cake were served.

Mr. Frank Ferrel returned to Houston Sunday after a two weeks' visit with his parents, Mr. and Mrs. C. W. D. Ferrel. Mr. Ferrel holds a responsible position with the Lumberman's National Bank at that place.

Mrs. J. Convil entertained the Woman's Missionary Society Friday. Five new members were added and two visitors were present. The hostess served dainty refreshments after the program. The next meeting will be with Miss Causey.

A jolly crowd surprised Mr. and Mrs. J. M. Eoritt Tuesday

night with a "Backward Party." They presented a weird appearance as they marched up the walk backward. The backward idea was carried out by wearing their clothes backward. The men looked especially funny with suspenders crossed in front and ties hanging down their backs.

Mr. Daniel Brandstatter returned to his home in Melno, Iowa, Wednesday after a visit to Mesdames Ned Hoadley and Ben McCormick.

There will be services at the church Friday night by a visiting minister. Come out.

Money to Loan—At 6 per cent on farms or city property.

One of the most common ailments that hard working people are afflicted with is lame back. Apply Chamberlain's Liniment twice a day and massage the parts thoroughly at each application, and you will get quick relief. For sale by all Druggists.

Chesterville News

Mrs. Maltby is the proud possessor of a new automobile.

Misses Elsie Fisher and Edna Hunt were shopping in Eagle Lake Wednesday.

Mrs. Geo. McLain of Austin is visiting Mrs. Maltby and also relatives in the country.

A crowd from Chesterville spent Saturday night on the Colorado river. They report a good time, but a poor catch.

R. S. Simmons and wife of Eagle Lake called on Mrs. Fisher Saturday evening. They were accompanied by the latter's daughter, Katie.

Tommie Larson left last week for an extended visit to relatives and friends in Missouri. It is whispered he may not return alone.

O. L. Miller and Mr. Sailaday made a flying trip to Galveston last week in an automobile. They were accompanied by Mr. Chester of Eagle Lake.

The ice cream supper given by the Sunday School was a grand success. The net proceeds amounted to \$14.00, which will be used to purchase chairs for the kindergarten department. The Sunday School returns thanks to all who gave assistance.

A vast amount of ill health is due to impaired digestion. When the stomach fails to perform its functions properly the whole system becomes deranged. A few doses of Chamberlain's Tablets is all you need. They will strengthen your system, regulate your liver, and regulate your bowels, entirely doing away with that miserable feeling due to faulty digestion. Many others have been permanently cured—why not you? For sale by all Druggists.

Sickened The Owl.

"I love you, darling, more than you love me," sighed the swain. "Ah, that is impossible, precious," she whispered back, "for I love you better than you do me."

"You cannot!" "But I do!" "You do not!" he argued. "When I say a thing I stick to it!" she snapped.

An owl shifted uneasily above them. "Pardon me, Gwendoline!" "Pardon me, Eustace!" "Miss Brown!" "Mr. Jones!"

The owl hooted dismally, and sought another bower.

Mr. W. S. Gunsalus, a farmer living near Fleming, Pa., says he has used Chamberlain's Colic, Cholera and Diarrhoea Remedy in his family for fourteen years, and that he has found it to be an excellent remedy, and takes pleasure in recommending it. For sale by all Druggists.

Eagle Lake needs a sewerage system and it needs it badly.

Hopelessly Tangled.

Professor Thinkout was about to be married, and had just received an invitation to his own wedding, which he had absentmindedly mailed to himself.

"Well, well," he mused, "what does this mean? My fiancée's name on a wedding invitation! The faithless hussy! And great Logarithms! There's my name on it, too. Either she's untrue, or I'm about to be a bigamist."

"Were all medicines as meritorious as Chamberlain's Colic, Cholera and Diarrhoea Remedy the world would be much better off and the percentage of suffering greatly decreased," writes Lindsay Scott, of Temple, Ind. For sale by all Druggists.

"What did Mrs. Kloseman give you for cutting her grass?" asked Tommy's mother.

"Nothin'," replied Tommy. "Why, she promised you ten cents, didn't she?"

"Yes, but then I used her sickle to do it with, and she charged me ten cents for the use of it."
