

Studebaker

Always Ready

From the moment a Studebaker (Flanders) "20" is delivered, you have a car ready to go on the job. It will stand up to its work day in and day out—take the hills and rough places as cheerfully as the smooth, and the only care it asks is lubrication.

Studebaker cars are built for honest everyday service, and will give you service—not excuses. You can start on the longest journey in full confidence that you will finish as strong as you began.

Mechanical stability, beauty of design, simplicity of control, low price and low upkeep cost combine to make the Studebaker "20" an ideal car.

The \$800 Studebaker (Flanders) "20"

Price, Standard Equipment, \$800 f. o. b. Detroit. Equipped as above, with Top, Windshield, Front-Clutch Tank and Speedometer, \$885.

DE LAVAL CREAM SEPARATOR

The Most Simple Separator Ever Built

DE LAVAL CREAM SEPARATORS EXCEL ALL OTHERS not only in thoroughness of separation, sanitary cleanliness, ease of running and durability—but as well in their great simplicity.

DE LAVAL COMBINATION WRENCH

The only tool required in setting up, taking down or in using The De Laval Cream Separator

THERE IS NOTHING ABOUT THE OPERATION, CLEANING, adjustment or repair of a modern De Laval Cream Separator which requires expert knowledge or special tools.

NOR ARE THERE ANY PARTS WHICH REQUIRE FREQUENT adjustment in order to maintain good running or to conform to varying conditions in the every-day use of a cream separator.

IN FACT, SO SIMPLE IS THE CONSTRUCTION OF A De Laval machine that a person who has never touched a separator before can, if need be, take a modern De Laval machine completely apart within a few minutes and then put it together again as quickly.

THERE IS NOTHING ABOUT THE MACHINE THAT CANNOT be taken apart, removed or replaced by any one who can use a wrench or screw driver. In fact, the only tool which is needed in the use of the operation of a De Laval Cream Separator is the combination wrench and screw driver illustrated above, which is furnished free with every machine. Drop in some day soon and let us show you a De Laval. You can see for yourself that it is built to give the best service.

EAGLE LAKE

Obituary.

Edward Temple Hoadley was born June 18th, 1882, near Allison, Butler County, Iowa. He lived there until the age of fourteen years when he came with his family to Eagle Lake. On February 1st, 1905, he was united in marriage to Miss Brandstatter, and to this union were born two children, Glen Temple, whom the Merciful Father called to his home two years before the fatal accident that caused his father's death on Sunday evening, July 14th, 1912. He leaves to mourn his loss, a loving wife and dear little daughter, Edna May, a fond and loving mother, two sisters, Mrs. Frank Kellison of Chesterville, and Mrs. Oliver Reese of Serena, Illinois, who have lost a dear, brave and noble brother and son, besides a host of sorrowing friends, in whose memory will ever linger loving thoughts of the absent one.

There will be a vacant chair, We shall linger to caress him, As we breathe our evening prayer.
—A FRIEND.

Mrs. J. P. Anderson, Miss Bettie Frazier, Mrs. Donna Harbert and Mrs. Estep Brown left Thursday for Corpus Christi. Mr. Joe Frazier left the day previous going in his Overland car. They have rented a cottage there and will spend the remainder of the summer in Corpus.

What Makes a Woman?

One hundred and twenty pounds, more or less, of bone and muscle don't make a woman. It's a good foundation. Put into it health and strength and she may rule a kingdom. But that's just what Electric Bitters give her. Thousands bless them for overcoming fainting and dizzy spells and for dispelling weakness, nervousness, backache and tired, listless, worn out feeling. "Electric Bitters have done me a world of good," writes Eliza Pool, Depew, Okla., "and I thank you with all my heart, for making such a good medicine." Only 50c. Guaranteed by Calvert's Drug Store.

The A. B. S. Sunday School class of the Methodist church entertained the girls of A. F. C. class Monday night at the home of Dr. and Mrs. Geo. W. Cross, and a delightful evening was spent. Those present were: Dr. and Mrs. Cross, Dr. and Mrs. Doole, Mrs. Ray Ulery, Mrs. Ina Woodridge, Mrs. W. D. Beggs, Misses Cleo, Ruthabel, Lou Es and Alta Cross, Ray Wilson, Edith and Frances Hanly, Verna Foster, Sue and Norrie Webb, Bessie Lena Yates, Ora Larey, Hettie Drescher, Beatrice Faber, Mary Middleton and Lizzie Arnett; Messrs. Carl Diddleston, Joe Renshaw, Lyle Fordyce, Bonnie Faber, Dr. E. C. Beck, W. R. Perkins, A. E. Anderson, Noel Ice, Preston Wicker, George Hayman, Harry Grote and Stafford Taylor. After some interesting games, the guests were served with delicious ice cream and cake.

Mrs. Wm. Crochell of Houston and Miss Ella Schneider of Galveston are the guests of Mrs. C. H. Brosig.

Don't forget to come to town Saturday night and witness the HEADLIGHT's returns of the state democratic primary. The bulletins given Saturday night will be the most accurate and complete ever given in a state election. The bulletins will be given by stereopticon machine from an upstairs window in the HEADLIGHT office and will be witnessed by a very large crowd. These bulletins will be the same shown at the same time in all the large cities by all the leading daily papers of the State. The Southwestern Telephone Company will furnish the HEADLIGHT with these returns, and the telephone company will handle them in the most systematic order ever given to election returns in this state. These returns will be correct and every bulletin shown by this paper Saturday

night can be relied upon as absolutely correct. At intervals of every thirty minutes the standing of the candidates of the entire vote received in the state up to that time will be shown on the canvas.

DID YOU EVER RIDE IN A NARROW TREAD BUGGY?

In the North where automobiles were first manufactured, 56 inches is the Standard tread for all wagons and buggies, and naturally automobiles were built the same way. There same cars were shipped South; we bought them because we could get no others. However, better times have come, and today the Studebaker Corporation is making their cars in a 60 inch Tread (the same as our wagons and buggies) specially for the Southern trade.

There is the same difference between a 56 inch tread Auto and 60 inch tread, as there is between a Narrow Tread buggy and the regular Standard 60 inch Tread. The wide tread (60 inch) enables the driver to select smoother roads, making the car ride easier, and is of immense advantage in sand, by allowing the wheel to follow in the beaten path, rather than digging out a new path in the sand. The fellow who can't supply these, will tell you that your tires will be ruined by running in the deep ruts. This is true to some extent, but it is still worse if you run in the ruts with a 56 inch tread.

Mr. Raymond Clough, nephew of Mr. and Mrs. H. J. Frick, was here on a visit last week. Mr. Clough's home is in Rock Island, Illinois, but he is employed in St. Louis by the St. Louis Terminal Co., in the office of the assistant auditor. He left Thursday noon to complete his visit through the South. Mr. Clough praised Eagle Lake very highly and said this vicinity has wonderful prospects.

The East India Medicine Co., with about ten people is here this week giving entertainments nightly on the Keith lot. The shows are being largely attended, and the singing, dancing and one-act forces given by the company are above the ordinary. With the company is "Elastic Jack," who, more than twenty years ago, often visited Eagle Lake, at that time being a member of the Dr. Wood's Medicine Show, which was well known.

Some one entered the home of Mr. E. P. Via on last Tuesday night and departed with a Waltham movement watch, six dollars in cash and a pocket knife more than he arrived with. The empty pocket book was found in a nearby yard where, no doubt, it had been thrown by the thief when he was returning from the Via home.

The three cement arch bridges on the Alleton road, between Alleton and the W. J. Wright place, put in by Commissioner T. J. Roberts, have been completed. Mr. Wright, who is over-seer on this road, is putting in some excellent work. This road, which has for a long time been in bad shape, will soon be one of the best roads in the county.

Notice

If you live outside of the school district and wish to send your children to the Eagle Lake schools, have them transferred before August 1st. If you live in Colorado County, notify C. K. Quinn. If in Wharton county, give names of children you want transferred to Superintendent of Wharton county. Do it now.

"FIRE'S OUT"

Then comes the matter of insurance. Certain questions should not arise to worry you at such a time. You should not be worried by the question of whether you are insured in a company that dickers and delays over settlement. You should not be worried over the question of whether the company can pay the claim. To be insured with us eliminates these worries. We represent forty of the largest old line companies in the world.
