DON'T PUT OFF BUYING A DE LAVAL ONE DAY LONGER

IF you are selling cream or making butter and have no separator or are using an inferior machine, you are wasting cream every day you delay the purchase of a De Laval.

There can only be two real reasons why you should put off buying a De Laval; either you do not really appreciate how great your loss in dollars and cents actually is or else you do not believe the De Laval Cream Separator will make the saving we claim for it.

To both of these objections we answer: "Let us set up a machine for you on your place and see for yourself what the De Laval will do."

You have nothing to hazard and we know from many similar experiences that you have everything to gain.

When will you be ready to let us "show you"?

Brown & Schleicher EAGLE LAKE

Eagle Lake, a city of boulevard streets lined with trees selected and planted with a view to beauty, symmetry and harmony shade and comfort—is there a man or woman who would not wish to see such a plan realized? It can be. Already there is a movement started to have the state legislature pass laws authorizing every city and village in the state to appoint a tree warden whose duties shall be to have charge of such work and of the protection and care of trees after planting. Many towns are already working under such plan, and the improvement noted in these towns is wonderful. At the meeting of the Farmers' Congress and State Horticultural society at A. & M. College last week this matter was earnestly discussed and strong resolutions were drawn up asking the legislature to act quickly for the protection of trees now growing and for the encouragement of planting.

Elsewhere in this issue will be found a page advertisement of the Sherrill Mercantile Co., Eagle Lake's new store, announcing their opening on Aug. 3, which is tomorrow. They are located in the building formerly occupied by the Farmers & Merchants State Bank and F. S. Uler & Son's jewelry store. We take pleasure in recommending these people, not as new acquaintances but as people with whom we had dealings before. They also conduct a store at Temple. While the writer held the position of ad setter on the Rogers News, which is twelve miles from Temple, it was his duty to set from a half to a full page ad for this firm practically every week during his six months stay there, and visited their store occasionally. These people are very reliable and if they conduct their Eagle Lake store on the same principles as they do their Temple store, they will be great benefactors to the city. They are great believers in printer's ink, and whatever you see in their ad, you may count on being so—Garwood Express.

The Sherrill Mercantile Co. is the latest addition to Eagle Lake's business concerns, having opened up with a big stock of goods, and the new company has been doing a good business since the opening day. The new concern is managed by Mr. Jno. W. Day, a most pleasant and accommodating gentleman, who invites you to call at their place of business and get acquainted with The Sherrill Mercantile Co.

Johany had been told to sit down and study his lesson quietly. In a few minutes his mother heard a fretful voice exclaim: "Mother, didn't you tell me the other day that God knows everything?" "Why, of course, my son," she answered. "Well," he responded dubiously, "I've been waiting for ten minutes for Him to tell me how much ten times five is and I don't believe He knows."

A Larger Mercantile Establishment For Garwood.

A new stock company has been formed which will take charge of the McClanahan Mercantile Co., and the name of the new firm will be The Garwood Supply Co., incorporated, capital \$10,000. Messrs. McClanahan and Field will still retain an interest, while there will be ten or twelve other stockholders in the firm, all prominent and substantial men. Mr. E. A. Marvel of Rock Island, who also purchased stock in the company, will probably be the manager. A meeting of the stockholders will be held next Saturday, at which time officers and directors will be elected, and we will then give a full outline of the firm. The purpose of this new firm is to put in a larger and more complete stock of goods of all kinds, so as to more fully meet the demands of the public.

Proposed Amendment To The State Constitution So As To Authorize The Grant Of Aid To Indigent And Disabled Soldiers And Sailors And Their Wives.

(S. J. R. No. 9.) SENATE JOINT RESOLUTION.

Senate Joint Resolution to amend Section 51, of Article 3, of the Constitution of the State of Texas, so as to authorize the grant of aid to indigent and disabled Confederate soldiers and sailors and their widows, and to disabled Confederate soldiers and sailors and their widows, and to grant aid for the establishment and maintenance of a home for the indigent and dependent widows and widows of Confederate soldiers and sailors, and such women as aided the Confederacy, and authorize a special ad valorem pension tax, and making appropriations for same.

Be it enacted by the Legislature of the State of Texas: SECTION 1. That Section 51, Article 3, of the Constitution of the State of Texas be so amended as to hereafter read as follows:

ARTICLE 3. Section 51. The Legislature shall have no power to make any grant or authorize the making of any grant of public money to any individual, association of individuals, municipal or other corporation whatsoever; provided, however, the Legislature may grant aid to Texas prior to January 1, 1900, and their widows in indigent circumstances, and who have been bona fide residents of the State of Texas since January 1, 1900, and who were married to such soldiers and sailors anterior to January 1, 1900; to indigent and disabled soldiers, who under special laws of the State of Texas, during the war between the States served for a period of at least six months in organizations for the protection of the frontier against Indian raids or Mexican marauders, and to indigent and disabled soldiers of the militia of the State of Texas, who were in active service for a period of at least six months during the war between the States, to the widows of such soldiers who are in indigent circumstances, and who were married to soldiers prior to January 1, 1900, provided that the word "widow" in the preceding lines of this section shall not apply to women born since 1861, and also to grant aid for the establishment and maintenance of a home for said soldiers and sailors, their wives and widows, and women who aided in the Confederacy under such regulations and limitations as may be provided for by law; provided the Legislature may provide for husband and wife to remain together in the home.

The Legislature shall have the power to levy and collect, in addition to all other taxes heretofore permitted by the Constitution of Texas, a State ad valorem tax on property not exceeding five cents on the one hundred dollars valuation for the purpose of creating a special fund for the payment of pensions for service in the Confederate Army and Navy, frontier organizations and the militia of the State of Texas, and for the widows of such soldiers serving in said armies, navies, organizations, or militia.

SECTION 2. The Governor of the State is hereby directed to issue the necessary proclamation for the submission of this amendment to the qualified voters of the State of Texas at the general election of State officers, in November, 1912. At which election all voters favoring this amendment shall have written or printed on their ballots the words: "For the amendment to Section 51, Article 3 of the Constitution relating to increase of Confederate pensions;" and the voters, opposed to said amendments shall have written or printed on their ballots the words: "Against the amendment to Section 51, Article 3 of the Constitution, relating to increase of Confederate pensions."

SECTION 3. The sum of \$5,000.00 or so much thereof as may be necessary, is hereby appropriated to pay the expenses of carrying out the provisions of this resolution.

A Tribute of Respect.

Paid to the honored dead by the colored people of Eagle Lake and surrounding community.

That whereas on the morning of the third day of August, 1912, it pleased our Heavenly father to take from our midst one, Mr. J. P. Anderson,

Whereas, it is ours at all times and everywhere to bow submissively to the mandates of our Lord, and

Whereas, it is ours to acknowledge our father's goodness to us even in the midst of our keenest afflictions;

Therefore, be it resolved that we the colored people of Eagle Lake community in meeting assembled, do acknowledge now and here that in the death of Mr. Anderson we have lost one of our dearest Christian friends; resolved:

That each of us in these resolutions, tender, our deepest sympathies to those on whom the pains of sorrow fall; resolved:

That we shall ever hold dear in our hearts the memory of such a friend as Mr. Anderson proved himself to be to the negro race; resolved:

That each of us in his time and opportunity will visit his last resting place and there contribute something to his memory.

B. H. DAILY

The railroad motor car of Mr. Jack Yarrell, block signal man for the Sunset, while being driven by him yesterday evening at a high rate of speed near Notawata, struck a small rock left on the rail by the section gang and derailed, violently throwing the driver to the ground and painfully injuring his leg, but breaking no bones. Mr. Yarrell was brought to Eagle Lake after the accident in Mr. J. R. Westmoreland's auto, which was at Notawata at the time. Mr. Yarrell will leave today for the railroad hospital in San Antonio.

Miss Josie Burttschell of Mentz is the guest of her sister, Mrs. Wm. Kotzebue.

A telegram was received by relatives here Wednesday evening of the serious illness of Dr. F. O. Norris in New York City. Dr. J. K. Davidson and Mr. Jack Davidson left same night for that city. Another message was received yesterday evening that the doctor's condition was somewhat improved.

Do you know why you would rather pay more for a house on a well kept boulevard and tree-lined street than the same house on the ordinary dirty street?

Attorneys H. W. Carothers and W. F. Brown of Houston, former Eagle Lake citizens, were business visitors in the city the early part of the week.

This is a day of push and progress—and advertising is the key note to progress. Firms that do not advertise are considered non-progressive by the buying public of today—and the progressives are the ones that are building towns. Through their advertising, trade is brought to the towns and through trade towns grow and prosper. Every progressive citizen should patronize the progressive firms—the advertising firms—the ones that are doing something to build up the town.

Fresh Vegetables received every Tuesday, Thursday and Saturday. Burttschell & Kotzebue.
