We purchased our goods early and picked up the very cream of the offerings at the closest prices. All these goods have now arrived and we are rapidly unpacking them and we are all quite as enthusiastic over them as was our buyer. We are anxious for our friends and customers to have the opportunity to examine the entire collection. It has therefore been decided to open the fall season with this grand display, commencing

Mr. Customer: It will pay you to visit Nussbaum's store next week. Our stock is the largest in Eagle Lake and prices are the lowest. I also wish to state that I am in a position to, and will meet any competition in Houston or San Antonio. By patronizing your home merchant you are helping to build up your home town.

We draw your attention to the items on this page which are only a few of the hundreds to be found in our store as this limited space allows us to only describe a very small percentage of them.

We Extend a Cordial Invitation to the Ladies to Examine our New Fall Suits, Coats and Ladies' and Misses' Dresses
