

IF YOU HAVE A SURPLUS OF HAPPINESS

During the holiday season why not telephone a part of it to some one who has less?

The Telephone is the great limitless pathway over which the CHRISTMAS SPIRIT can travel and cheer the hearts of loved ones from whom you are widely separated.

Tonight—Friday night—The Dixie is going to show a program that you could miss, but if you do miss it you'll regret it tomorrow.

Cole's Hot Blast Heater maintains a continuous fire, also a steady, even heat. It will hold fire from Saturday night until Monday morning (48 hours). It will hold fire over night with less coal than any other stove. Open the drafts in the morning and the room is quickly heated with the coal put in the night before. Come in and examine Cole's Original Hot Blast Heater. Price \$12.00 and up, according to size. (R-11)

Hefley-Mickow Wedding

Mr. R. W. Hefley and Miss Lottie Mickow were quietly married at the home of the bride's parents, Mr. and Mrs. J. H. Mickow near Alleyton Wednesday. Only relatives and a few friends were invited. The pretty home was tastefully decorated for the occasion and promptly at eleven o'clock the bridal party entered the parlor, while Mrs. Epperson, sister of the bride, beautifully rendered "Bridal Chorus," and made soft music during the impressive ceremony. The beautiful ceremony was performed by Father Daniel T. Buberich of the Catholic church of Frelsburg. The bride wore an exquisite gown of lace over white satin; while the maid of honor, Miss Addie Mickow, sister of the bride, was charmingly gowned in white mull beautifully trimmed in lace. She entered the parlor with Mr. Geo. Hefley, brother of the groom, acting as best man. After congratulations, the guests were invited into the dining room where a sumptuous dinner was served. Many beautiful and costly presents were received. The bride's traveling dress was a navy blue serge coat suit, white hat, shoes and gloves. The groom is a wealthy young ranchman, formerly of Johnstown, Pa. He has been a citizen of our vicinity for the past three years and during this time has made a wide circle of friends here. Mr. and Mrs. Hefley left amid a shower of rice and good wishes for a honeymoon trip to Houston and Galveston. They will be at home after October 12th in their beautiful new bungalow home, five miles north of Eagle Lake.

Let it be "The Dixie Tonight For Me," for tonight's bill at the Dixie is something extra good.

Mr. Geo W. Keith, one of our city's prominent contractors, believes in keeping the steady growth and building going. All the contractors and carpenters in the city are busy as bees just at this time, but when the present building boom subsides, Mr. Keith will erect a home of his own. The new home, which will be a two story brick, will be erected on the corner lot across the street from his present home. It will not only be the finest and most handsome home in Eagle Lake, but the finest in Colorado county.

A petition to the Santa Fe Ry. Company is this week being circulated and numerously signed by friends of Mr. C. S. Durham, asking that the railroad reconsider its action and reappoint Mr. Durham as agent here. Mr. Durham was relieved here as agent at the Santa Fe last week.

If you must miss the Dixie any night, don't let it be tonight.

The first attraction of the Lyceum Course will be the Music Makers on Friday, October 18th. These are among the best talent furnished by the Redpath Bureau and render an excellent program in addition to the musical selections. If you haven't secured your tickets for the season, do so at once for the choice seats are being taken.

Mrs. Ella Guyann, who has been spending the summer in Colorado, is now visiting in Stuttgart, Ark. The Eagle Lake boys who are connected with the Southern Rice Growers Association, stationed at Stuttgart, write that they are surely glad to see anyone from Eagle Lake, and especially Mrs. Guyann.

By all means see the Dixie's show TONIGHT.

The Fuel Supply Needs Attention Only Three Times Each Day

The makers of Cole's Hot Blast Heater guarantee this stove to hold fire with soft coal 36 hours without attention. Your old stove and imitation stoves leak air and waste fuel because they are not air-tight, because they have putty joints.

Cole's Original Hot Blast Heater

—by means of the patented Hot Blast Draft and other patented features which make it tight, doing away with the use of stove putty—requires less attention than any other heater made.

All fuel—Soft Coal, Hard Coal, Lignite, Wood or Corn Cobs—contains a large amount of gas. Fully one-half of the heating power (carbon) in soft coal is gas. This is the part of the fuel this wonderful heater saves, by burning it with the Top Hot Blast Draft. This makes Cole's Hot Blast Heater the most satisfactory, the most economical, the most convenient heater you can buy. Imitations and other styles of stoves allow this gas-half of the coal to pass up the chimney with the smoke, unburned. Thousands of these stoves are in use and the sale continues to increase year after year.

This heater will give you more comfort than you ever thought possible by using any kind of a stove which uses soft coal for fuel.

Right now is the time to decide and select the size you should have. Come in and see complete line of styles and sizes.

EAGLE LAKE DRUG CO.

The Dixie has a program to-night—Friday night—that will appeal to you. While we will be glad to see you at the Dixie every night, we want you to be sure to come tonight. Tonight's bill at the Dixie is the best ever.

Mr. E. Middleton was up from Houston this week superintending his household moving, he having moved to the house near the school building formerly occupied by W. A. Jakel. The former Middleton home on State Street has been purchased by Mr. R. E. Walker, and will be occupied by his family on Mrs. Walker's return from Dallas.

The excellent program at the DIXIE tonight will please you.

The handsome silver for the Hotel Dallas has arrived and is now on exhibition in F. S. Ulerly & Son's show window. The silver is the Rockford Plate ware and was purchased through Mr. Ulerly. Considering the fact that the large order was put out to bid, and was bid by a large number of big city jewelers, and was captured by an Eagle Lake firm, is in itself, a big advertisement for our home jewelry store. Eagle Lake has one of the prettiest little jewelry stores in the state, and our people are proud of it.

Fruit trees, shade trees, evergreens, shrubs and plants from Eagle Lake Nurseries will grow best on your place. Catalog free. Phone 180.

A Beautiful Linen Shower.

The crowning social event of the season was the beautiful linen shower given by Mrs. B. H. Daily from four to six o'clock on yesterday afternoon, in honor of Miss Lillian Bentley whose marriage to Mr. W. S. Tomlinson of Marietta, Georgia, will take place in this city at the home of the bride-elect's sister, Mrs. M. G. Calvert, on October 18th. On entering, the guests were requested to register in the bride's book, which was presided over by Miss Sophia Daily. They were then handed blank telegrams by Miss Myra Weldon Davis, on which each guest was to write a message to the bride-to-be. Throughout the afternoon delightful punch was served by Misses Annie Margaret Thatcher, Esther Westmoreland and Mildred Davis. After the telegrams had been collected the guests were invited into the dining room, which was beautifully decorated in pink and white, where the shower of linen was draped around the walls on pink and white ribbons. There was an abundance of hand embroidered linen, lingerie and other dainty, useful gifts. While the guests were enjoying a look at these lovely gifts, delightful refreshments of brick ice cream and angel food cake, carrying out the color scheme of pink and white, were served, after which Mrs. Doole read the telegrams the guests had written, in them being good wishes for the future, some causing a great deal of merriment. The guests then made their adieux to the charming hostess expressing their appreciation of a delightful afternoon, and to the bride-elect, one of Eagle Lake's sweetest girls, wishing for her, in the language of old Rip Van Winkle, much happiness and that she "may live long and prosper."

Rev. D. T. Stanley of Mt. Vernon, Indiana, arrived in the city yesterday. Rev. Mr. Stanley will preach in the Christian church Sunday, morning and night. All are invited to attend these services, and all members are urged to be present.

Mr. Alvin Moebe of Altair was in the city today with some long staple cotton which he sold for 17 1-4c.
