A Great Record

Hard to Duplicate It in Eagle Lake.

Scores of representative citizens of Eagle Lake are testifying for Doan's Kidney Pills. Such a record of local endorsement is unequalled in modern times. This public statement made by a citizen is but one of the many that have preceded it and the hundreds that will follow. Read it.

J. C. Cooper, retired farmer, Cemetery Ave., Eagle Lake, Texas, says: "I can substantiate every word of the testimonial a member of my family gave three years ago, concerning my case. I will say for the benefit of other kidney sufferers that Doan's Kidney Pills have permanently cured me of kidney complaint. The kidney secretions were badly disordered and bothered me at night. My back ached and when stooping and lifting the pains became sharp and went direct into my head. I took several boxes of Doan's Kidney Pills and I soon felt like a different person. This remedy removed all the aches and pains and corrected the kidney disorder. This happened three years ago and since then I have used Doan's Kidney Pills off and on as a preventive with excellent results."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other.

The Union Meeting.

I have been asked in what respect the approaching series of services will be a Union meeting. I will say that the meeting will not be run in the special interest of any one denomination but will aim to be a help and a blessing to all, and persons who accept Christ during the meeting will choose for themselves the church in which they wish to make their religious home. All Christian people are requested to join in praying for and helping these meetings to save men, and all singers are requested to join the chorus which will lead the song services. D. T. STANLEY, Evangelist.

Colorado County Exhibit.

The carload of exhibits from Colorado county was shipped to Dallas Wednesday and the exhibits will be shown during the Dallas Fair. The Colorado county exhibit will be in charge of Mr. M. C. Yates, who has been untiring in his efforts in collecting the various products of this county. The exhibit contains practically everything grown in this county, a fine exhibit of rice, even showing the cereal in a growing state; a splendid wine exhibit. These wines were furnished by Capt. Siegfried Boek of Mentz. Potatoes, corn, sugar beets, cotton, cane, figs, all kinds of vegetables and preserves, a fine display of brooms, and in fact a little of everything grown in the county will be shown in the exhibit. The Business League has had printed 5000 descriptive hand bills of the Eagle Lake country, setting forth the many building improvements now under construction and those that have been made during the past year, which will be given out to the county exhibit.

WHY NOT GET A GUARANTEE?

Every Article of Merit that is Sold These Days is Guaranteed—No Guarantee Of ten Means Poor Quality.

There is very little excuse for any person to claim that he has been "stung" on a purchase. Fifty years ago the buyer had to look out, but today it is unusual to find a merchant who will not return the money for any article that has proved unsatisfactory.

An excellent example of this kind of fair dealing is shown by the clean-cut guarantee that Calvert's Drug Store gives on Dodson's Liver Tone.

These people tell us that any person who pays 50c. for bottle of Dodson's Liver Tone and does not find it a gentle and most pleasant liver tonic, harmless, but a sure reliever of constipation and a perfect substitute for calomel, can get his money back just as quick as they can get it out of the money drawer.

Dodson's Liver Tone has practically taken the place of calomel. It is absolutely harmless, sure in its action and causes no restriction of habit or diet. No wonder the drug people are glad to guarantee it, while other remedies that irritate the claims of Dodson's Liver Tone are not guaranteed at all.

More Economical Both in Use and Cost CALUMET BAKING POWDER

—And it does better work. Simply follow your customary method of preparation—add a little less of Calumet than when using ordinary baking powder. Then watch the result. Light, fluffy, and evenly raised—the baking comes from the oven more tempting, tastier, more wholesome.

Calumet insures the baking of an expert. Ask your grocer to-day.
